Amber Hintz
Family Tree Home Care Services

My name is Amber Hintz. I was born and raised in Moosomin, only leaving for a short time to complete my education. I am a Licensed Practical Nurse by trade and have worked in various areas of Nursing with the latest being Primary Health. During my years as a nurse, I came to notice the need Moosomin had with the elderly population. It had been in the back of my mind for many years to start a private care home. It wasn't until I was approached by a few people that I finally decided it was time to take the plunge. After much thought and research, I launched my business Family Tree Home Care Services.

Our goal is to assist people to stay in their own home with the best quality of life possible. We develop a personalized service plan for each client.

Family Tree Home Care Services has been operating since June 2021 and currently employs 3 other women from the area.

Our office is located at 640 Main Street Moosomin in the Broadway Commons building.

Betty Carriere
Fashion Fusion

I am a Métis woman born in Meadow Lake, Saskatchewan and was adopted to a family who farmed in the Tugaska area. Dad decided to sell the family farm and we moved into Craik, Sk. for my Grade 10 year and this is where I graduated high school. I then moved to the east side of the province in 1988. I resided in Grayson until 1996 and then moved to Esterhazy and currently still reside here.

My background was as a stylist and office administration. I was introduced to the opportunity through my sister-in-law who had a friend out in Ontario who was a member of the Garment Group. Our group uses suppliers from BC to Ontario with many of them being Canadian made lines. I started a mobile fashion boutique in the spring of 2018 called "Fashion Fusion by Betty Carriere" which is also the name of my Facebook page. With selling the clothes as a mobile boutique it has allowed me a more personal one-on-one with the client and provides them with an opportunity to try before they buy. I traveled from Tradeshow to Tradeshow in Saskatchewan and Manitoba. The Red Market Barn was a favorite place for me to show the clothes.

Along with traveling to Tradeshows I can also do home shows. For more information you can email betty_fashionfusion@sasktel.net

After a long break with not being able to attend shows in person because of the Covid pandemic I am happy to start again! The first show I'll be attending will be in Whitewood on October 2nd.

Carmen Hamilton
Royal LePage Premier Realty

Fresh out of high school in 2010, diploma in hand and my first set of real estate textbooks on order, I was both excited and nervous to get started on my real estate career. Jump to January 2012 after completing my Real Estate schooling & receiving my Interior Design diploma, I was signing my first contract as a licensed Realtor in Saskatchewan, not to mention, I was the youngest Realtor in the province at the time at the age of 20.

Naive, but ambitious, I took on the most challenging first couple years of my career selling Real Estate in Moose Jaw, SK where in only a year I gained top producing agent in my brokerage. In 2014, I moved back to the Moosomin area where I've been selling real estate ever since.

Today, I am a member with Royal LePage Premier Realty and specialize in buying and selling residential real estate in the Moosomin area. In the past 10 years I've achieved many top achievement awards; president's gold & director's platinum awards, and have been honored to sell over 250 properties with over \$37 million in sales. If I'm not selling real estate, you can find me at South Prairie Residential Design here in Moosomin, designing kitchens & homes with my husband!

Lorna Klassen Klassen Water & Ice

Born and raised in Virden, MB, I have always had a passion for business and people. My first business was Klassen Draperies and for 10 years I travelled across SW Manitoba and SE Saskatchewan dressing up windows.

During that time I also did the books for my husband John's plumbing business and in 1992 we began a new business concept in our area of selling bottled water.

Our venture was called Water Pure & Simple.

In 1996, we sold the water business and I closed down my drapery business to have more time with our 4 kids.

In 2010, we began Klassen Built-Rite Homes, building and remodeling homes and began pastoring Victory Church of Virden. As the housing market took a downturn with the oil prices, we had an opportunity to buy back our water business in 2016 and in 2017 we expanded to Moosomin. Eventually making Moosomin our home.

I now manage and operate Klassen Water & Ice here in Moosomin and John runs our Virden location.

