Conexus giving away \$650 savings plan at ball drop

As you may have heard, this year Conexus is giving away a one-year savings plan as the grand prize for the annual Moosomin Chamber of Commerce Ping Pong Ball Drop.

You may be wondering how that works and here are the details: for the next year Conexus is going to be contributing \$25 every two weeks to a Conexus savings vehicle of your choice totaling \$650.

Whether it be an RRSP, TFSA, RESP, or Non-registered investments, the choice is yours, all to help you in reaching your financial goals!

At Conexus Credit Union, improving the financial well-being of our members and communities drives everything we do. It's not just something we say, it's the basis for every decision we make.

This year we decided to give this money away as a periodic savings plan to increase the habits of saving within our community and show you how saving just a small amount consistently can make a difference.

Financial literacy is a critical life skill, helping you to feel confident and make smart, responsible deci-

sions with your money.

At Conexus, we actively educate and bring awareness to financial literacy with our members and within our communities, as we know it can create a lifelong impact and make a positive difference in your financial well-being.

We are thrilled to be giving away the grand prize for the Moosomin Chamber of Commerce Ping Pong Ball Drop, and wish everyone luck.

We look forward to taking part in the event and hope to see you there!
