Dear Santa,

I know people say I put a spell on myself but that is not true.

What really happened is someone else who is named May took my wishing wand and wished to make me evil. Then she took the wand.

By the way, for Christmas I would like another wand.

Sincerely,
Giselle

How to Get on Santa's Good List

Most people would just be good, but not me. First, sneak into Santa's house at the North Pole. Go through the window. Next, find the good list. It will be on the table next to the hot chocolate. It looks like a long paper with 'Good List' written on it. Then, write your name on the good list without anyone noticing you. Finally, you're on the good list!

I NEED A JOB

PICK ME! PICK ME!
Santa I think you should pick me because I am a strong, funny and nice elf! I will learn how to make toys because the other elves will teach me. You should pick me because I will learn to be the fastest toy builder ever. I will become a good builder in Santa's workshop. I think you should pick me for the job, Santa!

Pick me! Pick me! Santa I think you should pick me because I am funny, kind and strong. Santa you should pick me because I will work for 10 hours each day. I will get along well with the other elves too!

I am also good with kids and I can sneak into the houses! I can put the presents under the tree and no one will ever hear me. Pick me!

I will feed the reindeer daily just for a job at the North Pole. I will also clean the reindeer and warm them up! I will try to fix anything that you would like.

Pick me! Pick me! Santa you should pick me because I can almost do anything! I've been waiting to be picked for almost two years. I have no home. Remember I am funny, strong and kind!

Pick Me

Santa! Santa! Santa! I do not have money, and I need a job! I can build presents in three seconds in a flash! I can also carry super heavy stuff into Santa's sleigh. I am also incredibly good at spying because I am sneaky! I think you should hire me because I am better than all the other normal elves!

First, I can build toys in three seconds in a flash! I won an award for fastest toy builder out of all the elves! I built just over 1000 toys in less than an hour for Toys 'R Us! I'm an amazing toy builder!

Second, if there's super heavy stuff, I am the elf for that! I can carry 2000 pounds into Santa's sleigh. So, if the little, tiny elves cannot carry heavy stuff just get me! I can carry any animal on a child's list too! (I bet there are lots of horses on the wanted list!)

Third, I am also a very good spy! I'm good at spying because I'm super sneaky. No one will notice me if I sneak into their house to see if they're doing anything bad. Also if someone sees me I'm super-fast like the flash to get away!

You should hire me because I am every bit better than all the normal elves! I can build presents in three seconds like the flash; super-fast! Also I can carry super heavy stuff into Santa's sleigh. I'm also a very good spy because I'm sneaky. Santa please hire me for the job!

The Christmas Train

Five days before Christmas, Johnny was opening his piggy bank. He wanted to get his mom, dad, sister, and grandmother a Christmas present, but he only had five dollars and sixty-seven cents. Johnny tried all day to think of a solution.

Once he went to bed, he had a dream that he made his family presents. After his dream, he woke up at 2:27 A.M and said to himself, "I GOT IT," quickly realizing that he yelled it out. Then he heard footsteps coming towards his door. His dad opened it and said, "Got what?"

Johnny quickly answered, "Nothing!" in a nervous voice and went back to bed. In the morning, as soon as he woke up, he got dressed as fast as he could and started working on a board game he was calling, The Christmas Train. He needed a piece of cardboard, tape, paint, rocks or little charms, a ruler and some markers. He started by going to the dollar store to get his supplies. When he was ready to check out, he went to the cashier and asked, "How much would all this be?"

The cashier said, "five dollars and thirty-two cents, please."

Johnny was so excited. He got out all his money as fast as he could and handed it to the cashier and said, "Keep

the change." Then he grabbed his stuff and walked out so quickly and excitedly that he almost tripped. He started running as soon as he got outside because he just could not wait to get started.

When he got home, he called his best friend Dann to see if he would come help him make the board game. Because they played board games all the time, he thought who better than his best friend to help him. Dann said, "I'll be over as fast as I can." Two minutes later, Dann was at Johnny's house to help him. "Let's get started," said Dann.

Johnny said, "Ok!" They worked all day and only got half way done. Johnny asked Dann if he could come over and help him the next day and Dann said, "I wouldn't miss it for the world!"

"Great!" said Johnny heading inside and waving goodbye.

"Johnny, get ready for bed", called his mom. "Ok," Johnny replied, going to his room to put his PJs on, brush his teeth go to bed.

In the morning, as soon as he woke up, he called Dann to see when he was coming over and Dann said, "In ten minutes." Johnny was so excited he instantly hung up and ran to the garage to get started. When Dann arrived, he said to Johnny "You started without me!"

"Sorry," said Johnny, "I was just too excited!" "I know," said Dann, "I am too!" so they started working again. Three hours later, they were finished.

"Done!" said Dann and Johnny at the same time. "Thanks for helping me," said Johnny to Dann.

