Kyle and Santa

On Thursday there was a boy named Kyle. He did not believe in Santa.

So, on Christmas Eve he wanted to see him. Kyle fell asleep and he woke up from banging on the roof.

Kyle went on the roof and saw Santa stuck in the chimney. Santa farted and Kyle flew off the house.

He got back up and helped Santa out of the chimney. Santa grabbed Kyle and gave him a sleeping dart and Kyle fell asleep, then Santa said, "That boy is so bad."

Santa left and Kyle woke up and went to the North Pole and went to Santa and said, "I want revenge, mawa ha ha ha."

Kyle had a friend named Uriah Symcox, his friend called him on the phone and said, "I'll come with you to see Santa." But before Christmas Eve, Uriah called Kyle, Mr. Miyagi.

The next night Santa came back because Santa missed Kyle, so Santa came into his house and gave him coal.

Kyle was one step ahead and pushed Santa's sleigh off the roof and the sleigh was in pieces.

Kyle ran to his stocking and him and Uriah put the presents in the stocking that they stole after Santa left to the North Pole.

Kyle and Uriah got coal for the rest of their lives.

It was Christmas Eve and Danny shook the last coin from his piggy bank. \$5.67- that was all he had to buy Christmas gifts for his mother, father, sister, and grandmother. "How am I ever going to buy gifts with so little money?" he thought. "I shall try to find some money! I always seem to find coins in the most random places."

So, Danny looked under his bed. "Achoo!" There was a lot of dust, but no money. Next, he looked in his sock drawer. "Yuck!" It stank, but there was no money. He ran down the stairs and looked under the sofa. "Ah ha!" shouted Danny, for there it was, a shiny nickel! He now had \$5.72. "Nuts!" said Danny, "that's still not enough."

Danny went outside and walked down the street past all the stores. "All the things in them are too much money," he said. Then he walked past the library. "Too bad that you can only borrow books. They would make great Christmas presents." Then he came to the corner store. "There might be some magazines in there." Then he noticed a sign painted on the window. It read, Christmas cards, 35% off! Suddenly, Danny had a great idea.

He went into the store, and with his \$5.72, he bought a box of pencil crayons and a pad of Christmas-themed stickers. Then he ran home as fast as he could. In his room, he sat down at his desk and started on his awesome idea - Christmas cards for his family. He made a snowman card for his father, a stocking one for his mother, a sunset card for his sister, and a candy cane one for his grandmother.

When Danny went to bed that night, he could hardly wait until Christmas morning. When morning arrived, he bounded out of bed and leaped down the stairs where he saw his family waiting for him.

"I can't wait to see what you got us!" said Danny's father.

Danny reached under the tree and pulled out the cards he had made and showed them to his family.

"I love them!" said his mother

"They are so cute!" said his grandmother.

His sister squealed, "Eecccc!"

"I think she likes it!" said his father.

Danny felt proud that he gave such great gifts and his family loved them.

The Amazing Christmas!

It was Christmas eve 2034. There was a boy named Jefferson. He stayed up all night waiting to see Santa in person. He waited and waited and waited. It was one o'clock am, and Santa finally came.

He said, "Ho, ho, ho what ARE you doing up this late?" Jefferson said nothing. He called his mom Chelsey. Instead, his dad woke up grumpy. Jefferson said, "hi Grinch," because he calls his dad that when he is grumpy. "I saw Santa." His sister Katy woke up, blasting out of her room aggressively! Then Santa was gone. Jefferson said, "He was just there."

They opened their presents and they got one billion dollars. They had a Christmas dinner with turkey, potatoes, sausage, stuffing, and tacos.

Then they had a game night and played Just Dance 2023 Edition and NBA Superstar's edition. Then they watched Avengers' Endgame and Avengers' Infinity War.

After that they had a competition to see who could eat the most food. Jefferson won even though he had a smaller stomach.

Then they went to bed. They woke up 1 o'clock in the morning. They played with their new toys that they got for Christmas and they had lots of fun. Then they played Monster Jam, Steel Titans and Jumanji the video game.

They had an elf on the shelf that could talk and Jefferson picked it up and it started talking. He passed out and went to the hospital for three days in a row

His family was scared, and Mom passed out as well. It was worse, she would be in a coma for three months. Her parents came scared and when they came, they said, "Is she fine?" in a panicking voice. THEN GRANDMA PASSED OUT.

That is the end of the Amazing Christmas.

Gingersnaps

Johnny shook the last coin from his piggy bank. \$5.67. That was all the money he had to buy Christmas presents for his mom, dad, sister, and grandma. He thought, "Great. I'm broke! How do I get more money?" He stood right beside his piggy bank for a while until he heard something outside. He looked outside his window and saw a group of carolers. "That's it! I'll ask to join them and after every Christmas carol, I'll ask for money." He ran down his stairs to greet them and ask, but before he got there, they left.

Frustrated, Johnny walked up the stairs and thought

of his most favourite comfort food, gingersnaps. "Now I definitely know what to do. I'll buy ingredients for gingersnaps, bake them and sell them!"

Ecstatic about his idea, Johnny put on his coat, put his money and his pepper spray keychain (just in case, don't judge him) in his jacket pocket and started his three-block walk to the Mini Mart. As he was walking, he met his friend Kaylee Jenner, or as he liked, to call her, KJ. "Hi, KJ," Johnny said.

"Oh, hi Johnny!" said Kaylee. "Where are you going?" "Oh, to the Mini Mart to get ingredients for some gingersnaps. It's technically a fundraiser for presents. I could sure use your help baking."

"Oh, sure!" Kaylee said. They continued walking to the Mini Mart. Luckily for them, it was Black Friday and they only spent three dollars (I know right). Then they went back to Johnny's house to bake the gingersnaps. In total, they made twenty-one dozen gingersnaps and wrapped them in red and white wrapping paper. Then they headed to the Christmas carnival at the park.

When they arrived, they weren't sure where to put their stand. Luckily, there was an open spot right next to the skating rink. They set up and after the first three min-

utes, people already started lining up. Johnny and Kaylee sold their cookies in six-packs for \$3.00 each.

When they were all sold out, Johnny and Kaylee started walking home. In the end, they made a grand total of \$126. "Wow Johnny! Look how much money we made," Kaylee said in amazement.

"I know, right!" Johnny agreed.

When they reached each other's houses, they split the money and said good night.

