

WE ♥ OUR FRONTLINE WORKERS

Moosomin & District Health Care Foundation

This year has been a difficult year for not only patients, residents and staff but for the entire community, and we know everyone is working very hard to make sure everyone's loved ones stay safe. Thank you to all frontline workers for providing care and support to keep our community healthy.

Thanks to our donors for your continued support on this historic journey and we know making a donation this year has been more difficult accessibility wise. Thank you for making the extra effort and supporting your local Integrated Care Centre.

The Moosomin & District Health Care Foundation is passionate about providing the funds necessary to ensure that our health care professionals can deliver quality health care to our region. With the funds and the generosity of our community your investment makes it possible for staff and physicians to ensure the right care is available when you or your loved ones need it.

Your donations support the purchase of necessary vital medical equipment large and small, furnishings, patient care, improvements and education. Thanks to your ongoing support, the foundation is able to ensure patients have access to the highest quality of care close to home. This year a three-season room has been added to the East end of the building for all patients, visitors, residents and families to use at their leisure. Thank you for your continued support!

Reasons to Donate/Special Occasions

IN MEMORY:

To honor the memory of a relative, friend, co-worker

SPECIAL OCCASIONS:

Tribute gifts such as birthdays, special occasions, thank you, anniversaries, weddings, retirement, Christmas etc.

PERSONAL:

A personal donation to the Foundation shows your support for health care interests

BEQUESTS:

Planned giving is a lasting tribute to you.

HOST A PARTY WITH PURPOSE

Ways to Donate

- At the South East Integrated Care Centre front desk
- At RBC, Moosomin Branch
- At Conexus Credit Union, Moosomin Branch
- Filling out the form on this page and mailing to MDHC Foundation

Your generous donations were used for Acute Care, Long Term Care, Activity, Palliative Care, Community Therapy, Emergency and Laboratory/Pharmacy

- Tonopen Eye Assessment Tools
- Stats Monitors - Finger Pulse Oximeters
- Portable Blood Pressure Machine
- 24 hour Ambulatory BP Machines
- Laundry Heat Press and Labeller

FALL 2020 GET INVOLVED

Moosomin Curling Club open with Covid precautions

The Moosomin Curling Rink will be open and excited to provide a sporting option this winter.

Saskatchewan Curling rinks received the green light to open as of July 6, 2020 as per phase 4.3 indoor sports are able to resume.

A few things will look different this winter due to Covid-19. Curl Canada released new rules for return to play. The main changes include the following to help with 2 meter (6 feet) distancing on ice:

- One sweeper only on all delivered stones. No relaying (second sweeper taking over halfway down the sheet)

- The skip of the non-delivering team must remain in the hack area until all stones come to rest.

- The person in charge of the house is not allowed to sweep under any circumstance.

- Defined direction of flow on the ice surface
- No shaking of hands or coin toss

OUR CURRENT LEAGUES ARE AS FOLLOWS:
 Monday Night - Super league
 Tuesday Night-Mens
 Wednesday Afternoon - Farmers and Friends

Thursday Night - Ladies

Bonspiels are allowed following certain measures. Club spiels will be determined as the season progresses.

The Moosomin Curling Club will be a

safe place to enjoy a winter sport. We are open to other league ideas if there is interest. Examples would be a mixed doubles league or a senior afternoon stick league. Phone Mike Schwan at 306-435-3622 if you are interested in curling!

Appendix 5: Distancing Illustrations

This illustration shows how to social distance on the curling ice.

Moosomin Thrift Store and Food Share

Giving back to the community in more ways than one!

Moosomin Thrift Store and Food Share is all about giving back to our community. As a non-profit organization, we strive in helping others, not only in Moosomin, but also in the surrounding areas.

The success of both the thrift store and the food share relies on the community and donations. Everything from clothing to housewares to miscellaneous items that are sold at the thrift store are items that were donated. In return the money collected from the sales of the donated goods are put back into the store to keep it functioning and to pay for some of the food products that go into the food hampers, such as milk, bread and eggs.

Our mission when we first started was to eventually be able to give back to our community and to organizations in need. In addition to our donations to the Kin-Ability, The Legion, and Playfair Daycare, we have made donations to MOTOH, Moosomin and District Music Festival and DQ's Hospital Week.