"Your welcome," said Dann. "Well I gotta get home, it's getting late."

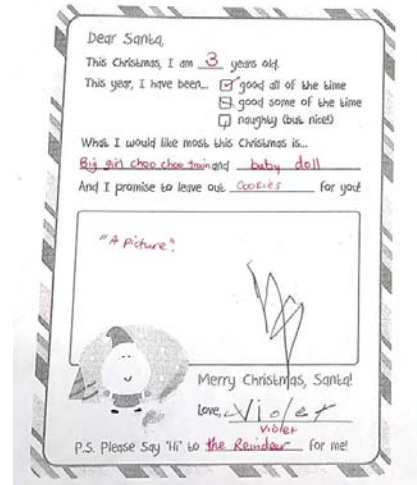

"Ok," said Johnny. "See you later." Johnny went inside to go wrap his present because Christmas was tomorrow!

On Christmas morning, Johnny's sister came running to Johnny's room to wake him up. "Wake up. It's Christmas!" she said to Johnny as he was getting up and grabbing the present he made "What's that?" asked Johnny's sister?

Johnny said, "It's something I made the family. Now go to the living room so you can open it."

"Ok!" said Johnny's sister. Johnny brought the present to the living room and let everybody open it. When they opened it, they all said, "That's amazing!" and spent the whole day playing with The Christmas Train.

The Jolly Serpent

There once was a quite Jolly Serpent. Its scales were red and white. It lived in Gingerbread cave.

One day, Santa Claus said with his jolly voice, "All my Reindeer are sick, may you be a replacement for my reindeer?"

The Jolly Serpent shook its head up. It called for nine other less than Jolly Serpents. They all hooked themselves to Santa Claus's sleigh. Then they all blasted themselves into the sky.

"HO, HO, HO" Santa Claus yelled with happiness. As they flew for Iqaluit, Nunavut, Santa Claus' sleigh lights went out. Luckily the Jolly Serpent's green eyes light up the area.

Another mistake happened near Yellowknife, Northwest Territories. The sleigh stopped flying.

"OH NO" Santa Claus screamed. Luckily the Jolly Serpents sprouted wings out of nowhere.

Near Whitehorse, Yukon they saw what was causing all the problems. A short man carrying a Christmas Ruiner 9001.

The Jolly Serpent lowered to the ground and unhooked the sleigh. "Well, well, well are you finally not going to give presents?" The short man said

with anger.

Once he said that the Jolly serpents lunged at him, and he shrieked. Once they had caught him, they put him in candy cane prison. They carried on delivering presents into the night.

After, they went back to the North Pole. Santa thanked them all and gave them all a badge of appreciation.

Oh, Christmas Tree!

My family owns an artificial tree because a real tree would be too much work.

Real trees are nice but you're always stuck picking up pine needles all over your house. With a fake tree you don't really have to worry about it. And real trees don't come in white, they're just plain old green yet fake trees are better because you can get them in any color. I've seen people with red trees before.

Plus, wouldn't a real tree make your house smell bad — almost like wood or pine? I think that most people could agree with me. But a fake tree can stink, too - kind of like dust, but you can just buy a spray for it, like cinnamon or whatever. In conclusion, a fake tree is better than a real tree.

Bro it's 2022! Get an electric sleigh with lights and everything! You're heavy and you slow us down 99 percent of the time. All my reindeer friends are tired too so please get an electric sleigh. Santa, you probably have eternal life so get up and go to Celebration Ford because I saw an electric sleigh on sale there!! The issue is easy: you're heavy, round, and your sleigh is also heavy and hard to pull. All the children will say you're so cool owning a high-tech sleigh. So please get a new sleigh and go right away!
All my friends suggest you go to Ford to buy a new high-tech sleigh. I bet they have a deal for you. Just buy an electric sleigh. I'm tired and it takes so much energy to fly. You better buy the high-tech sleigh!
Get a new sleigh! You're heavy and you slow us down 99 percent of the time. Me and the other reindeer need a break. We would love to take a break from pulling your old sleigh. A high-tech sleigh will have all the children saying you're so cool! Santa buy a new high-tech sleigh! Please!

Santa Claus Breaks His Leg

It was Christmas Eve, and we were fast asleep. I woke up and heard a thump! I snuck out of my room and went downstairs. I saw Santa lying on the floor. He didn't know where the Christmas tree was and fell down the stairs with his big boots. He was very sad. He cried, "Ho, ho, ho. I broke my leg! I can't do my job this year!"

I went to get my dad. We lifted him onto the couch. Then we went to feed the reindeer carrots. They liked us!

After we finished delivering all the presents, we went to the North Pole and warned the elves.

They hopped onto the sleigh and we rushed back to the house. The elves are magic doctors and strong! They fixed Santa's leg in less than a second!

