THANK YOU

The family of the late Colleen McPhee would like to thank everyone for the unbelievable support received during these last couple of weeks.

There is no other word but "overwhelming" to describe all the food that was dropped off (and is still being provided), cards, messages, phone calls, donations, flowers, and visits. We loved hearing other people's memories of Colleen and just hearing her name.

We will be forever grateful for all the love and support, and are proud to call Wapella one of our homes.

We are heartbroken, but as the words of "Sissy's Song" by Alan Jackson say,

*"I just have to believe
She flew up to heaven on the wings of angels
By the clouds and stars and
passed where no one sees
And she walks with Jesus
and her loved ones waitin'
And I know she's smilin' sayin',
don't worry 'bout me"*

— Roma, Colby,
Chelsea & Coleman McPhee

graduating Class of 2021

Wishing the Class of 2021 the very best in your future goals and aspirations!

In 2020 Maryfield School held a reverse grad parade to celebrate with the graduates. This year the school will be holding an outdoor ceremony on June 25. Other schools in the region are planning virtual ceremonies and parades in compliance with the Covid-19 guidelines

Lots of plans for upcoming graduations

BY SPENCER KEMP

LOCAL JOURNALISM INITIATIVE REPORTER

Schools across Saskatchewan and Manitoba are planning for graduation. Because of Covid-19 restrictions, many are turning to creative ways to celebrate the achievements of the students.

École St. Lazare

A drive-through style graduation ceremony will be taking place on Saturday, June 26 for students at École St. Lazare.

Because the current Covid-19 restrictions in Manitoba prevent gatherings, students will have to attend as one family at a time.

Starting at 3:00 pm on June 26 the graduates will be able to attend the ceremony with up to four members of their family, receive their diploma, take pictures, and then leave so the next graduate can do the same.

There is no parade planned for École St. Lazare.

Virden Collegiate Institute

The Virden Collegiate Institute is planning a drive-through graduation ceremony following Manitoba's strict Covid-19 restrictions.

The principal of the school, Mark Keown says it will be

similar to last year's graduation ceremonies.

"It's a pretty similar process to last year. It will be a drive-up process that will be held in front of our school. Every grad will select a grad time where they and their family will drive up to the building with the number of people permitted in their party being determined by the health restrictions in the coming days. We're hoping we can get that number up to around 15 so we can extend the family dynamics a little bit," said Keown.

"Each graduate will pull up, the graduate will then walk up to the front of the school and have a speech shared about them, have a song playing for them, they'll get their diploma, certificates, scholarships, and all that bundled up in a box presented to them. Then they will return back to their families out front. They can then go into our football field and take some group pictures with a backdrop set up there. That'll take us most of the day from around 10:00 am to 5:00 pm.

"We'll then try to do some sort of a group picture, but we're not sure what exactly that's going to look like."

A parade will be held the same evening and Keown plans to live-stream the entire event.

Ceremonies will begin at 10:00 am on Thursday, June 24.

Maryfield School

Maryfield School is planning for a private, outdoor cer-

emony on Friday, June 25.

The ceremony will start at 4:30 pm and will take place outdoors depending on the weather.

Petina Cook with Maryfield School says the school will try to keep the ceremony as traditional as possible.

"We are doing an outdoor ceremony on June 25 weather permitting, but it will be by invitation only due to crowd limitations," said Cook.

"There won't be any handshaking but it will be semi-traditional with some modifications because of Covid."

While there is no parade planned yet, Cook says it may still be a possibility.

Elkhorn School

Elkhorn School will be holding an individual drive-through ceremony that will be livestreamed on Facebook. The event will be streamed on the Elkhorn School Grad Facebook page and will take place on June 26 at 2 pm.

Graduates will drive up to the graduation site and receive their diplomas at scheduled times through the day. Guests outside of immediate family are not permitted under the current restrictions.

A parade around the village is planned for after the ceremony. The parade will likely take place around 4:30 pm.

graduating Class of 2021

Virden Collegiate

Laura Archambault

Parents are Christie and Paul Archambault. Laura plans to attend the University of Manitoba in the fall to study Chemistry.

Julian Berg

Parents are Viktor and Luise Berg. Julian plans to work at Four Seasons.