Now going on in our third year at our new location at 609 Gordon Street, we are grateful for continued donations and patronage. We live in such a caring community. We regularly receive donations for both the thrift store and the food share. Over the past year we have also been

Jaedyn Moore and Marilyn Klinger, left, and Shirley Lindsay and Sharon Beutler, right, volunteering at the thrift store.

fortunate to receive a few large monetary donations, for which we are grateful.

The Moosomin Thrift Store relies on volunteers and we would like to send our sincere appreciation and thank you to all of our volunteers who spend countless hours sorting, pricing, and putting away items. Becoming a volunteer is a great way to support your community and give back, and we always welcome new recruits. It's a simple process of contacting our administration and filling out an application form.

Unfortunately we were

unable to receive the garden grant due to Covid-19, which had been a work in progress but has been so successful the past few years. We were able to succeed at getting a grant through Food Banks Canada which helped us purchase another freezer for our food share which will be so helpful, especially when we are able to get food grants from other organizations which often comes in frozen goods. Any produce people have donated has first been put into our clients' hampers and if there was any left it had been sold at our store

to our customers for a reasonable price. The proceeds from produce goes straight back to the food bank to pay for milk, eggs, bread, and other groceries we may need.

As this year has been a lot of unknowns, and we did have to close our doors for a little bit due to the pandemic, we are extremely thankful to be back open, even at reduced hours. When we opened back up, we welcomed Kadence Meredith and Jaedyn Moore on our staff for the summer. Now into fall, our full-time administrator Samantha Campbell is back and Kadence and Jaedyn have stayed on as part time.

Even though we have reduced hours, we are still as busy as ever! Currently we are open from Monday to Thursday, 12 pm - 5 pm for retail shopping only. And our biggest news as of yet is our new debit/credit card machine! We are now able to accept cards but we do have a minimum purchase price of \$10.

On Fridays we are closed for retail shopping but are open from 12 pm - 5 pm for donation drop off. If you were thinking about donating, whether it be towards the thrift store or to the food share, please drop off your donations when the store is taking donations on Fridays only from 12-5

pm at the side door.

Another item we need that people tend to forget are monetary donations to keep the building running and to pay for building maintenance as it occurs. If you're not able to get down to the building to drop it off, you can mail it to SEHAS, PO Box 1803, Moosomin, SK, S0G 3N0 or e-transfer us at sehas2018@sasktel.net.

And just as a reminder, EVERY Wednesday is now bag day! You can fill a reusable tote full of men's, women's and kid's clothing for only \$10/bag!

We will keep everyone in

the loop through signs at our store as well as advertising it on our Facebook page under Moosomin Thrift Store.

If you are interested in volunteering or would like to know more about our organization, please come down to see us at our location at 609 Gordon Street, Moosomin, Sask.; phone Samantha Campbell at 306-435-2633; email us at sehas2018@sasktel.net or leave us a message on our Facebook page Moosomin Thrift Store.

We would love to have you, and any help is very much appreciated!

Moosomin Baptist Church

We are open and offering Covid-safe programming

Covid-19 may have thrown a wrench into many things, but the Moosomin Baptist Church wants the community to know that they are open and forging ahead with regular programming with Covid precautions in place.

"We want people to know that we are still there, and we are open," says Pastor Jonathon Shierman. "We are hearing a lot from people that they didn't realize we were running programs again. We have kids programming on Wednesdays and youth programs on Fridays. We are there Sunday mornings with full kids programming."

The importance of programming

"We are one of the few churches in the area that has kids programming—a lot of kids programming. It's just something that people seem to be looking for and don't seem to know we have," he adds. "There is not a lot remaining for kids programming outside of churches—there is not a ton happening right now."

"Of course, it is all very Covid safe. We are following the province's rules."

Shierman says the church is following the same rules as day camps.

"The province told us to follow the day camp rules," he says. "So we are keeping them in groups of 15, everybody is socially distanced within those groups, we are

keeping soft-touch surfaces down, there is lots of cleaning. The kids don't sing in our church service or wear masks if they do sing."

Shierman says they are distancing for their regular church services as well, which are being held every Sunday at 10:30 am.

"We are using every other pew, and we are two meters apart. We are trying to encourage people to RSVP ahead of time on our website, but they don't have to. We keep attendance. We are trying to limit the congregating inside, and encouraging one-way traffic," he says.

He says he feels it's important to continue to offer programming through Covid-19, especially to the children.