The following day was Christmas Eve and Johnny still had to get Christmas presents for his family. He walked to the nearest mall and got a Barbie set for his sister, perfume for his mom, a watch for his dad, and finally fuzzy slippers and a crochet set for his grandma. He wrapped the presents in colourful wrapping paper and placed them underneath the tree.

I Need a Job

I'M THE BEST ELF! What's up, Santa? You should definitely hire me! First of all, I'm very broke and need money. I'm SUPER strong so I can lift really heavy toys. I am VERY fast and good at making toys! I think you should hire me for the job of top elf!

Santa, I think you should hire me because I'm very broke. I have a family! I can't even afford simple needs of survival! My rent keeps going up so much and we only have until January until we get kicked out! Santa, I would really love if you hired me, because it doesn't feel very good to not have a job. I'm also tired of getting made fun of by other elves because I don't have a job. Please hire me, Santa!

Secondly, you should hire me because I'm super strong! See, look at these muscles! I can lift super heavy boxes! My record for most heavy boxes lifted is eighteen! Aren't I super cool and strong? Also, being strong is a super good asset because I can lift lots of heavy toys for a long time! My record for longest held toys is fifty-three minutes! That's almost an hour!

Santa, my last reason why you should hire me is I'm super-fast and good at making toys! I'm like, super good at it! Watch how fast I am! My super-fast elf hands can make any toy super quick! I can even make super advanced toys! Santa, you should FOR SURE hire me! I'll have all the toys made by Christmas Eve!

Santa, you really should hire me! I'm really broke and in need of money. I'm super strong, and I'm very fast and good at making toys! As you know, I can't even afford food and water. I'm super strong so I can lift heavy toys, and lastly, I'm a super-fast and good toy builder! So Santa, please, please, please, please hire me. Santa, you won't regret it!

Santa Don't Shave Your Beard!

Santa, don't shave your beard because the elves and reindeers might not know who you are. If you shaved your beard, there would be a whole bunch of merchandise that has you with your beard, but you won't have a beard anymore! When you're supposed to take Santa pictures at the mall, people won't want to take pictures because they either don't recognize you or because you don't have your beard. Santa I don't think you should shave your beard!

Santa don't shave your beard because when you go to deliver presents your face would be cold. While your delivering presents your face might freeze because you're going so fast! Your reindeers might get distracted and look at you because they're trying to figure out who you are and almost crash!

Santa don't shave your beard because when you are in people's houses delivering presents and kids see you, they might think someone's stealing presents. They might call the police and you would have to explain. The kids might be scared of Santa so they might run away somewhere in the house and hide.

Santa don't shave your beard because your reindeers and elves might not know who you are so they might not trust you and they won't work for you anymore because they don't trust you. You will be out of business because they won't work for you anymore.

Santa don't shave your beard! Kids will probably think a random person is in there house. They might call the police and you will have to explain. You shouldn't shave your beard because people won't recognize you and what about all the merchandise that has your face on it with a beard. Santa don't shave!

Looking for Santa

Once upon a time there was a little girl, her name was Molly. Her dream was to visit Santa, and not the fake Santa in the mall. So, she would do all her chores and always do what her mom said. She was the most helpful person in the family.

Her brother on the other hand was the complete opposite. He would always try to make Molly do something wrong, he was the worst.

Weeks went by and soon it was Christmas Eve. Molly heard something downstairs, she thought it was Santa, so she went downstairs. Molly was confused because there were no presents under the tree and the cookies were still there, so she got all her winter stuff on and went to her friend Emma's house.

Luckily Emma was up playing video games so they both went to look for Santa. They looked everywhere, they looked in overnight stores and they even checked the town night club.

Molly and Emma gave up and they went back to Emma's house. Right when they walked in they saw Santa sitting on the rocking chair eating cookies. It turns out that the noise that Molly heard was just her dad sleep walking. THE END.

No more Milk and Cookies

Hey kids! Leave me a new snack! The more cookies I eat, the more weight I put on. I need to stay healthy so I can visit you every Christmas Eve. Also, I won't fit down the chimney if I keep eating cookies and drinking milk! I think you should leave me oranges instead of cookies and milk! Please!

Kids the more cookies I eat the more weight I gain. I won't be able to fit in my sleigh and the presents won't fit in the sleigh. I will take up too much space with all the weight I gain. I need to stay healthy so I can deliver toys each Christmas Eve. Who is going to leave you presents on Christmas Eve if I don't stay healthy? Who's going to be in the mall listening to what you want for Christmas? No More Cookies please!

Santa's New Snack

I'm tired of cookies and milk every Christmas! I want new snacks! Cookies and milk are getting OLD! Some families forget about the cookies! I am allergic to some cookies! Cookies and milk are just TOO boring now! New snacks will be better! Perhaps you could leave something like watermelon juice and macaroons!

First, cookies are getting OLD! One Christmas, I literally drank ROTTEN milk and STALE cookies! Stale cookies are not good cookies, and rotten milk? Ewww!

Second, some families forget about the cookies! One Christmas Eve, I went to a house and there were NO cookies! Or milk! I went to the next house and again! NO snacks! Come on people - leave me some new snacks please!

Third, I'm allergic to some cookies! I once ate peanut butter cookies! I'm allergic to peanuts! Then I drank the milk... it was ALMOND milk! I'm allergic to nuts! Please leave me a different snack this year!

The Christmas Catastrophe

Once upon a time there was an elf. The elf's name was Peppermint, his name was Peppermint because he was covered in red and white stripes. Peppermint was an older elf, his hair was very grey. Peppermint was a very small elf. He was one of the most important elves there was. He was finishing his presents and filling the sleigh because it was the day before Christmas. After his last presents he was leaving the workshop. The workshop was huge, there were thousands of elves. It was a huge building with a smooth floor, there were toys and pieces of toys everywhere. Right in the center was the Christmas bag, the bag was on the sleigh and was ready for take-off. The sleigh was metallic red with gold details, the seats were red leather and had gold details, it was magnificent. When he was locking the shop up, he saw a green figure by the Christmas bag. Peppermint left but right when he left, he realized it was the Grinch! The Grinch was a shiny green with a yellow glow; he was like a human with green fur. He was ugly. He lived far from Santa; the Grinch hated Christmas. Peppermint didn't know what to do about the Grinch trying to steal Christmas. He decided just to yell, "Stop"! The Grinch didn't listen! Peppermint tried walking up to the Grinch, but he still didn't listen. He tried yelling again but it still didn't work. After a while the Grinch ran away, and right later that day the Grinch came back. He wasn't stopping. Peppermint had an idea he was going to trap the Grinch. He made a trap out of some small parts he put the trap by the sleigh. It was blended in with the surrounding things, it was amazing. Later that day peppermint came back and saw a green colour it was the Grinch; Peppermint caught the Grinch! Right when the Grinch got out of the trap he yelled, "I will never stop". The Grinch ran away. When they were getting ready Peppermint came to get the reindeer, but the reindeer were gone! Peppermint started to panic. Each reindeer had their own special role or task without all of them the sleigh couldn't leave! Peppermint looked everywhere but he only 7 were found Blitzen was missing! He was panicking and scared. But Peppermint saw a brown colour in the distance, it was Blitzen! The Grinch lost; Christmas was saved. And that's the story of the Christmas Catastrophe!