My aim each day is to serve our customers well and to be that listening ear when some days they need more than just water or ice.

When you require water, ice or prayer, give us a call or drop by our water store on the corner of Main and North Front Street.

Anet Kamffer Anna's Spring Cleaning

I started my business—Anna's Spring Cleaning—in July of 2018.

When we came to Canada from South Africa, it was hard to adjust to the new environment here. Everything was different, and I realized that the easiest way to adjust was to start my own business!

I offer house cleaning, carpet cleaning, and I offer deep cleaning in houses that are unoccupied and between residents. I enjoy the challenge of a really, really dirty house! I love being able to walk out satisfied and proud to leave a clean, sparkling house behind me!

I was born in South Africa and graduated in 1994. I have three daughters. One of the things I love to do is help out seniors in my free time. I also love farming and gardening.

Sharen Hogarth Hogarth's Lawn & Garden

Hi, my name is Sharen Hogarth. I'm married to Richard Hogarth. I moved to Moosomin from Redvers in 1989 to begin my hairdressing career. That lasted until 1990 when I applied at MacLeod's for a job. November 10, 1990 I was hired and like the saying goes... "the rest is history". Lots of history, close to 31 years working there with lots of changes.

I have been fortunate to work with a great team of people.

In 1999 my husband decided he would like to start a business of his own. He was working at Foodworld at the time but wanted to start his venture by cutting grass at the school grounds and that idea of his took off.

I try to keep the books and billing in order for Hogarth's Lawn and Garden and help him when I can.

In my spare time I work at Strive Fitness Centre 1-2 evenings a week and spend time with family. We have a daughter, Aimee who lives in Grand Coulee and has two boys (our grandsons) and our son Kyle lives here in Moosomin.

Jessica Cuthill Essentially Yours - Hair by Jess

I grew up in Esterhazy and moved to Saskatoon where I took my training as a stylist and esthetician at Marca College.

I worked at a hair salon/day spa in the city for a year and then decided to take a job at a busy salon in my hometown where I finished out my apprenticeship. After becoming certified as a journeyman hairstylist in 2005, I decided to open my own salon in Esterhazy offering full esthetic and hair services.

In 2011, after the birth of our second child, I made the decision to devote more time to our young family and sell the salon.

I continued to work part-time as a stylist and in 2013 we made the move to a farm near my husband's hometown of Welwyn. This is where our third child was born. We love this area!

I now run my salon "Essentially Yours" in Rocanville and I am loving every minute of it.

I am active in volunteering, curling and watching my kids and their activities.

Rose Mullett Mullett's Home Hardware

So here we are, nearly three years after switching to Home Hardware. We have seen a constant increase in business as customers continue to remain close to home and work on home renovations and other projects. We have our staff to thank for our continued success, especially Sharen, Debbie, Lorne, Mallory, Sherry and Corinna. Without them, we wouldn't be where we are today. They are continually changing displays, and giving excellent customer service, being sure to special order items if we don't have them in stock. We'd like to welcome our student employee, Sarah Lonsdale who has recently joined our team.

We are also thankful for our valued customers for their loyalty and support these past 34 years. As I've said before, Moosomin is a great place to live, and it's good to be "Home".

Kimberley Eklund & Amanda Cairns Dusty Road Boutique

Kimberley and Amanda are the faces behind The Dusty Road Boutique! We specialize in ladies clothing with our inspiration coming from our rural and agriculture backgrounds. Our styles gravitate towards the western and boho trends with a little contemporary fashion sprinkled in. Casual, everyday looks is our staple and it is proving to appeal to a wide audience!

Kimberley is the owner and founder of the boutique. Starting from humble beginnings and zero experience in retail she fumbled her way through growing both a storefront and online presence in her hometown of Glentworth, Sask. The boutique quickly gained a Canadian wide audience and we are proud to have loyal customers in the majority of the Canadian provinces and territories! In 2018 Kimberley packed up her storefront when her family moved to Maryfield and for a few years just operated as an online store. The opportunity popped up in September 2020 to team up with Amanda Cairns and re-open a storefront on Main Street in Maryfield!

