Moonlight Madness

Moonlight Madness will be held this Wednesday, Nov. 28 in Moosomin, with stores open from 5-9 pm. There will be other activities going on around town that night. See the ad on page C11 for full details.

Some scenes from Moonlight Madness in Moosomin last year. Stores were open late that night, and Flaman's Christmas train gave rides to kids around town, while Cooper, the Borderland Co-op mascot, greeted people at the grocery store.

Over 300 kids rode the Flaman train, and stood waiting anxiously for the train to arrive in the grocery store parking lot. Lots of kids were excited to get photos with Cooper as well.

Above: The train pulling away from the grocery store after loading up.

Left: The Flaman train cars loaded up with eager children.

Right: Three-year-old Broox Beutler poses for a photo with Cooper.

Prairie Sunset: A Story of Change

By Dion Manastyrski

In the creation of this poignant, high-quality, fine-art book, Dion Manastyrski roamed the Canadian prairies, photographing old abandoned houses, barns, schools, and churches. He interviewed over 70 people who lived that past way of life, when the small family farm was at the heart of rural life on the prairies.

Also included are 50 historical photos and documents from government archives. The photos and their words are interlaced to tell a story that begins with the pioneer years and covers many aspects of their lives over the 150 years.

'TIS THE SEASON.

Moosomin & Area Food Share

'Tis the season of giving and this year the Moosomin Food Share is trying to give as much as possible through their food hampers. This is where we need your help come this Christmas season!

Our December hampers come out on Wednesday, December 12th, 2018 and although the food bank recipients still get their monthly hamper of necessities, we try to give a special Christmas hamper for each family. Included in the Christmas hampers, we are planning on providing a turkey or ham, a box of Christmas oranges, potatoes, fresh or frozen vegetables, cranberry sauce, gravy mix, stuffing, coffee and juice and one kind of dessert.

As we have a few children in the program, we are hoping to make up a little gift bag for them with a new toy and possibly a new pair of socks or mitts. The ages range from 2 years to 18 years and right now there are 15 kids in total. If you have any new items that you think a child, youth or parent would benefit from and would like to include it in their gift bag, please drop them off! We will find a child or parent who is in need of that item!

We are asking the public, residents and businesses of Moosomin and surrounding communities to be in the giving spirit and help us out with any of our Christmas items that we are planning on giving such as potatoes, vegetables, stuffing, juice, dessert mixes, etc. We are also short on vegetables, toiletries, cereals, alphabetics, coffee, juice and juice boxes, granola bars, pasta, and rice. We would also gladly accept monetary donations which would be very much appreciated and put towards buying the turkeys, potatoes, oranges, etc. We would also like to remind you that we do have a cooler and a freezer at the food share so any fridge or freezer items we are able to accommodate and is much appreciated as well!

We thank you so much in advance and we hope you have a Merry Christmas and a Happy New Year!

- Moosomin & Area Food Share

to build, strengthen and grow your community

take the \$50 challenge

If every person who reads this Christmas Gift Guide spends \$50 a week locally instead of in the city or online that will inject \$49,000,000 into our local economy each year!

\$49 MILLION!

what's \$50 a week?

- It's a case of paper for your business bought locally rather than in the city
- It's one meal out in the local area, not in Brandon, Yorkton, or Regina.
- It's one piece of clothing bought in a local store and not online.
- It's one less weekend trip to the city over the course of the year, with that weekend spent checking out something in the local area instead—the Sportsplex, the cross-country ski trails, the snowmobile trails, Assessippi or the Moose Mountains.

Take the \$50 challenge and support your community!