Christmas

Once upon a time there was a girl. She loved Christmas. She loved giving gifts to people. She loved spending time with her family. Her name was Madison. She would see people on the streets with no family so she would go and give them a Christmas gift.

When she got home her family said, "Where have you been all day?"

"I was helping the homeless."
"Well thank you so much. Its Christmas Eve so let's get to bed, Santa is coming tonight with some presents. We should get some cookies, milk and carrots out for Santa and the reindeer."

When Madison woke up there were presents under the tree. Madison woke up her whole family. When they were done opening presents, they had some breakfast. They had bacon and scrambled eggs.

They lived happily ever after, the end!

Nickliss and Mr. Claus

One Christmas Eve, a boy named Nickliss woke up in the middle of the night.

To get to work he went outside. Then he went to get firewood. He carried the firewood to Mr. Claus. When Nickliss got home he fed his dog.

Nickliss saw a magic sleigh and he went to get his binoculars. He looked through them and saw Mr. Claus with reindeer.

Nickliss followed Mr. Claus and after ten hours he caught up to Mr. Claus. Mr. Claus saw Nickliss and said, "What are you doing here?"

Nickliss said, "I came here because you were on a magic sleigh."

Mr. Claus said, you can get on if that will get rid of you." Then after that they had a great day on the sleigh, they were having so much fun and laughed.

The Missing Elf

Once there was a Reindeer. He was white spots with brown. And he was a hero! He lived at the North Pole. It was the middle of the night, and everybody was asleep. Until a BANG woke everyone up. "What was that?" asked Santa. "I don't know." Replied Reindeer. "It sounded like a window breaking" "Is everyone okay?" Shouted Santa. "Yes" Shouted everyone. But there was one NO. It was Jimmy's mom. "Jimmy's gone" said Jimmy's mom. "It's almost Christmas we need to find him," shouted Santa. So, they looked high and low, but Jimmy was nowhere to be seen. "Maybe we should look in the mountains" suggested Reindeer. "But they're so far away" whined Santa. "Well do you want to find Jimmy or not" yelled Reindeer. "Okay okay we will go to the mountains," said Santa. So, they went to the mountains. Shuffle shuffle, they heard. "What was that?" asked Reindeer, shakily. "I don't know," said Santa. "Oh, hi I'm snowman." "Hi" Santa and Reindeer said. "Have you seen a little elf?" asked Santa with worry. "You mean an elf with the Grinch?" asked the snowman. "He was with the Grinch?" asked Santa. "Yes, he was with the Grinch." "We must get him hurry," shouted Santa. So, they ran to the Grinch's house. "We're here" said Santa in delight. "Let's sneakthrough that window." Suggested Reindeer. So they climbed through the window to see Jimmy with the Grinch. "What are you doing?" asked Santa. "What do you mean? He's my friend" said Jimmy confused. "We were looking for you," shouted Santa. "Oh, I'm sorry." "The Grinch was lonely, so I came here!" "Well, the Grinch can come back to the North Pole with us." Santa replied. "He can?" asked Jimmy. "yes" replied Santa. So they went back to the North Pole and had a big Christmas party.

The time I went skating

One day on a Saturday afternoon I went skating with my class. It was really busy at the rink. We got our skates on, but then everyone got off the ice like there was a monster or something on the ice.

So Carson, Tytan, Holdyn, Josh and I went to check it out. We went on the ice but didn't see anything. So we went downstairs and for some reason, the lights didn't turn on. We didn't have flashlights so we went into the dark and saw this big figure standing in the middle of the room. The lights turned on, for a second. The lights work but I was too scared to turn them on and so was everyone else. All the boys voted for me to turn them on because I was the first one to line.

So scared but somewhat brave, I turned on all of the lights and the figure was gone but we felt air and breath behind us so we looked back and saw our teacher pulling a prank on us.

So we went upstairs to go get our class and tell them our teacher was pulling a prank on us, but when we get upstairs our class was laughing at us. We didn't know why so Carson asked, "Why are you guys laughing?"

Avery said, "We knew that it was a prank the whole time!"

I said, "You did?!"
Everyone said, "Yes!"

After that we went downstairs and put our skates on to have a good time.

Perfect Christmas Tree!

Pick me! Pick me! I'm the best Christmas tree in the whole wide world. I smell like red roses. I'm not too tall and not too short. I have a lot of branches for a lot of ornaments. I think I am the best Christmas tree in the whole wide world.

I smell like red roses. One time when someone walked by, they said this tree smells like the roses in my garden. When people walk by, they say what's that smell and it's actually me they are smelling.

I'm not too tall and not too short. If you take me home, I'll fit perfect in your car and house. If you want to put a star or a snowman on top of me, it will fit just perfect.

I have a lot of branches for a lot of ornaments. I have so many branches you can fit a lot of ornaments on me. I have way too many branches to count like almost one thousand.

I think I am the best Christmas tree in the whole wide world. I smell like red roses. I'm not too tall and not too short. I have a lot of branches for a lot of ornaments. Please, pick me!

Santa Don't Shave your Beard!

Hey Santa! I hear you were thinking about shaving your beard? I don't think you should! You will get cold, nobody is going to recognize you, and you will scare little kids. Santa, I don't think you should shave your beard! You look way better with a mustache and beard!

Dear Santa, if you shave your beard, you will be very cold. If you shave your beard you will be very cold while delivering gifts. You might get so cold you could pass out and then you can't make little kids happy on Christmas morning! If you shave your beard you will be cold even at your own house up in the North Pole and you won't be able to make toys with the elves.