Cairns and re-open a storefront on Main Street in Maryfield!

Amanda grew up in Maryfield and successfully operated The Middle of Nowhere Day Spa for many years! She teamed up with Kimberley to bring a storefront shopping experience to her little hometown and now manages the storefront and does a lot of the social media and marketing. Along with the clothing that you see on the Dusty Road website you can also find several tried and true Canadian made brands exclusive to the storefront. We have been blown away and are very grateful for the local and out of town support we receive at the storefront.

Every Tuesday at 5pm we release new styles and accessories onto our website and into the store. You can catch Amanda and Kimberley live on our Facebook pages on Tuesdays as we try on and share about all of the new arrivals for the week. It is a great way for us to connect and interact with our customers from all over the country.

We would also be remiss to not mention Bree Moore, who works super hard behind the scenes as our shipper, receiver, photographer, casual storefront worker as well as doing all kinds of odds and ends jobs that pop up...quite honestly we would be lost without her! We are super proud to be a team of Moms working hard to make this unique boutique a success!

Kara Kinna

The World-Spectator

I grew up in the Estevan area and graduated with a Bachelors Degree in Journalism and Communications from the University of Regina in the spring of 2002 and started working at the World-Spectator in the fall of that year. After only a few months of covering Moosomin and the surrounding area as a reporter, I grew to love this area and knew it would be my new home!

After a few years of full-time reporting and getting to know this area of Southeast Saskatchewan and Southwest Manitoba inside and out, I moved more into the business end of the company, doing sales work and book work. Today I continue to do sales, books, and some reporting (my true love) when I can!

I'm a busy person, but in the free time I have, I love to be outside. I enjoy gardening and yard work, as well as travelling, reading, swimming, and visiting family.

The Family Stones

I started my business one year ago and since then I have made close to 100 of my art pieces! I make personalized family art pieces using stones that I collect along with my children that I mount in a shadow box.

One of these art pieces was given to me when my son Hunter was born, and I went to add to it when my daughter Quinn was born and found the process calming and grounding after being a 16-year veteran of paramedic medicine and understanding the struggles that take place with PTSD.

My children and I collect the stones while out hiking together. While making the art pieces I enjoy getting lost in the creativity of the process, and I smudge before I start creating, and before each piece leaves my home, so that each piece is personally blessed.

I have lived in Moosomin since 1992. I graduated high school, moved away for a bit, then came back and worked for Backlins Ambulance for many years. I have two children, and am spending more and more time exploring and sharing my Indigenous heritage and roots and becoming an Indigenous leader in my community, something I hope to continue doing.

Gayleen Gurr

Pampered Chef

I started selling Pampered Chef products in April of 1998. At that time, the company was only two years old with an awesome product. I wanted to work for myself and this was a good way to do that! I also felt there was a gap in the area for this kitchen product and I wanted to fill that gap. Since 1998 the product line has expanded to include everything from basic cooking to pantry items, to entertaining and to include small appliances.

I've built a team of 10 independent consultants that I've helped to start their own business. I have consultants from B.C. to Manitoba.

I really love being able to see my consultants succeed. It's really neat when they have a financial goal they want to reach, like buying a new car or paying for their kids' sports, and they make enough money through Pampered Chef to be able to do that! It's so nice to see them succeed, and you also make some awesome friendships along the way.

Bert and I live in Langbank with our two pampered pet cats Blackie and Smokey. I enjoy gardening, spending time with family, cooking, and volunteering with my church in Kipling and with the Moosomin Armoury. We are busy all the time but look forward to serving you!