Santa and the Elves went back to the North Pole. We went back to bed and snored all morning—my sisters were very annoyed.

Dear Santa,

Hi! It's me, the Grinch. I never really meant to steal Christmas. It's just when I was a kid, I didn't have parents. So, I never really meant to steal Christmas. It's just when I opened one, it made me want to open more. So I stole Christmas from Whoville so I could open their presents. Because that was the first time I opened a present. Then I told them, and they said it was ok. So now I get invited to basically everything in Whoville.

Also, can I please have a dog bone for Max?
Sincerely, Grinch

SANTA HIRE ME!

Santa hire me! One reason you should hire me is I am good with kids, another is I am poor and need a job. The last reason is I am fast at making toys. Hey Santa, I think you should hire me. If you do hire me for the job, everything will be great. I would be the best elf you ever had.

Hey Santa, I am really good with kids! When kids cry when they take pictures, with you, I can be the elf to cheer them up with joy. If kids do wake up and almost see you, I'll put them right back to sleep with my charm!

Hey Santa! I could really use a job because I am poor. I am barely able to pay for me and my family's food. I can barely even take care of my family. HEY, I live in a tent because I can't afford a house. I have a small portable oven that is broken. Please Santa, hire me!

Santa, I am a really fast toy builder! I have a world record crushed for building one thousand toys in less than ten seconds. Imagine how fast we could be finished toy building next Christmas!

Santa I think you should hire me! I am really good getting along and making small children happy. I am in need of a good paying job before Christmas. I am a super-fast toy builder. Santa please hire me for the job!

Dear Santa,

I did not mean to make people scared of me, I was just telling the truth.

I mean I can not just lie about what I see in the future. That would just be rude.

I mean they did all ask me what was going to happen to them, so I told them I did not.

Want to tell them it because I did not want to hurt their feelings, but they told me to, so I did. I am so so so sorry, Santa.

PS. I would like to have sand [for good things, not bad] And some more cheese [for the rats] please. Oh, and please

Please pleeeeeeaaaaaaase take me off the naughty list. Please.

Dear Santa,

I am the Grinch. You probably know I stole your famous holiday, Christmas.

I have been doing it for years but I can explain.

You have heard that I, the Grinch, steal presents from kids. I do, but it's because you don't give me presents on Christmas. So please give me one or two this year.

If you can, I would like onions for me and dog stuff for Max aka my dog. I can't afford that kind of stuff and we are in need of it. I live in Whoville.

5 Winter Senses

My name is Maia and I am writing about the 5 winter senses for descriptive writing. I assure you that it will be great!

I taste the warm, yummy hot chocolate as a cold snowy breeze blows through my dirty blond hair. I see people all bundled up in warm coats and mittens, and I see fresh, untouched cold, white snow everywhere.

I smell the delightful winter smell of the pine trees, and I hear people laughing loud and clear with joy. I see people exchanging colorful and different shaped gifts, with or without toys.

I listen to the beautiful voices singing Christmas carols, as we bring out the Christmas books. I look at people's beautiful, colorful Christmas trees, as my mom makes a scrumptious meal that she cooks.

As my dad lifts the heavy, small, and large gifts, we unwrap them quickly with joy. I see lots of colorful, fun and exciting new Christmas toys.

I see my mom make the sugar cookies beautifully, then we touch the new Christmas ornaments. I yell Happy New Year at 12:00 o'clock, and I really mean it.

Thank you for reading!

Christmas

It was December 24th and Jeff, Joe and Frank were setting up the Christmas tree. Frank said, "Where is the star." Jeff and Joe said back, "I don't know." Well, we found the star, it was in Franks hand. Joe yelled, "what the heck, you didn't know that it was in your hand!"

Well after that was done, we went to bed. Then in the middle of the night I heard a bang I woke up my brothers and said, "Get up I heard a bang and I think it came from the living room." They hurried downstairs and they saw Santa Claus, then they got dressed and went outside, they

saw the reindeer and the sleigh. Joe said, "The reindeer names are Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner and Blitzen." They climbed up on the roof and got in the sleigh and then Santa took us to the North Pole, we were freezing then we landed. Santa saw us and said, "What are you doing here?"

Then we went to see Mrs. Claus. They asked to have hot chocolate and then Mrs. Claus made us some hot coco and we asked, "Can we have some marshmallows." And she said, "yes." Then I put 15 marshmallows in my hot coco it was so hot that the marshmallows were starting to melt so then I put more in. They weren't just any old marshmallows, they were giant marshmallows and it was good. When we were getting ready to go to bed we watched a

movie. I said I wanted to watch Denis the Menace and she said yes. We were laughing so hard it was hilarious. Then it was over.