If you shave your beard no one will recognize you. You will look so different that not even your elves or reindeer will know you. You will look so different that even Mrs. Claus probably won't even recognize you.

Santa if you shave your beard little kids will be scared of you! They might not even ask for presents from you. Kids will get scared of you because you will look different and no one will know it's you!

Santa, I don't think you should shave your beard! If you shave your beard, you will be cold, no one will recognize you, and you will scare little kids! Did I change your mind? Well, I hope I did! I still think you should keep your beard.

Pick Me

Santa! Santa! Santa! I do not have money, and I need a job! I can build presents in three seconds in a flash! I can also carry super heavy stuff into Santa's sleigh. I am also incredibly good at spying because I am sneaky! I think you should hire me because I am better than all the other normal elves!

First, I can build toys in three seconds in a flash! I won an award for fastest toy builder out of all the elves! I built just over 1000 toys in less than an hour for Toys 'R Us! I'm an amazing toy builder!

Second, if there's super heavy stuff, I am the elf for that! I can carry 2000 pounds into Santa's sleigh. So, if the little, tiny elves cannot carry heavy stuff just get me! I can carry any animal on a child's list too! (I bet there are lots of horses on the wanted list!)

Third, I am also a very good spy! I'm good at spying because I'm super sneaky. No one will notice me if I sneak into their house to see if they're doing anything bad. Also if someone sees me I'm super-fast like the flash to get away!

You should hire me because I am every bit better than all the normal elves! I can build presents in three seconds like the flash; super-fast! Also I can carry super heavy stuff into Santa's sleigh. I'm also a very good spy because I'm sneaky. Santa please hire me for the job!

My Favorite Holiday Memory

My favorite holiday memory is when me, my dad, my uncle Pat and my two cousins went for a ski-doo ride. We went because my cousins Sam and Claire were playing on my uncle's phone.

Sam texted my dad and said, "Hey, wanna go for a ski-doo ride?" Thirty minutes later my dad answered, "Yah, we could go for a ride!" Pat (my uncle) said, "That was Sam, but I'm in for a ride."

So off we went for 5 hours to this big hill with loads of snow, with nobody else there. We played, sledded, ski-dooed and of course had a wiener roast. From that day on, we do it every year. It's become a tradition and it has to be my favorite holiday memory EVER!!!!

How to have the Best Christmas Ever

First, you're going to need loads of money. You could use all your savings or you could marry a billionaire or millionaire. Next, you need to think about whatever you want to buy such as maybe to go somewhere warm to escape the cold or just have an amazing Christmas tree. Then, you're going to do all of the things that you want! Which could be anything at all, so don't limit yourself! Finally, you've officially had the best Christmas ever!

I NEED A JOB SANTA!

I think Santa should pick me to help build toys. I'm good and very fast. I'm also very good at making toys. I'm a Great listener and I will add details to toys. Santa I feel really lonely so please can I come work with you? I don't even have a home. I believe I'm the best elf for this job! Please Santa! I need a job this Christmas.

I think Santa should pick me because I'm very fast at making toys. I know I'm the elf for this job because I have been practicing my whole life! My high score in building toys is one minute and ten seconds. Some people even come and watch me when I build because I'm so quick!

Santa, I think you should pick me because I'm very good at listening to directions and ADDING detail. I think I would make a great elf because I can hear and remember things for years. One time I worked in a bakery and a person asked for a triple double strawberry ice-cream cake. I didn't even need to use the recipe book because my mind is that good to remember things! I'll make a great elf IN YOUR WORKSHOP.

Santa please pick me because I'm very good at making toys! I can make anything for you or the children. if you check my Facebook page you will see that I have won all the awards around for building toys. I love building toys! I practice every single day building toys.

I believe I'm the best elf for the job! Please Santa, oh please, Pick Me! I need a job this Christmas. I'm a very good and fast Toy builder. I'm a good Listener and I will add lots of detail to the toys I build. Please Santa, oh please, I need you to pick me to build toys in your workshop. Remember I am lonely and I don't even have a home. You won't be disappointed.

Magical Christmas

One day Jeff, Frank, and Maddy were in their basement on Christmas Eve. They were getting ready for Santa, when suddenly they heard, "Click, Click, Click, Screech."

"What was that?" Jeff asked worriedly.

"I don't know," Frank replied.

"SANTA!" everyone yelled.

They ran to the chimney. "OH, NO. Put out the fire." Frank grabbed the water bucket and tripped. Jeff ran and grabbed it, because he is the MVP of the junior baseball league. He immediately put out the fire. "Whew." Jeff said.

Then, bang! Standing right in front of them was the great Santa Claus waiting for milk and cookies. They hid behind the couch when Suddenly Santa lifted the couch, and they screamed. "Ahh," Santa screamed back. "Ahh"

Santa dropped the couch on his foot. "OW" He yelled. He slipped his foot out from under the couch. He lifted them up and put them in his bag. "Almost forgot the screaming dolls," he said happily.

When they woke up, they were in Santa's workshop. with the toys, trains, and lots of elves. Also there was lots and lots of milk and cookies. "WOW!" Jeff exclaimed.

"What are you doing here?" One of the elves asked in a squeaky voice.

"Santa grabbed us and put us in his bag. He thought that we were screaming dolls." "Can you take us home?" Frank asked.

"Of course. Blame the man that isn't here."

"Please?" they begged.

"Fine. But this is your only freebie."

"Thank you so much."

The elf grabbed a magical carrot and gave it to Dasher. The elf hops on the reindeer, and they rode home. When they got home, they pretended to sleep. Their mom came in and woke them up. They went to the tree and opened the presents. It was the best Christmas ever!