"Obviously, as a Pastor, I want to see Biblical teaching and I want to see kids brought up in Biblical truth," he says. "It is also really nice for kids to have a safe place where they can go. Most of our programming is free, or very close to free, and for young parents and young children, that is a rarity. For example, our Kidz Club program Wednesday nights is \$30 a year, which is very negligible, but it provides an hour and a half of programming every Wednesday night, and I don't know where else you would find that, where they get skits and games and snacks and things like that, so that kind of setting, I think, is really valuable."

"We talk about kids like they are the future of the church, and I say 'no, they are the now of the church.' Because if the kids were the future of the church and the adults were the now of the church, if this weren't for the kids, there are way more efficient, easier ways to do what we are doing if it's just about adults. We want to make sure that kids are the focus."

"So, for parents to have an hour and a half to themselves where they know that they have safe programming for their kids, where everyone is criminal-record checked, and where they know there are Covid precautions taking place, and they can do that for fairly low-cost, that is hopefully a service to them!"

Some changes at the church, and more coming in the future

Shierman also points out that, while Covid-19 has slowed down some of their plans, there are some changes that have taken place at the church. He is one of those changes.

"We have all new staff," he says. "I am fairly new, and Elesha (our office administrator) just started two months ago."

"I started officially May 1st—my family and I moved April 15, right at the height of the lockdown from Calgary."

Shierman says it was tough starting as a new pastor during a pandemic, but it also allowed the church some time to review what it could change and gave it a chance to "rebrand" itself.

"As of right now, not a ton is different," says Shierman. "People will find a new logo, they will find some new branding because we have been able to work on that behind the scenes stuff, especially when we were closed down. The biggest change they will notice is me being there. The previous pastor was there for 19 years and then they went out and hired a fairly young pastor, so that's a big change as it is. But the rest of the stuff, if they have been there before, will feel very similar. We still have the same worship teams, the same style of service, the same children's programming."

"We are hoping to be able to offer more post-Covid, but we are kind of in that waiting game right now. Because the world is so different than it was six months ago, I have tried intentionally to keep as much familiar as we can in the meantime."

"We really view this as a new era within the church. When the previous pastor left, the interim time before I came, the church spent a lot of time trying to figure out who we are as a church and where we want to go, spending some time figuring out their

A recent Kindergarten Bible presentation at the Moosomin Baptist Church.

identity and direction. So we felt like it was a good opportunity, a nice turning of the page, to start fresh. It's not to say the church is ignoring who we have been or what we have done, it is just taking stock of everything and being intentional about that."

Shierman says anyone wanting more information about the Moosomin Baptist Church is welcome to stop by and see

Elesha at the office to find out more about what they do. He says anyone is welcome to join in on their programs, regardless of if they are a member of Moosomin Baptist Church.

"If people want to stop by and see Elesha, she has got the greatest tea collection I have ever seen in the world," says Shierman. "Come for some tea with Elesha, we would love that!"

Pastor Jonathon Shierman and his family at Moosomin Lake.

Our Youth Programs have changed a bit due to Covid, but are still on!

Jr. Youth (Grade 6-8); Youth (Grade 9-12)
Alternating Friday nights at the church from 7:00 p.m. - 9:00 p.m. with other weekly events. Contact us for more info!

Several Lions members and volunteers canvassed the town of Redvers on September 27, collecting non-perishable items and winter clothing for the Carlyle Food Bank which provides a vital service to individuals in need in our area.

Redvers Lions Club

A great way to get involved in our community!

The Redvers & District Lions Club recently held a town-wide Food Bank and winter clothing drive, having community members who wished to donate set out their pantry items or marked bagged clothing. Several of our members and friends of the Lions also door knocked and collected supplies to fill the 24-foot enclosed trailer at the end of September. The Lions Club initiated this service endeavor to help relieve what may prove to be a very difficult fall and winter financially due to the pandemic and economic downturn in our area. The items were gratefully accepted by the Carlyle Food Bank, which we learned services a very large area covering much of our southeast corner from Stoughton to Carnduff to Redvers and surrounding communities.