The next day Santa said, "It's time to go home." We all said, "no." Then we went to the sleigh and the elves were hooking up the reindeer and when they were done we hopped in the sleigh and Santa said, "hold on and stay warm." We replied, "okay." Then we took off and it only took 15 minutes and then we were at home. We opened presents and lived a happy life!

Yummy Holidays!

During the holidays my family has a lot of traditions. One is that we always make sauce pan cookies. They're so yummy!

Every year my grandma comes over to make them with us. My mom makes the dough. Then me, my grandmas and Nova roll the dough into balls and put them in coconut. We eat a couple and after, we freeze them.

My mom always plays Christmas music really loud on the speaker and her and my grandma sing, that is my least favorite part about it.

But it's all good because at the end I can sit by the tree with my kitten and eat the cookies with hot chocolate.

How to Get on Santa's Good List

First, you should do the dishes without being asked. Next, you can help somebody in need like give a donation to the poor or just don't eat the last piece of cake. Then, you can at least try not to be lazy, like don't care just about yourself because you will end up lonely and sad. Finally, you can clean your room, dust the shelves and set the table. Now, that's how you get on Santa's nice list!

My Favorite Christmas Song and My Least Favorite Christmas Song

I love holiday music, but my favorite song is "Where Are You Christmas?" from The Grinch Who Stole Christmas.

I love this song because I understand it well. At the beginning of the song Cindy Lou can't find her Christmas spirit, but by the end of the song, she found her Christmas spirit.

Another reason I love this song is because it reminds me of myself. Sometimes it takes me longer to get into the Christmas spirit. My family gets in the Christmas spirit by November 1. But for me it takes longer a little longer to get into the whole Christmas spirit. Usually by December 10 I really start to feel like it's Christmas. By then I remember why I love Christmas so much.

There are also some Christmas songs that are just not as... good.

One Christmas song I think is horrible is the 12 Days of Christmas. Not the normal version but instead of a partridge in a pear tree they get turtlenecks and all sorts of other weird stuff.

I don't like this song because it is just too weird and not very Christmassy. Somehow it made it on to the Christmas playlist my mom played. I really don't like this song. But I guess it's kind of funny.

What is your favorite Christmas song? What's your least favorite Christmas song?

Sally and Bob's Christmas

It was the day before Christmas. Sally and Bob sang Christmas songs all day long. They made Christmas cookies and put milk on the table for Santa. They also put carrots on the table. Before bed they put a star on the tree. The next day Sally and Bob jumped out of their beds and ran to the tree. They saw so many presents. Then after they had the best Christmas of their lives.

Gnomesville

There once was a town called Gnomesville. Over 100 gnomes live there. All the gnomes love Christmas except for one gnome and his name was Mr. Grumps. It was the night before Christmas and all of the gnomes were getting ready to go to bed. Mr. Grumps had other plans. When all the gnomes were sleeping, Mr. Grumps snuck outside and waited for Santa Claus to arrive. When Santa arrived Mr. Grumps stole his sack of toys. As he was running away, he made too much noise and all the gnomes in Gnomesville woke up.

"Why are you awake?" Mr. Gnome asked.
"Why do you have Santa's sack of toys?" little gnome asked.

"None of you guys need gifts because you are naughty gnomes" Mr. Grumps replied.

All the gnomes started to chant, GIVE OUR GIFTS BACK. While they were chanting Mr. Grumps started to run away but he didn't get too far before all the gnomes and Santa caught him. All the gifts were given back to the gnomes. Mr. Grumps got sent to jail and he had to do what he hates the most bake gingerbread cookies while wearing Christmas clothes.

Holiday travels

My family loves traveling, therefore every chance we get we travel. For a couple of years, we used to go to Cuba each year then another couple of years to Florida each year. But this year, were going to California, mainly for Disneyland and Universal Studios.

Back in Florida, we went to Disney but never in California. Universal studio will be our first time! I am mainly excited to see the food court of Universal Studio, why? Because it has movies-related restaurants. For example Bubba Gump's, related to the movie Forrest Gump, or a Harry Potter restaurant, if you're a fan. But best of all, there's a Krusty burger! If you don't watch the Simpsons for some odd reason. It's a cartoon show. And the Krusty burger is a fast-food restaurant, very similar to McDonald's.

The owner is the local clown of Springfield (the main town in the show). But best all, the food is related to what they serve in the show! Like the Krusty burger,

the legendary Ribwich, and so much more. For the drinks, for the adult a good Duff, like they say in the show you never get enough of that Duff. (it's the equivalent of Budweiser in our world. And for kids, Buzz cola (equivalent to coca cola).

Remember when I said we were going to Disneyland too? Well let's talk about one of their movies themed restaurants... Called milk stand, Guess what they serve! That blue milk from Star Wars!!!

I hope I interested you in to going to California, if its just to go to Universal Studios or Disneyland, or just to visit Hollywood.