Christmas Trouble

It was the night before Christmas and the Grinch was planning to ruin Christmas... again, his plan sounded something like this "Somehow I need to ruin Christmas but how"? I have an idea! All I need to do is steal one of his elves then Santa will want to come rescue him! Elsewhere in North Pole where the elves where busy making presents it was the night before the night before Christmas after all. Well let's go back to the Grinch's lair and see what the Grinch is up to there. He is scheming his plan to ruin Christmas it sounded something like this. "Somehow, I need to stop Santa from delivering presents. Hmmmm oh I have an idea! I don't have to capture Santa I just will get presents because Santa will be too busy trying to rescue this elf!" He said with his big evil grin. Well let's go back to the North Pole and see what's going on there. "Hurry up hurry up hurry up we don't have much time to finish making presents!" Shouted Hunter the elf. "Oh, come on let us have a bit of a break!" Pleaded Jaxyn. "No!" snapped Hunter "we must finish on time!" "Ughhhhhhh why?" Groaned Jaxyn. "Because it's our job". Said Hunter. "Ok I guess" Jaxyn mumbled. Then Jaxyn brought up "did you hear that Santa's name might actually be Oscar?" "No that would be silly," laughed Hunter. "Maybe it's true you never know." said Jaxyn. Yeah, but if his name was Oscar then" but Hunter was interrupted by a screaming siren. "Alert Jayda the elf has been captured by the Grinch alert!" "Uh oh!" Hunter and Jaxyn yelled together. "What do we do?" Yelled Jaxyn. "We wait until Santa tells us what to do". Hunter gulped trying to hide his fear. "Well then I guess we will have to wait then". Said Jaxyn. 5 minutes later... "Ho ho ho looks like we have problem here!" Spoke Santa in his big jolly voice. "Santa what do we do!" Screamed the elves. "Calm down", said Santa. "I have a plan". Then Santa explained his plan. "All we must do is send a few elves to the Grinch's lair the only problem is that we don't know where the Grinch's lair is. Wait where was Jayda seen last?" "I saw her about an hour ago getting food for the reindeer" one elf replied. Hunter gasped I bet the grinch broke in the door to the shed and kidnapped Jayda well she was feeding the reindeer!" "I bet your right", Santa grinned. Then they went and checked out the shed and they found something. "Santa look what I found!" Shouted an elf. Santa and the other elves ran over and there was a note. That Santa himself had to come and get Jayda by Christmas morning or else! Can you flip it around Santa?" asked an elf. Then Santa flipped around and there was a map to the Grinch's lair on the back then Santa burst out laughing. "Ha ha ha oh that is so funny!" Laughed Santa. "What's so funny?" Asked the elves puzzled. "Oh, it's just that all we have to do is send some elves to the Grinch's lair like we were planning earlier". "Oh yeah, your right" said the elves now laughing too. "Ok then we will have a contest then the top 5 best elves will get to go on the mission to rescue Jayda" "Ooh I'm signing right up!" Said Jaxyn excited. "Are you crazy! I'm staying right here where I like it". Yelled Hunter "Yeah, well duh sounds a lot like you never want to go out of your comfort zone you coward!" Insulted Jaxyn. "Oh yeah well I bet you won't even qualify!" Hunter insulted back. "Oh, I'll show you!" Muttered Jaxyn. Yikes not some nice

talk there oh well let's go see what that Grinch is doing with Jayda elsewhere. "Let me out of this sack you jerk let me go!" "Be quite in there!" Snapped the Grinch. "Make me!" Sneered Jayda. The grinch smirked. "Ok then if you don't be quit I will @#%&! let's just say what the grinch said was not the nicest. "O-ok I'll be quit". Stammered Jayda. "Good". Grinned the Grinch. Then Jayda thought to herself maybe Santa and the other elves will come and rescue me ... I hope! Let's go back to the North Pole and see what's going on than Jaxyn walked up to Hunter and showed him his certificate "I passed!" Jaxyn said happily. "Oh, cool that's pretty and good". Remarkd Hunter. Jaxyn frowned. "What did you do?" Then Hunter showed Jaxyn a certificate to that said you qualified. Jaxyn's jaw dropped. "How did you do it?!" Asked Jaxyn. "Well, I did what you did I signed up took the test and well I passed". Hunter retorted. "Ok whatever you know this fight we have got into is silly". Said Jaxyn. "Your right", sighed Hunter it is silly. "On the count of three we both say sorry" Suggested Hunter. "Good idea". Agreed Hunter. "So, let's do it". "So, let's do it". Said Hunter Ok said Jaxyn then they shouted together. 123 I'm sorry! "Ok then let's see who were with". Hunter said. Then then they

checked it out "Let's see Mike and Ike the twins and oh yeah Thorin of course". Interpreted both of them. "Well let's go meet the other elves for the mission". Suggested Hunter. "Good idea". Agreed Jaxyn. So, they went over and met the other elves and there was Santa. "Oh, good you guys are here". Cheered Santa. "Well, here is the map". Santa spoke as he handed the map to Thorin. "Ok you guys know your objective to rescue Jayda of course", Santa said. "Good luck!" Santa wished to the elves. "Ok then let's get to it!" Commanded Thorin. "He is right hurry up". Yelled Ike. So, they were off with the map I bet that came in handy. 1 hour later... "Ok where here you guys know the drill!" Yelled Mike. So, they where off on their mission, and they rescued Jayda and returned to the North Pole. "Yay we did it and Santa delivered all he presents in time!" Cheered the elves. So that's how the Grinches plan for ruining Christmas was foiled again and everything worked out for Santa and the elves! THE END!

A Bad Christmas

Hi I am Gingy. I am going to tell you about the worst Christmas the North Pole has ever had, and it was all my fault. It was the week before and all through the North Pole the elves were making toys and the gingerbread people were making houses. I know what are thinking well elves make the toys. Well gingerbread people build themselves houses but we build houses for kids all around the world. Every year we have to build a new house. Back to the point. While I

was building my house it collapsed and gingerbread houses are like dominoes so when mine fell all of them fell. All the gingerbread people were so mad at me I ran away crying. Not one of my best moments but whatever. "Ho ho ho." "what happened here?" Santa asked. All the gingerbread people started to talk at the same time. "Ho ho ho. Santa laughed." "It's ok everyone we can get a couple of elves to help build houses." "Elves." All the gingerbread people muttered. "Ok I'll use my

magic" Santa said. "I'll find out what your big deal with elves is" Santa said to himself. Then I ran up to Santa with frosting coming out of my eyes. "What's wrong?" Santa asked. "It was all my fault all the gingerbread houses broke." I cried while I spoke. "Well, you could probably make enough houses in a week because all the gingerbread people told me not to use my magic." Santa said. "Well ok." I said with a whimper. As soon as Santa left, I ran to the stables I grabbed Dasher and said. "They can make houses with out me." Then me and Dasher flew away. Meanwhile back at the North Pole. Kaleb came to feed the reindeer and Yelled "Dasher!" As he ran to get Ms. Claus. Tariah