Rae Mitten

Mitten Law Office

The influences on my choice of professions are several. Firstly, the strong formative education I received in Orangeville School up to and including grade five, and later Moosomin School, grades six to twelve, provided me with a strong academic background from which I could make meaningful choices for a future career. Kudos to several of my teachers who have survived this experience, namely Della (Webster) Crosson and Henry (Hank) Reis, and as well they attended and spoke of their experiences at School Reunions in Orangeville and Moosomin, respectively, in 2017.

I followed in their footsteps teaching in Redvers, SK for some 30 years. Secondly, living in Saskatchewan, Canada, at the time of significant social democratic developments, such as Medicare, on the one hand, and the Charter of Rights and Freedoms, on the other, eventually focused my attention on social justice and the law, in addition to education.

I pursued further studies at the University of Regina receiving an M.A. in 1974, and at the University of Saskatchewan, where I also served as a teaching assistant and sessional lecturer, receiving from the University of Saskatchewan inter alia a JD (2000), an LLM (2004) and a PhD (2011). My sabbatical was also assisted by the receipt of the P. E. MacKenzie Scholarship in 1998, and the Law Society of Saskatchewan's E. M. Culliton Scholarship for Graduate Studies in Criminal Law in 2013. Both Justices, P. E. MacKenzie and E. M. Culliton had been Chief Justices of the Court of Appeal of Saskatchewan, where I served a Clerkship in 2001, when Edward Bayda was the Chief Justice, and all three were very distinguished jurists. E. M. Culliton was particularly noted for his legal advocacy for farmers during the drought and great depression when he practiced Law in Gravelbourg, Saskatchewan, and later for advocating the preparation and role of the Appellate Courts, necessitating the hiring of Law Clerks to assist with the research and preparation.

After my JD, I articulated (actually termed a clerkship) at the Court of Appeal of Saskatchewan, listening to the appellate court hearings, and writing Bench Memos for the Justices. It was wonderful to see them again at the 100th Anniversary Celebration of the Saskatchewan Court of Appeal, March 19, 2018. I also completed a portion of my articles at MLT, Regina, and worked as a legal assistant at MLT, Saskatoon (both now MLT Aikins) one summer, following receipt of their Entrance Scholarship to the College of Law, University of Saskatchewan, and at MLT, Regina, as part of my in-firm articles while clerking at the Saskatchewan Court of Appeal, 2000-2001.

I was admitted to the Saskatchewan Bar in 2001. I also took seminars in Alternate Dispute Resolution. I now have a small solo practice, Mitten Law, in Redvers, SK. Prior to entering a career in Law, I taught 31 years in Redvers, SK, including teaching the following subjects, Chemistry 20 and 30, Physics 20 and 30, General Science 10, and Psychology 20 and 30, and other subjects as assigned. I also served as a teaching assistant and sessional lecturer at the College of Law, University of Saskatchewan.

I am currently completing my final year of a second three-year term as an elected Senator of the University of Saskatchewan.

Aspen Grove Campground

Aspen Grove Campground is a local family run campground. 2022 will be our 12th season running the campground. We have wonderful campers who have been very supportive over the years and many many repeat visitors. In addition this year we have experienced an influx of new campers from all over Manitoba.

I am originally from Brandon, MB where I graduated from Brandon University. I headed off to Europe for a couple of years before returning to Western Manitoba. A dozen years later I became involved with Aspen Grove Campground.

In 2011 the opportunity presented itself to purchase Aspen Grove Campground with our former partners. My husband and I continued working in our respective fields, I had spent over 15 years in finance, while running the campground. Finally we gave up our day jobs to run Aspen Grove full time (2015 & 2017 respectively). I have been running the campground full time with my husband since 2017. I look after the front of the house and he looks after the back of the house. In 2018 we bought out our partners and now are accountable to each other and our campers.

The front of the house is what I do: I look after the staffing, the store, the reservations and all the books, shopping, ordering etc. We have wonderful staff who have been invaluable to us over the years which we are very grateful for.

