5 tips for planning a successful wedding

Did you recently get engaged? Are you planning your wedding? If so, follow these five tips to ensure your big day is a success.

1. Arrange accommodations

If your reception is taking place in the countryside or you have guests attending from out of town, consider making arrangements with nearby hotels. This way you can ensure people attending your wedding will have somewhere to stay.

2. Be prepared for any weather

It's important to be prepared for any weather on your wedding day, especially if your ceremony or reception will take place outdoors.

You should think about what to do if it rains, how to keep your guests warm in the evening and if there's a need to ward off bugs.

3. Set and keep a budget

Wedding costs can escalate quickly, so it's essential to keep an eye on your budget. Consider placing all your important documents and bills in a binder and only using one credit card to pay for your wedding expenses.

4. Determine if kids will be involved

Decide if you want to invite little ones to your wedding. If children are welcome, specify whether they must be under parental supervision or if childcare will be provided.

5. Keep a list of contacts

You must co-ordinate many different people and services on your big day, including the caterer and DJ. Therefore, it's a good idea to keep all important phone numbers on hand leading up to and during the wedding.

If you want to make sure you don't forget anything on your big day, consider working with an experienced wedding planner.

A gift worthy of this momentous occasion

Are you feeling a bit of your own excitement amid the bustle of preparations for your teenager's graduation formal or diploma ceremony? Most likely, you've already helped in every way you could: the outfit, accessories, speech, and maybe some pre-ceremony appetizers. But did you remember to buy him or her a gift to mark this unique occasion and show how proud you are?

If that is the case, there's no need to panic. A gift that is evocative of the profession your child is leaning towards is always appropriate, such as a good quality pen if he or she would like to become a lawyer, business person, or journalist. If your young graduate will be moving into an apartment to continue studying or start a first job, you'll have no shortage of useful gift ideas: think bedding, toaster, pots and pans, or even a flat-screen TV.

Of course, you may want to choose a gift that is fitting for the event itself. If your daughter fell in love with a certain pair of earrings or a charm bracelet priced far

beyond her budget, why not offer it to her on the big day? You're sure to be given a loving hug with maybe a few tears as well.

The same could apply to your son who dreams of driving to his formal in a rented sports car or limo, which he could never realistically afford. Reserving one for him in secret would be a surprise that he'd remember for the rest of his life.

5 fresh bridalwear trends for 2023

What you wear as you walk down the aisle is one of the most significant decisions for every wedding day. Do you envision yourself in a classic bridal gown, or do traditional styles feel confining to you? To help you express your unique personality on your big day, 2023 has plenty of fresh design trends to inspire you.

1. Something blue

An alternative to classic white, blue is the darling of bridal dress designers for 2023. Look for gowns in shades like periwinkle, ice blue and cornflower.

2. The little white dress

If you have a playful spirit, a daring cocktail dress provides ease of movement so you can kick up your heels. Bridal designers offer an array of white party minidresses embellished with ornate details befitting the classic bridal gown.

3. Bridal pantsuits

Do you want a look that's less fairy princess but doesn't compromise on the drama? Bridal fashion is making huge strides with striking white heirloom separates. These immaculately tailored suit pieces will easily integrate with your post-wedding wardrobe. You may consider adding romantic flourishes like lace, bows or a tulle train.

4. High slits

Picture the classic bridal gown with a flash of femme fatale. An elongating glimpse of the leg can balance the fullness of your dress's silhouette. Wear a delicate strappy sandal to extend your leg line.

5. Conscientious choices

If you want to express your values in your gown choice, look for a brand that uses sustainable fabrics or repurposed antique lace. Some designers also contribute portions of their earnings to support environmental and social justice efforts.

Bridal dress rental is becoming an option for brides who prefer to spend their wedding budget on other aspects of the big day.