came to water the reindeer and fainted cause Dasher was missing. "Mrs. Claus!" Kaleb yelled. "What is it Kaleb." Mrs. Claus replied. "It's Dasher!" Kaleb said. "Oh, dear what happened?" Mrs. Clause asked. "Just follow me." Kaleb pointed to the door. As soon as they waked into the door they found Tariah on the floor. "What happened to Tariah?" Mrs. Claus asked "I don't know but that's not what I brought you here for. Dasher is missing!" Kaleb yelled. "What!" Mrs. Claus yelled back. "Should we get Santa?" Kaleb asked. "No, he might not take it so well." Ms. Claus answered. "How will Santa get the sleigh off the ground with out Dasher?" Kaleb asked. "We just

have to find Dasher before Christmas eve." Mrs. Claus said confidently. "How do we find Dasher, finish the gingerbread houses, fix the sleigh and finish making the toys in six days?" Kaleb asked. "You ruined the moment Kaleb." "Sorry I didn't mean to." Kaleb said in a sass. "Mrs. Claus!" Bob the leader of the elves yelled. "What is it?" Mrs. Claus asked "Gingy is missing!" Bob replied. "Oh no we have to tell Santa!" Mrs. Claus yelled. "I'll go tell him." Kaleb said. "What's he doing here?" Bob said with frustration. "Dasher is missing, and I came to tell Ms. Clause." Kaleb replied. "I'll get Jaxyn he is are strongest elf and we will go get Gingy." Kaleb told Ms. Clause. After Kaleb left Bob

said. "Do you know why we gingerbread people don't like elves?" "No can you tell me?" Mrs. Claus asked. ELVES EAT GINGERBREAD PEOPLE!" Bob yelled as loud as he could. "Oh, I had no idea I'm so sorry." Mrs. Clause replied. "So now you know why we don't team up with elves." Meanwhile Kaleb and Jaxon were looking for me and Dasher. It took them four whole days to find us. "I see a reindeer!" Kaleb said, "Hop on my back." Jaxyn told Kaleb. "Ok." Kaleb said with confusion. Kaleb hoped on Jaxyn back and he ran up to me and said. "You stole Dasher!" "Don't accuse me!" I replied. "Wait what's today?" I asked. "Well," Kaleb thought for a moment. "If we left on December twentieth and it took us four days to get here than its. Christmas eve!" "It took me and Dasher one day to get here but if we hurry than we can make it to the north pole in time for Christmas." Meanwhile back at the North Pole Santa was really worried that there wouldn't be a Christmas this year. "Santa!" I yelled. "Gingy?" Santa said in a question. "Hook Dasher up to the sleigh and go!" I yelled. The elves and gingerbread people hooked up Dasher to the sleigh lauded the toys and Santa was off. "Ho ho ho merry Christmas!" So that is the story of how I saved and almost ruined Christmas and after that the elves and gingerbread people were best friends.

The Lonely Tree

Pick me! Pick me! I'm getting so lonely standing here. I think I'm the best in the lot. No one's better than me. I smell like lavender soap all the others smell like sap and dirt.

I would smell great in your house. I'm so tall all the others are like so short there literally only 4 ft. tall. I just don't get why they don't pick me. I have lots of branches that are thick. I also have about 30 thousand needles or thorns. The others only have about 20 thousand needles.

All you have to do is just look at me. Oh, people I'm getting so lonely around here. Just remember I'm tall and have lots of branches. Pick me!

Dear Santa,

It is me, the so-called Beast. Who even made up that name?

So, your elf Eddie, sent me a letter saying I am on the naughty list.

Deep breath, beast why Santa? Why? I have been good this year! Why?

Well... I didn't use my utensils. Sorry I also didn't use manners.

I did bully Belle! I am sorry. But that was the past. PLEASE Santa, remember the present. I am good now. Give me a chance, please!

No one taught me my manners. Some people say I bullied Belle

That's not true! All I want is a dress for Belle.

The Best Christmas Tree

Pick me! Pick me! I'm the best tree here. I'm looking for a family, I'm the tallest and most stable. I can hold the most ornaments because I'm the strongest. I think I'm the best tree here! Please pick me.

I'm looking for a family because my other friends were taken. Imagine if you were stuck here on Christmas without any friends or family. I'm lonely, please pick me. I really want a family.

I'm the tallest and most stable. I'm also funny and kind. I can tell you a joke right now: "It was my first day working at the bank and this old woman came up to me and said can you check my balance? So I pushed her over." LOL! See I'm funny, please pick me please!

I hold the most ornaments because I'm the strongest. If an ornament falls on the floor, I will try and catch it and if I miss the ornament. I will even help to clean it up!

Please pick me! I don't care how many ornaments and lights you put on me. I will do anything! I just want a family! Please pick me! I'm tall and I'm stable and strong. I'm the best tree in the lot!

How to Get a Job as an Elf

First, get an elf suit and be very, very, very good at listening so you know if kids are good or bad. Next, learn how to wrap Christmas presents and be very good at making mischief because kids love finding a mess. Then, be very quiet because you can't talk 'cause of Santa's laws. And you have to be very sneaky because you can't wake anyone up or you might get caught! Finally, be YOU! Be funny, be sneaky, be ready and be magical!

The Christmas Miracle

Once upon a time, there was a girl named Nina. Nina lost her dad Nick in a car accident. It had been a year since her dad passed, her mom was worried about her, and she was sad.

One night the Christmas Star on her tree lit up. Her dad appeared in the window like a snowman.

She asked, "Am I dreaming?" When her dad said no, she started to cry. Her dad was there for her Christmas. But when the snow started melting, she hugged her dad (the snowman) and said, "I love you dad."

Something miraculous happened! Her dad came back to her and her mom. Then she said, "Best Christmas ever!"

Pick Me! Pick Me! The Christmas Tree!

Pick Me! Pick Me! The Christmas Tree! I am pretty and you will love me! When you put ornaments on me, I will shine. Please I am begging you, buy me not the other Christmas trees. I am the best Christmas tree! The others are stinky and smell like trash. Don't take them home they will stink up your house while you are sleeping. I am better than all the other trees here. You should pick me because I am the best. Don't make me stay here with all the other stinky trees that smell like trash.

Your family will love me! You can hang a bunch of ornaments on me. I think I am the best tree for you. Your children will love me. You will not regret it. For example, I am the best out of all the other trees. You can hang as many ornaments on me as you want. All the other trees are stinky and smell like garbage. They all are rotten and they will stink up your house while you are sleeping.