The very popular Redvers Lions Trip of the Month Raffle is in its fifth year. While we have had to make some adjustments to the monthly prizes due to travel restrictions and pandemic protocols, we are still happy to give away the cash prize to our winners! Next year's raffle is in the works, and while the trips will be put on hold until the travel uncertainty dissipates, our Lions Club will again be selling 350 tickets with monthly draws for amazing cash prizes totalling over \$19,000. We are always happy to make those congratulatory phone calls to our winners, and even more pleased that with our annual TOTM raffles, we have so far generated over \$50,000 in community donations to worthwhile

projects, clubs and organizations in and around Redvers, including the Redvers School playground, Redvers Daycare outdoor play space, Redvers Activity Centre handicap van, Redvers EMS services, Redvers Library programming, Redvers Recreation Centre projects, Redvers Theatre and many more.

Just a reminder about some of our other service projects—we have a collection box located at the Redvers Medical Clinic for used prescription eye glasses. These are sent to the CNIB in Regina who partner with Lions Clubs International to distribute to those in need around the world who may lack the resources or ability to receive the necessary corrective lenses that eye care specialists provide.

Our Lions Club is proud to have partnered with the Redvers Health Foundation for several years, as well as with other community organizations and businesses to provide bar services as needed. While we won't be enjoying many social outings over these next months, our members look forward to providing this service again in the future.

If you have any used automotive batteries kicking around, drop them off with Mike at Nelson Motors to be recycled. Money received from this environmentally conscious program is invested directly back into community initiatives.

Congratulations to Olivia Aime, this year's Grade 12 recipient of our annual Lions Club Scholarship awarded to students

with a strong leadership and community minded focus who are continuing with post-secondary education.

Our club meets the second Monday of every month except through the summer. We are an enthusiastic service oriented

group who would love to grow the club and welcome any new members. If you are interested in seeing what we are all about, feel free to check out our Facebook page, contact any of our current members, or drop in at a meeting!

THE WORLD-Spectator

Trinity Lutheran Church welcomes you

Trinity Lutheran Church is a Christian Church located at 501 Mark Avenue in Moosomin. The church was built in 1962 and has been serving Moosomin and area since that time.

Trinity Lutheran Church is a member congregation of the Lutheran Church-Canada. The basis of all Lutheran teachings is the Bible. Martin Luther and the other reformers wrote a series of documents answering accusations that their teaching was contrary to commonly held beliefs and practices of the 15th century church. These defenses and arguments, based upon the Bible, were presented before a series of theological gatherings. Eventually, they were compiled into "The Book of Concord." These comprise the doctrine and confession of the Lutheran Church. For more information, please refer to the Lutheran Church-Canada website:

www.lutheranchurch-canada.ca

Trinity Lutheran Church is a supporter of various mission organizations, both locally and abroad:

- Lutheran Women's Missionary League - Canada.
- Lutheran Layman's League, which includes the Lutheran Hour, a weekly radio broadcast.
- Canadian Lutheran World Relief, which assists in sponsoring refugees and co-ordinating development projects and emergency relief in response to

Trinity Lutheran Church in Moosomin.

- needs around the world.
- Moosomin Food Bank.
- Regina Street Ministry
- Gideons International, whose primary activity is distributing copies of the Bible free of charge.

We are privileged to be served by five ordained Lutheran Pastors:

- Pastor D.J. Kim, Chaplain for the Regina City Police and Missionary at Large for the Regina Street

- Ministry, Regina, Sask.
- Pastor Edmund Mielke, Grace Lutheran Church, Brandon, Manitoba

- Pastor Barry Wood, St. Matthew's Lutheran Church, Roblin, Manitoba.
- Pastor Dan Moeller, Holy Trinity Lutheran

- Church, Inglis, Manitoba.
- Our regular worship service is Saturday evenings at 7 p.m. A Bible Study is offered every Wednesday

evening at 7 p.m. Please refer to our weekly ad in the World-Spectator for a schedule of service times and Pastors.

The squadron standing outside the eternal flame and Centre Block of the Parliament Buildings in Ottawa 2019

The 802 Pipestone Air Cadets Teaching youth how to become productive and positive leaders and citizens

The Moosomin 802 Royal Canadian Air Cadet Pipestone Squadron is a youth program that has operated in the Moosomin area since forming in 1971. The cadet program is open to all youth in the area between the ages of 12 years to 18 years of age, with no fees. New cadets are welcome at any time of the year and there is no set registration deadline.

The cadet program is a collaboration between the Air Cadet League of Canada and Department of National Defense, with the main goals of the program focusing on the promotion of positive citizenship, leadership and fostering an interest in the military.