Rocanville is planning a grad parade on June 29 following an outdoor ceremony. Schools in the region are planning parades, outdoor celebrations, and virtual ceremonies

Lots of plans for upcoming graduations

BY SPENCER KEMP
LOCAL JOURNALISM INITIATIVE REPORTER

Schools across Saskatchewan and Manitoba are planning for graduation. Because of Covid-19 restrictions, many are turning to creative ways to celebrate the achievements of the students.

Rocanville School

Rocanville School is planning to hold an outdoor ceremony on June 29.

Following Covid-19 protocols, the ceremony will have graduates walk across a stage outside to receive their diplomas and scholarships.

A large part of the ceremonies will be prerecorded, including speeches to help minimize contact and the risk of transmission.

A parade will be held the same evening on Tuesday, June 29 at 7 pm.

Esterhazy High School

Esterhazy High School will be holding another virtual graduation ceremony this year.

The ceremony will take place on Friday, June 25. A link will be provided to friends and family of the graduates

that want to watch.

A parade will be held the following day on Saturday, June 26.

Weather permitting, graduates taking part in the parade will be able to pick up their diplomas during the parade.

Kipling School

Kipling School is planning to hold an outdoor graduation ceremony this Saturday, June 12.

The ceremony will take place in the afternoon outdoors on school grounds. The 24 graduates are able to celebrate graduation together.

Kipling will not be holding a grad parade this year.

Whitewood School

Whitewood School is holding a virtual ceremony for the graduating class of 2021.

The ceremony will take place this Saturday on June 12 at 1:00 pm.

The graduates will gather in the gym of the Whitewood School where they will receive their diplomas. Parents and family members will be able to attend the ceremony digitally.

Following the virtual ceremony, a graduation parade

will be held for graduates in the afternoon.

Redvers School

The Redvers School will not be holding graduation ceremonies this year following Covid-19 restrictions.

With the ever-changing rules, the Redvers School elected to play safe and make a video for graduates instead.

But a virtual graduation ceremony is taking place on Friday, June 11, organized and operated by the graduates and parents.

Following the ceremony, a parade will be held for graduates.

Angela Gervais, a member of the parents committee, says that Redvers also invited graduates from Bellegarde to join in the parade.

"We had to bump back the time to 7:45 pm and the route is a little bit shorter because of the later start, but we will cover quite a large area of the town. There will be lots of viewing places,

"This year we were actually able to invite the graduates of Bellegarde School, so they'll have a float in the parade. The Redvers Fire Department will lead the parade and the RCMP will close it up."

The parade will start at 7:45 pm at the Redvers Recreation Centre on Friday, June 11.

Congratulations to the Class of 2021!

Due to COVID-19, graduation will be a little different this year. We hope that this is still a happy occasion for you.

You've had to do something unprecedented and yet you still accomplished it!
Now you know going forward, you can do anything!

 Parents are Laura Gerard and Brett Tollefson. Chloe plans to enter the workforce while pursuing a modelling career.

Christine Barbra Anne Vennard
 Parents are Tanya Beckman and Michael Vennard. Christine plans to attend Sask Polytech for Mechanics.

Dear Graduate,

On behalf of the Board of Education of the Prairie Valley School Division, congratulations! You are now officially part of our 2021 Graduating Class.

Finding one adjective to describe and encapsulate this past school year is not easy. This year was challenging. It was difficult. This year was surely unprecedented, unlike all others. You are a special person because of your ability to prosper and thrive under these conditions. Yet you did. And you can be proud. You didn't give up.

As you celebrate your graduation, please take time to hit "pause" and give yourself a chance to fully reflect on what you have achieved in this difficult year. Look back on the relationships you have formed and the experiences that helped form you during the past 13 years. These are memories and lessons you can draw from to sustain you over a lifetime.

Your Board of Education acknowledges that given our unique circumstances this spring, your Graduation ceremonies and your final weeks of school may not have turned-out exactly as you had imagined. However, don't let it define your entire school experience. Focus on the positive and that you made it, despite everything that was thrown at you.

On behalf of the Board of Education, I congratulate you as part of the Class of 2021, and extend our best wishes as you enter the next part of your journey through life. I'll leave you with the words of the author Sue Monk Kidd, on making sure your life is meaningful:

"...one of the most powerful outbreaks of happiness and meaning in your life will occur when you pair your passion and the world's need."

Sincerely,
 Janet Kotylak
 Board Chairperson
 Board of Education, Prairie Valley School Division