All the trees here are either too small or too big. Some of them are fat and some are skinny. I am just the right size to fit in any house. I am not too short, but I am not too tall. I will match everything in your house. I will look fabulous in your home. With your house all decorated for Christmas I will match everything there.

I am not smelly, and I am not fat. I am not too skinny. I am just the size to fit in your house I am pretty, and you and your family will love me. I am the best tree here better than all the rest. I am fully green, and you can put lights on me. I will light up your house. I will light up your whole house so you can save money and power you will thank me.

Pick me! Pick me! The Christmas Tree! All those other trees are garbage. They stink up your house while you are sleeping. The other Christmas trees are ugly and smell like garbage. They are big, tall, and fat. Some are short, skinny, and small but not me. Good! You picked me not the others. But Christmas is over now. Thank you for picking me. See you next year. Bye!

Holiday Decorating

During the holidays me and my dad decorate the outside of the house for the holidays.

My mom does not like decorating for the holidays she's in and out like the Grinch. But I'm pretty sure she just does not want to do the work of cleaning the decorations up when the holidays are done.

So, me and my dad make sure to put all the lights we have up and we have a lot of lights!

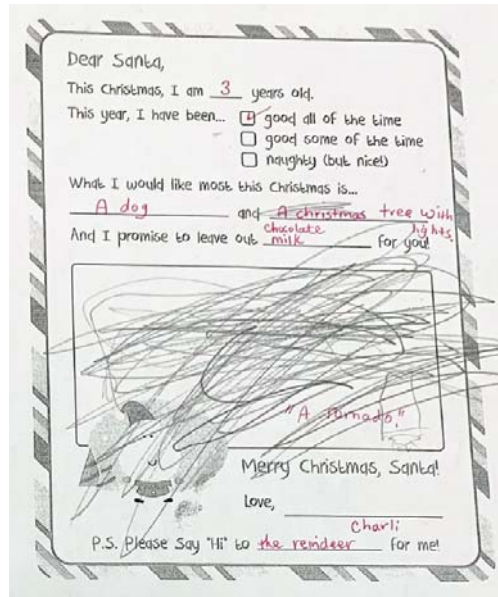

After we put the lights up you could see the house from miles away and we always do it when my mom is working so when she gets home—it's a surprise for her! It's like our tradition.

How to Tame a Reindeer

First get some carrots that are nice and shiny. Next, find the reindeer you want to tame, small or tall, clean or dirty, lazy or active. Find which one you want. Then, show it the carrots and make it come to you, then feed it one and pet it. Finally, feed it the rest of the carrots and make it get comfortable to being around you and then TA-DA! - you tamed a reindeer!

How to get a Job as an Elf

First I would go find Santa to ask him if I could be one of his elves. Next, if he says yes, I would have to find a costume to wear. Then, I would go find an elf and ask him to show me the toy-making stations. Finally, I could make toys and Santa could deliver them and I could be a true elf!

The Walk to the Christmas Mall

One morning Olivia and Alivia were walking to the mall to get some Christmas ornaments and then they walked to the electronics store to get their kids some iPads. Olivia said, "Rory loves Hatchimals, so does Margaretha. She really loves those things." "Why don't we go to that toy center because there are lots of Hatchimals there," said Alivia. "Hey, Alivia, aren't we such good parents?" asked Olivia. "Yes, we are very good parents, plus babysitters." Then it was starting to get late so Olivia and Alivia went to go pay for their kids' toys and then got home and went to sleep. The next morning it was Christmas and then Olivia and Alivia went in their living rooms and let their kids open their gifts. Alivia's kid Margaretha said, "WOW! This is so cool thank you mom." At Olivia's place she let her kid Rory open her gifts and Rory said, "WOW This is so cool, thank you mom." They lived happily after ever.

Santa wants to shave off his beard
Santa is thinking of shaving off his beard and turning it into a moustache. Why would Santa shave off his beard? Is it a good idea that Santa is going to shave off his beard? In my opinion it is not a good idea for Santa to shave off his beard. Firstly, all the kids won't recognize him without his beard. He will look like an old grandpa, not like Santa. When he is at the mall for pictures, the kids will cry, and they would be really scared because he will have no beard. Second, since he lives at the North Pole his face would be cold and he would have to wear a face warmer. This would make it even harder to recognize him. Lastly, if he didn't have a beard and wanted to grow it back it would take a very long time because it is very long. In conclusion, Santa shouldn't shave off his beard because it is a RIDICULOUS idea.

My great Christmas reindeer, Rudolph

One day on December 4, I came home from school at 3:30 pm. My mom said, "When you get home from school, we'll get a Christmas tree, ok Amy?" I was so excited. I had a decision to stay home with dad and my sister Michelle, or go with mom to get the tree. We now had a Christmas tree, "Can I put the Christmas tree star on mom,?" I asked. "Yes but let Michelle put a decoration on the tree too."

On Christmas night I wished for a reindeer and then I went to my cozy bed but for some reason I woke up at 4 am. The stockings were full, but what was under the tree....."AAAAAAHHHHHHH!!!"

A reindeer said, "AAAAHHHH! You're a person," and I said you're a reindeer!"

"Hi, I'm Rudolph, do you have any food?"

"Do you want cookies?" I asked. "Sure," he said. So I went to the kitchen to get cookies for Rudolph. When I came back, I yelled, "WHAT ARE YOU DOING?"

Rudolph was eating the candy canes off the tree and he bumped the tree. The star broke and shattered. "NO!" I said. "Well time to go to Christmas village." Rudolph said. "Christmas what?" I said. After that I had the best present of a second Rudolph!

How I put up my Christmas Tree

First of all, my dad, his girlfriend Cindy, and I, start by making sure there's no holes in the tree and sepa-

rate the branches. It normally takes us about 20 minutes because Cindy likes the tree nice and neat.

After that, we untangle the lights but Cindy and I just sit down and make my dad do all the work—the bad part of that is that he takes for-

ever. So Cindy and I eat Christmas snacks and have hot chocolate. After 30 minutes he's done and we put on the lights. That takes us another 20 minutes because Cindy likes things nice and neat.

After putting the lights on, we put the star on, and my dad puts it on because he's the only one that's tall enough. Our star lights up, so we plug it in and the tree is already beautiful.