Our camp store is a small but a very versatile part of the campground. It is the heart of the campground, you do everything there. Register, check in and out, pay for mini golf, sign up for swimming, purchase wifi, get change for the laundry, make your reservations plus do your shopping. I like to say we have everything you need and don't need. So all the necessities that one might need or have forgotten and then there is the fun stuff. The toys for the pool, some apparel, premade desserts, meals & salads (supporting local businesses) plus lots more. I get many of my ideas from our campers. If they ask for something and we don't have it, it goes on the list and we try it out. We are constantly expanding our offerings. There is always something new.

We would welcome you to come camp with us again or for the first time. We are located between Virden, MB and Oak Lake, MB right off the Trans Canada Hwy. We offer full service 50/30amp sites, and we have newly upgraded WIFI available throughout the park. We have had folks working remotely now that they can connect and get their work done and enjoy camping at the same time.

We hope to restart some of our activities in 2022 as we had to suspend all activities due to Covid.

We take bookings all year round! Please feel free to call us at 204-855-2260 (leave a message) or visit our website: aspengrovecampground.com or email us at: aspengrovecampground@gmail.com

Lynn Fawcett

I was born and raised in this wonderful community of Moosomin. After graduation I moved to Alberta and then to British Columbia where I had a career in the healthcare field.

While in British Columbia, I met my husband Tom and our son Jaimie was born and then we relocated to Alberta where our daughter Callie was born.

After being gone from Moosomin for close to 18 years we decided there was no place like home, so moved back.

Back in Moosomin I worked in the banking field, after 4 years of that I decided to try out my true passion for the Real Estate market. Since January 2016 I have been doing real estate and am loving every minute of it.

I enjoy curling, yoga and doing volunteer work.

Sandra Garrett

The Witch's Brew

Hi all, I'm Sandra Garrett. I grew up in Maryfield Sask, but I have lived in Moosomin for 28 years. Moosomin is my home town. To tell the truth, this is not where I thought I would be all those years ago, but I can't imagine living anywhere else now! Moosomin is the town where my husband Trevor and I have raised our son, and built a life.

In 1997 I was given the opportunity to complete the Apprenticeship program through SIAST and receive my Red Seal Journeyman in the Cooking Trade (Red Seal Chef). When Trevor and I decided 12 years ago to take a chance and open The Witch's Brew, it was a very big asset to have the knowledge from my training to bring my dream to reality!

Initially I was thinking it would be only a small coffee shop with some desserts. Boy was I wrong! Over the past 12 years we have evolved from drink, desserts and one daily lunch feature into a full service daytime restaurant with catering and private functions available for evenings. Witch's Brew has surpassed all expectations I initially had.

We know for certain that we wouldn't be where we are today without our family and our customers!! The support we get from our town, surrounding towns and rural area is nothing short of amazing! Supporting our local business helps us support your local fundraisers, local sports teams, and local events! Thank you everyone for your support.

Pat Siemens

Pat's Pictures

Hello. I am Pat Siemens and I operate a small Photography business known as Pat's Pictures out of our home. I was born and raised in Brandon, Manitoba but now married for over 20 years and residing near Kola, Manitoba on a farm with my husband and 2 boys.

My passion for photography started in high school. So here I am, 32 plus years later, I still have the same passion and it continues to grow. As a photographer, I have participated in courses and seminars to keep current and that will always be an ongoing process.

I have seen many changes in photography over the years with the advent of digital photography. It has become as much art as simply photographing portraits. I'm still a firm believer in quality portraits that belong on the walls, over mantels, and also in our wallets.

Pat's Pictures has evolved from wedding and family photography to now including school portraits, sports teams and individuals, graduations, passport pictures, and event photography.

A huge thank you goes out to my devoted clientele and many wonderful people that I've met and continuing to meet. They keep me passionate about my photography which makes me continue to strive to deliver quality.

