Moosomin Parks and Rec Awards to be presented

The Moosomin Parks and Rec Awards will be presented during the SJHL game at the Communiplex this Saturday night.

Here are the list of award winners, as well as some comments from Moosomin Rec Director Mike Schwewan on each winner:

MAYOR'S AWARD OF DISTINCTION - SPORT / CULTURE / PARKS / RECREATION
Peter Nabholz

I first moved to Moosomin in 1989. At that time Peter was involved in Minor Ball and Minor Hockey. As such he was a guy I would bump into on a regular basis. As I grew in my position Peter also grew in his community involvement—from Minor Ball Executive, Minor Hockey Executive, Senior Rangers, Parks and Recreation Board. Frankly Peter was everywhere. I could write a short novel on projects Peter has been involved with. This award is a "lifetime achievement" award and certainly Peter has given so much of his free time to ensuring his children along with everyone else's children grow up in an environment where they can be healthy, active and engaged!

COMMUNITY COUNCILOR'S ACHIEVEMENT AWARD - SPORT / CULTURE / PARKS / RECREATION
Creative Vision Productions

When we first started on our concept of the Convention Centre our key goal was to make it all encompassing—a true multipurpose

PETER NABHOLZ

THE 2015-16 SENIOR RANGERS

BILL VAN MEER

The rise back to the top was dramatic. 2015/2016 was a fairy tale year as the team captured the NCHL title and then put the fear of God into Manitoba hockey as they challenged for their provincial championship. I have seen this dramatic turn happen before, but truly this is a tremendous local sports story that had the entire community buzzing with excitement and gushing with pride.

MERITORIOUS SERVICE AWARD
Bill Van Meer

Bill Van Meer was one of the first people I met in Moosomin when I arrived in 1989. I walked into the Communiplex and there was Bill. I told him my name was Mike ... he said glad to meet you Mike ... now get out of my way so I can do some work! Kidding aside Bill and I spent close to 30 years working together. I think those that know me understand I put no credence in position. To me I worked for Parks and Rec and Bill worked for Parks and Rec. We had different jobs working towards the same outcome. Bill and I became close friends and it has always been a special relationship. I wish Bill all the best in retirement. He needs to fish ... he needs to buy the grandkids ice cream ... he needs to take Susan out for supper. All the rewards that come with a lifetime of dedication to his job!

complex. We had business people and we had sports people on the planning committee. One background we lacked was creative arts/performing arts. While we lacked knowledge we did possess understanding. So with that—and this is a little known fact—the first thing we did was plan the stage and built around it. We felt if the structure was there we could always cure our shortcomings in this area. So we went to Sask Express and asked if you were building this stage what would it look like? They told us and we listened. So now we had the bare facility but now expertise as well. Along came Creative Visions and suddenly we had the expertise we were so lacking. Creative Visions, for the most part,

said get out of our way and let us finish this the way it was intended. Drapes, lighting, media, sound, staging and on and on, there were many upgrades at their expense. They have built the Convention Centre a fantastic performing arts centre to the point where when we have first time visitors to the Convention Centre they are drawn to Creative Visions' work. I think we all agree the productions the group have put on have been nothing short of breathtaking.

CORPORATE COMMUNITY BUILDER AWARD
PotashCorp Rocanville

Well this one is easy. I think most will agree our new Sportsplex is a unique one of a kind facility which

will service the needs of the community and region for many, many years to come. It is the first part of a master plan which will include the new park, outdoor performing stage and summer visitors stop.

Without the funding from PotashCorp this facility would never have taken flight. Our many, many thanks as we are so truly proud of this one of a kind multipurpose complex.

TEAM / INDIVIDUAL OF THE YEAR

2015-16 Moosomin Senior Rangers

I always liken the Rangers to the plight of our

Roughriders. We have great years ... and we have lean years. Through the 90's and into the 2000's it seemed this team challenged for league and provincial championships every year. Then it was like a curse was cast and we couldn't win an inter-squad game. Senior hockey is not always played on level ice and it is hard to climb back up the ladder. The journey had reached a point where our executive discussed the unthinkable. However with a committed executive and core players, and they rolled up their sleeves ... threw their dart in the dark ... and bullseye. From dormat to the honeymoon suite.

2015-2016 NCHL champs:

Rangers heading into 40th season on high note

It's the 40th anniversary season for the Moosomin Rangers, who head into this season on a high note after winning their first senior hockey championship in over a decade last season. After steadily re-building, the team claimed the NCHL banner in 2015-16 and made a run at Hockey Manitoba's Senior A Playdowns as well.

The Rangers will be kicking off their 40th anniversary season this Friday, with their season home opener against the Rivers Jets at the Moosomin Communiplex. The Rangers will be sporting special 40th anniversary retro jerseys for the game.

The game starts at 8 pm and will be followed by a social at the PotashCorp Sportsplex.

The Friday night home opener will be one of many events going on this weekend.

On Saturday there will be a Rangers Alumni game at 1 pm, and a Saskatchewan Draft Eligible AA Bantam Game at 3 pm.

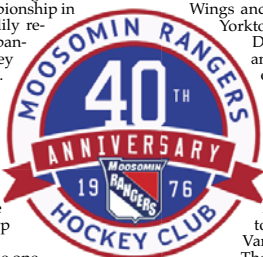

Saturday night will feature an SJHL game between the 2016-16 Viterra Division Champion Weyburn Red Wings and the 2014 Royal Bank Championship Yorkton Terriers.

During the game, the Moosomin Parks and Recreation Awards will be presented. The Mayor's Award of Distinction is going to Peter Nabholz, the Senior Rangers have been named Moosomin's Team of the Year, the Community Councillors' Achievement Award is going to Creative Vision Productions, the Corporate Community Builder Award will go to PotashCorp Rocanville, and the Meritorious Service Award is going to Bill Van Meer.

The evening will be capped off with a Rangers alumni social.

The weekend has been planned as a fundraiser for both the Moosomin Rangers and the new PotashCorp Sportsplex.

Tickets for the SJHL game are available at the Moosomin Town Office; Moosomin Communiplex Kitchen; PCS Sportsplex; Glasser's TV; Witches Brew; Credit Union; World-Spectator; Andrew Agencies; Pharmasave; and Rona.

Congratulations to the Moosomin Rangers on celebrating their 40th Anniversary!