Cadets meet every Monday throughout the school year at the Moosomin Convention Centre. During the weekly sessions, cadets will learn about the fundamentals of flight, survival skills, how to maintain care of their uniforms, marksmanship, and learn about the Canadian Armed Forces and the roles they play internationally, just to mention a brief few of the topics covered. During the training year the cadets will also get to experience survival campouts, gliding, and participation in Remembrance Day ceremonies, drill, marksmanship and

effective speaking competitions, as well as visiting various military institutions.

With all the activities that the squadron performs throughout the year, the biggest draw to the program continues to be the ability for cadets to earn either their gliders pilot license or their power aircraft license at no cost to the cadet. Over the course of the last 10 years, 802 Pipestone Air Cadets have graduated seven pilots.

Cadets through hard work have the ability to earn their glider's license at 15 years of age and 16 years of age for their private pilot's license. If cadets choose not to pursue their pilots license, the cadet program has many more summer courses that can be taken such as survival instructor, advanced aviation, leadership and ceremonial instructor, physical fitness instructors, basic survival, and general training.

"One of the most rewarding aspects of this program is watching the cadets mature and become strong independent individuals," says Capt. Dennis Youngblut. "This is one of the few programs that I know of where youth are encouraged to take charge and teach their peers. Our program teaches youth how to become productive and positive leaders and citizens."

THE 802 PIPESTONE AIR CADETS

The 802 Pipestone Air Cadets meet every Monday at 6:30 p.m. - 9:00 p.m. at the Conexus Convention Centre in Moosomin.

Parade times:
Monday nights
6:30 p.m. - 9:00 p.m.

Parent meetings occur every 2nd Monday of the month at 6:30 p.m.

We encourage anyone interested in attending or joining cadets or just to see what it is all about to come and check us out during our sessions on Monday nights and talk to the officers and cadets.

You can also contact
Capt. Dennis Youngblut
Commanding Officer
802 Pipestone RCACS
306-435-0571

Tri Valley Trails Snowmobile Club New members and volunteers are needed

Every winter a group of dedicated volunteers maintains hundreds of miles of snowmobile trails from Fleming to Spy Hill, ensuring local snowmobilers have a safe and scenic ride.

Tri Valley Trails is a local snowmobile club providing safe, groomed trails for riders. The club is also affiliated with Saskatchewan Snowmobile Association (SSA). Since TVT formed 18 years ago it has maintained several miles of trail systems which connect three valleys—the Qu'Appelle, Assiniboine, and the Pipestone. The trail system also joins up with the SnoMan trails (Manitoba system). However we have not run our trail to St. Lazare due to the floods and the washing out of the bridge crossing the Qu'Appelle River.

The Tri Valley Trails are designated SSA trails, therefore trail users are required to register their snowmobile.

The club currently maintains 300 kilometres of trail in the Moosomin, Fleming, Rocanville, Welwyn, Tantallon and Spy Hill areas. There are three groomer operators who spend hours grooming the trails each winter, plus a number of volunteers who go out onto the trails at the beginning of the season to stake signs along the trails.

While there are young members and new members who use the trails each year, Tri Valley Trails is looking for people to serve on the board or as volunteers. There are about 10 committee members currently doing much of the work with Tri Valley Trails, and the club is hoping more

young members who are passionate about snowmobiling get involved. There is good cause to join the club.

One challenge is finding volunteers to install the signage along the trail each year—a large job, but one that ensures sledders ride safely all winter. The trails provides 300 kilometres of trails for riders and it's a safer way to ride. However the club has not been able to maintain all of the trails the last few years as we do not have the help for the signing and trail maintenance. Signing trails is a big part of the trail system, and SSA provides an on-line training course so anyone can sign up to take it. Just give Stan a call at Universe Satellite at 306-645-2669 and we will get it set up!

When you buy a membership, you are also helping your local club out. Signage is expensive; grooming involves both fuel and repair costs. The club also has insurance expenses which includes insuring the warm-up shacks. These shacks are available to everyone. Local support also allows the club to update and purchase additional equipment required to maintain the trail system. Every time a rider purchases a membership with the club, that money goes back to the club to help cover the costs of maintaining the trails.

Tri Valley Trails is thankful for the local businesses that have sponsored the club over the years.

The annual membership meeting will be held in early November. Anyone is welcome to attend.

SERVING: Moosomin, Fleming, Rocanville, Welwyn, Spy Hill, Tantallon

If you like sledding and want to get involved please attend the meeting in **early November** and join our committee.