Next, we put on tinsel and that doesn't take long.

Then we put the ornaments on!!! We put on balls, little word ornaments that say love, hope and Noël and this little gnome one and it's soooo cute. My favorite ornament of all is this cute little penguin that I made when I was seven. I call him King Bob. And that's how I put up my Christmas tree and decorate it.

Dear Santa,

I was a human, now I look like a killer. You are going to say, no you are not. But my teeth are like a killer. I stay in my place until somebody comes. People say I'm a dummy and won't give me a hug but I give them a hug but they play dead and paint their face purple.

Please take me off the naughty list and I want a teddy.

The Daycare Thief

One day before Christmas Santa's elves were getting all the presents ready to go in his sack. "Check, check, check, hey are we missing one?" said Ally. Ally is very overweight, and he gets bullied all the time cause of that. "What! We can't be!" Now that's Quizzie (Quiz-zie) and she overthinks everything and I mean everything! If we're missing one of the presents we must look for it, if we look for it, we might not find it, if we don't find it then that one kid is going to be so sad and..." Quizzie said super fast. "Breath Quizzie!" Ally said "oh yeah, sometimes I forget to do that"

Quizzie said as she gasped. So they start searching and searching and searching but nothing was found. "What are we going to do now?" Quizzie said. I don't know. I have an idea. Let's go to Quazzaoe! (Quaz-zaoe) He'll know what to do!" so they put on all their winter clothing and started to head out into the cold, wet snow. "The wind is howling so much." Quizzie said "I know its fu-freezing out here! I feel like my hands are gonna fall off! Hey, I see a light!" Ally told Quizzie "well then come on!" "Replied Quizzie so they ran as fast as they could to get to Quazzaoe's house.

Ding-dong-ding-dong-dong-ding-ding-dong. So they waited, and waited, and did some more waiting, but no one came to the door. "Bruh we waited here for like ten whole minutes and no one even cares to show up, like jeez elves!" Quizzie said angrily. "Chill out Quizzie" Ally told Quizzie. "But I can't just chill out!" she mocked. Ally sighed. "Come on" Quizzie said "can everyone please report to the elf-o-hall. I repeat, everyone report to the elf-o-hall!" A loud speaker announced. "COME ON WE DON'T

WANNA BE LATE! Quizzie yelled. "OK" Ally yelled back. There were lots of elves at the elf-o-hall, but not enough to fill up the whole elf-o-hall." ok since almost every elf is here, we'll get started." Mrs. Claus said. Then the one...the only...Santa Claus showed up! Elves all around cheered and cheered! "Settle down, SETTLE DOWN!" Santa said into his microphone. "We must look for that missing present ok. This morning I told my team to search the whole town, but they didn't find anything. So, everyone start searching on the outskirts of town." Then Quazzaoe raised his hand and said "wait, Santa what does it look like?" "Well, the wrapping paper is brown, pink and blue, and the bow is orange. Santa replied so everyone starts searching on the outskirts of town. But nothing was found." Hey, I see Quazzaoe maybe he'll know where it is!" this is Quazzaoe, now listen here. He's super smart. But...everyone calls him "alpha nerd" but he doesn't really mind it. "QUAZZAOE!" Quizzie yelled "YAI!" He yelled back. Wait a second, Quizzie I have a good idea,

let's check the elfne daycare" Ally said to Quizzie! "OH MY GOSH THAT'S SUCH A GOOD IDEA AND I DON'T THINK ANYONE HAS CHECKED THERE YET!" Quizzie said excitedly. So they ran super fast to get to the Elfne Daycare. "Hey, I see it, oh but a baby has it in his mouth." "EWWW" they both yelled to each other. Hey, we need that toy. Ally told the young elf taking care of all the children. "Oh, ok I'm sorry I didn't know that you needed it" she said politely

"Ok thanks. Yes, I have it!" Quizzie said in excitement. "Come on we have to get it back to Santa, NOW!" Five minutes later. "Santa, we have it we have it!" "Oh goodie, you guys get free cookies for life!" "Santa said to Ally and Quizzie. "Alright" they both said. So, they ate cookies every day until they couldn't eat anymore. The end

I am a Good Tree

Hey, you should buy me! I am so lonely! You will love me because I am tall. I'm not too tall but just the right size for your home. You will love me because my pines are not pokey. They are soft unlike all the other trees. I am the best tree here. I mean look at all the other trees plus the others are so self-centered. Pick me!

I'm so lonely! No one has talked to me in days. There's a rumor going around that I said Dave doesn't matter. I've been here all season and my best friend is angry at me. She is probably just jealous of me because I'm so thick and she be looking like a twig. Like, I'm sorry Karen, that I'm just different. For example, you see Bob over there; he thinks I am different because I am tall. Come on man and he is also just a twig, so he is just jealous as well.

I am so tall but not too tall that I cannot fit in your house. I'm just the right size to put the star on top without it touching the roof. I will just look beautiful in your living room. If you decorate me in red and green with white lights, oh my goodness. I will be looking even better the Kim Kardashian! You will have the best tree in town.

Hey, I see you have a small child. I bet she falls all the time but if she falls on me you won't have to worry. She will be safe because I'm so soft I will feel like a pillow. If she falls on the other trees you will have to take her to the hospital. You see there was a tree named Trevor and he had to get his legs cut shorter because he fell on a kid. It was CRUEL.

I am the best tree here! I mean look at me compared to all the other trees! The others are so self-centered. Come on! Buy me! I am so lonely! Please buy me! I am so tall; just the right size for your home. My pines are not pokey! They're as fluffy as your daughter's cardigan. Oh, please, oh please, buy me! I am the best tree here!

How to Tame a Reindeer

First find the reindeer but be careful because reindeer are jumpy and can be mean! Next, get the carrots that you brought and give them to the reindeer slowly and after the reindeer will follow you slowly. Then the reindeer will follow you around and start to love you and trust you. Finally, you will have to name the reindeer a good name and love him!

How to Tame a Reindeer

First I would get the reindeer to learn their name by calling the reindeer by their name. Next, I would give the reindeer carrots and food so that the reindeer could get used to me. Then, I would take the reindeer outside with me to go on a small ride in the sleigh to get them used to the sleigh. Finally, I would show the reindeer some other tame reindeer and people so that he can make friends and get used to new things. Now the reindeer will be ready for Santa when they have to go on Christmas Eve to deliver presents!