I've worked as an associate dentist since my graduation, together with university teaching.

I arrived in Toronto in 2011, and was immediately engaged in research in the Restorative Dentistry Department, UFT. I completed the "National Dental Examination Board" in 2014.

Since then I have been applying all my advanced training together with my passion for dentistry to my work as an associate dentist in several clinics in Toronto. I'm also a clinical instructor in UFT. I received my license in Saskatchewan in 2019, and I am pleased to be in Moosomin. Dr. Linsie Landa

Moosomin Dental Centre

I was born and raised on a farm in Assiniboia, SK. Dentistry runs in my family, both my mother and aunt were dental therapists and then hygienists. From an early age I knew I wanted to have an occupation in the dental community. Dentistry is so dynamic and gives me the ability to continually learn and expand my skill set. I graduated from UBC in Vancouver, B.C. with a Bachelor of Science degree and a minor in Psychology. I then pursued my career in Dentistry, graduating with honours.

I currently work at Moosomin Dental Centre as a Dentist with Dr. Olafson and have been there for over 3 years. I am very grateful that I had strong female role models to look up to throughout my childhood. I have always been encouraged to follow my dreams and achieve my goals. I would like to be a positive role model for other young women who wish to pursue further education in any of the vast opportunities available to them.

Dr. Pat Biglow-Lecomte

Moosomin Dental Clinic

Life as a dentist began with graduation back in 1988, with the academic accomplishment of the Gold Medal for highest academic average over four years. I then worked as an associate in Winnipeg for seven years, and Moosomin Dental Clinic was purchased in 1995.

Being in business introduced me a host of new skills: overseeing building a new clinic, managing a staff, computerization, new clinical skills including orthodontics and implants, bookkeeping, maintenance and new Covid protocols. With two family businesses, and three children active in many activities, I feel this could only have been done in a community like Moosomin with abundant local support and proximity for so many aspects of daily living.

I wish to thank all the staff and community members that have supported Moosomin Dental Clinic for the past 25 years for the imperfect perfection that is a challenging practice. Though no longer responsible for the practice management, I continue to enjoy working with the many wonderful clients that have supported the office. Thanks again to all.

Kim Roberts Broadway Bakeshop

In 2018, Kim Roberts landed up in small town Saskatchewan to be closer to her daughter. Kim had previously owned a bakery and deli in Toronto, Ontario, but then found herself on the move to Vernon, BC.

Kim settled into the community of Redvers, and after a few months of working in the kitchen operations of the Redvers Health Facility, she found herself chasing her dream of opening a Bakeshop.

In July of 2019, this dream became a reality, with the support of family, friends, and the community.

Broadway Bakeshop opened, and has been successful ever since.

Recently, Kim has moved her business into a building of sentiment in the community. In 2020, Kim purchased what used to be the United Church. Kim spent endless time, turning this space into what she saw as Bakeshop potential. Many past, and current community members have visited the Bakeshop out of curiosity and expressed their excitement that this building has been brought to life with Kim's delicious baked goods, home cooked meals, and small town atmosphere. This move has also allowed Kim to rent out her extra spaces. Many clubs, boards, and organizations use our facility to host meetings, and the delicious meals and treats are just an extra bonus! The basement has also been turned into the well known local second hand store Grandma's Closet. The business really is a "one stop shop"!

The Bakeshop offers daily specials and soups, delicious dainties, catering inside and outside of the building, as well as bookings for private parties. Some of our signature items are our delicious hello dollies, cheesecake parfaits, cheesecake cones, cinnamon buns, homemade buns, and specialty cakes.

Broadway Bakeshop is open Monday - Friday from 7am - 6pm. Whether you are wanting a hearty bowl of soup, a specialty poutine, or a quick coffee and a cookie, be sure to stop by!

She graduated from Minot State University with a Bachelor of Science in Communication Disorders in 2003 and a Master of Science in Audiology in 2005.