- Approximately 300 kms of groomed trails.
- Food, fuel and accommodations available in many centers.

Left: A young musician performing a piano piece at the adjudicator's showcase at the Moosomin & District Music Festival.

Moosomin & District Music Festival

We love what we do but need your help!

The Moosomin and District Music Festival is a volunteer-run organization that strives to promote arts education through workshops and competitions.

All are invited to perform pieces for piano, voice, speech or other instruments to be adjudicated by professional musicians. Performers are also eligible to receive scholarships and awards based on performances.

These competitions and workshops are wonderful opportunities for students but are not able to run without volunteers and new committee members.

The Moosomin District Music Festival is looking for volunteers and committee

members to help with the 2021 Music Festival. There is a wide range of positions and roles that are needed to ensure the Festival runs smoothly and that students have the opportunity to learn and improve their performances.

We are a fun-loving group who enjoy the arts and only meet four to five times a year. But we need your help! Without additional volunteer support in the coming years, the music festival may not be able to move forward any longer.

If you are interested in joining our committee, please contact Rosanna Kelly at 306-434-9484 or Alice at 306-435-2425. We hope to hear from you soon!

The Moosomin and District Music Festival is looking for new executive members to get involved in planning the festival each year!

Being an executive member involves approximately 4 - 6 meetings a year

To find out more contact:

Saskatchewan Wildlife Federation

A leader in the conservation field

The Saskatchewan Wildlife Federation is a non-profit, non-government, charitable organization of over 33,000 members in 122 branches across Saskatchewan representing every walk of life.

Per capita, we are the largest wildlife conservation organization of its kind in the world. Established in 1929, the SWF has become an acknowledged leader in the conservation field.

Our mission is "To ensure the wild life legacy we leave to our children surpasses that which we inherited."

Our objectives are as follows:
 • To acknowledge first and foremost that the wildlife of the province is a public resource belonging to all Saskatchewan residents, and to ensure the resource remains equally accessible to all residents of the province.

• To promote conservation, fishing, trapping, hunting, the shooting sports, and wildlife-oriented activities.

• To practice and promote wise management and use of our natural resources.

• To develop and maintain conservation policies.

• To develop and maintain conservation and educational programs.

• To acquire and enhance habitat for wildlife.

• To accept donations of real estate, monetary funds, and materials for the purpose of furthering the sustainability of our fish and wildlife resources.

• To keep provincial measuring records

of big game heads, recognizing the Henry Kelsey record keeping association as an ancillary body of the SWF.

In 1929 the Saskatchewan Fish & Game Protective Association was formed through the initiative of three individuals, Mr. Judge Bence and Mr. Tom Coburn from North Battleford and Mr. Stan Naden from Regina. They recognized the need for a united provincial voice for Saskatchewan's anglers and hunters to protect our unparalleled natural resources.

On February 1, 1932 at a meeting of the organization, the name was changed to the Saskatchewan Fish & Game League, and by 1934 boasted 14 branches with 839 members who paid a membership fee of 25 cents.

Due to the League's expanding scope and activities, the name was changed in 1966 to The Saskatchewan Wildlife Federation and finally was registered as a non-profit organization in 1982 as Saskatchewan Wildlife Federation.

In 1968, the Federation adopted the whooping crane, a species that was clawing its way back from the brink of extinction, as its official emblem.

The Voice of the Organized Sportsman

Youth Outdoor Leadership & Conservation School - Qualified instructors teach youth outdoor skills and the development of an outdoor ethic as the basis of facilitating leadership skills.

Operation Respect - Program provides signs to the landowner that are designed to encourage the hunter to "Respect the Landowner's Rights - Ask Permission to Hunt."

Wildlife Tomorrow - To preserve habitat in its natural state for all species of wildlife.

Habitat Trust - Habitat Trust is a special fund established in 1978 for the purchase, retention, and enhancement of critical wildlife habitat across the province.

Youth - A "Wonders of Wildlife" Manual has been developed, with the co-operation of other programs and conservation groups.

Fisheries - S.W.F. branches conduct local fisheries projects (fish stocking, stream enhancement, trout ponds, etc.) throughout the province in conjunction with the provincial governments Fish & Wildlife Development Fund. With assistance from biologists, the branches are the main force behind securing much of Saskatchewan's fisheries habitat.

Habitat Enhancement - Over one million trees have been planted on cultivated parcels of wildlife land throughout the province to provide food and shelter for wildlife.
