A scene from last year's Living Skies Come Alive Fireworks competition at Moosomin Lake

Living Skies Come Alive at Moosomin Regional Park

BY KEVIN WEEDMARK

Every August long weekend, the skies come alive over Moosomin Lake.

For the second year, the Living Skies Come Alive Fireworks Competition at Moosomin Regional Park on the August long weekend will be an international competition.

Traditionally, the fireworks competition has been between Saskatchewan and Manitoba, with a fireworks company from each province doing their best work and competing for bragging rights—one company setting off their fireworks on the Saturday night of the long weekend, and one setting theirs off on the Sunday night.

The fireworks are set off across from the main beach, so the fireworks are reflected in the lake.

The 2017 fireworks competition was different, however, with Canada taking on China in the first-ever international fireworks competition at Moosomin Lake.

This year the competition will be Canada versus the United States, and the competition will take place August 4 and 5.

CanFire Pyrotechnics of Winnipeg will compete for Canada and J&M Displays will compete for the United States. J&M is one of the largest fireworks companies in

the United States.

There will be entertainment by Sask Express both afternoons, then by Stuck on Red before and after the fireworks on Saturday, August 4, and by Shifty Morgan before and after the fireworks on Sunday, August 5.

The bands will start at 7:30 pm each night, will break for the fireworks, then will play one more set after the fireworks.

Layne McFarlane of the fireworks committee said he believes that adding Sask Express to the mix, and having the music continue after the fireworks, will add a lot to the weekend.

"Sask Express contacted us about being part of the weekend, and we are happy to have them," he said. "I think they will be a good addition to the weekend."

The weekend will include many events around the fireworks shows, and several food vendors will be set up at the park.

Advance tickets for the event are \$15 per person, and tickets at the gate are \$20 per person.

Last year's Living Skies Come Alive weekend attracted 12,500 people, making it the largest event in south-east Saskatchewan in 2017.

The 2017 event raised \$150,000 for Moosomin Regional Park.

Scenes from the 2017 Moosomin Rodeo.

Welcome to Rodeo Country!

Welcome to Rodeo Country!

Southeast Saskatchewan and Southwest Manitoba are home to some great rodeo events each summer.

The Moosomin Rodeo Committee does a great job of putting on an entertaining weekend each year.

July 6 and 7 will be the 25th annual Moosomin Rodeo Weekend. Friday will feature rodeo action at 6:30 p.m., and Kendra Kay will perform in the beer gardens following the rodeo. Saturday morning will be the Chamber of Commerce Rodeo Parade at 10 am followed by a kids rodeo from noon to 3 pm and Moosomin Rodeo Idol at 3:30 pm. The rodeo action will be at 6:30 pm followed by music by Quinton Blair in the beer gardens.

The 86th annual Moose Mountain Pro Rodeo in Kennedy, Sask. will take place from July 21-22. This is one of the only pro rodeos on the prairies, with many competitors coming from the Calgary Stampede.

The weekend will kick off with a parade on Main Street at noon Saturday, a demo derby following the parade, and

a trade show from noon to 8 pm. Rodeo action is at 5 pm and will be followed by a cabaret featuring the band Tammy Susan that night. Sunday will feature a cowboy church service at 11 am, with rodeo action starting at 2 pm. Following the rodeo will be a KFC supper and a demo derby.

For the second year, Spy Hill will be hosting an MRCA sanctioned rodeo August 11-12. The weekend will also feature chariot and chuckwagon races.

And if you still haven't got your rodeo fix after those two events, Wapella hosts the Dodge City Days Indoor Rodeo on the Thanksgiving weekend in the fall.

Other western events over the summer include the Wawota Valley Ranch Rodeo held in the Little Pipestone Valley from August 3-5, and the Elkhorn Elks Western Days from August 4-5. The second annual Moosomin Ranch Rodeo is planned for July 21, and the second annual McAuley Hoedown ranch rodeo will take place August 10-11.

Get out and enjoy a couple of rodeos and some other Western entertainment this summer!

Come visit us!

TOWN OF MOOSOMIN

Strength in Diversity

Diverse Population — Diversified Economy — Boundless Opportunities

Nestled in the parklands between the Qu'Appelle Valley to the north and the Pipestone Valley to the South, Moosomin is a great place to stop and enjoy the beauty of the Prairies!

Moosomin is perfectly situated on the Trans-Canada Highway near Moosomin Regional Park, and has many other parks and attractions within easy driving distance.

Moosomin has a wealth of tourist services, including a wide range of accommodation options, including three new hotels built in the last few years, a wide variety of dining options, and some one-of-a-kind local stores

Moosomin has first class recreational facilities including a water park and swimming pool with a 31 metre waterslide, baseball diamonds, fastball diamonds, rodeo grounds, football field, soccer field and much more.

Moosomin is a growing regional centre with a full complement of professional services, first class medical facilities and a solid local economy.

Come visit us and see all we have to offer!

Golf in the Heart of the Prairies

Golfers have no shortage of opportunities to play the game they love in Southeast Saskatchewan and Southwest Manitoba.

The Pipestone Hills Golf Club by Moosomin is a nine-hole, par 35 facility in the hills of the Pipestone Valley, located along Highway 8 several kilometres south of Moosomin. The rolling hills of the valley and the blue-green waters of Moosomin Lake create a picturesque setting for a quick game or a day at the club. For more information or to book a tee time, phone the clubhouse at 306-435-3511.

About 25 kilometres north of Moosomin on Highway 8, the Rocanville Town and Country Golf Club hosts open fairways and large grass greens for a nine-hole, 3,046-yard, par 35 outing. For more information or to book a tee time, phone 306-645-2640.

Wapella, just west of Moosomin, has a nine-hole, sand green course. Contact the town at 306-532-4343 for more information.

Only a 40-minute drive south of Moosomin, the Redvers & District Golf and Country Club welcomes golfers with a beautifully redone clubhouse. Contact (306) 452-3345 for more information.

The Carlton Trail Regional Park golf course is located about 40 kilometres north of Rocanville on Highway 8. Carlton Trail has nine holes on rolling terrain with PGA style grass greens, and is located within the beautiful park which features bird-watching, nature trails, fishing, and swimming. Call 306-534-4724 for more information.

To the south, golfers are just an hour away from the Golf Kenosee in the Moose Mountain Provincial Park. Sitting in a 40,000 hectare park on the highest plateau in the south-east, Golf Kenosee is nestled in a forest of poplar, ash, fir, and white birch in Moose Mountain Provincial Park.

White Bear Golf Course is nearby. When you "Challenge the Bear," you play one of the top-rated courses in Saskatchewan in the scenic Moose Mountains near Carlyle. The 18-hole championship track is famous for its white silica sand—trucked in from Golden, B.C.—and its white birch forest. This soft spike course opened in 1985 and is part of White Bear Lake Resort located near the shores of White Bear Lake.

Both courses are accessible from Moosomin by going south on Highway 8 to Highway 48. Turn west and travel through Wawota to Highway 9 and turn south.

Further east, enjoy a round at Oak Lake Island Resort's 18-hole championship golf course, or head north to charming Sandy Lake for nine holes in the morning, followed up by nine holes in the afternoon on the rolling

Golfing at Pipestone Hills golf course near Moosomin.

greens at Elkhorn Resort at Clear Lake.

Well known for its high quality grass greens, Whitewood Golf and Country Club offers a challenging and enjoyable experience that even the most avid golfer will enjoy. A thick growth of trees lining most fairways and strategically placed water hazards add to the challenge of this nine hole course.

The Virden Wellview Golf Club was established in 1892, making it Manitoba's oldest

active golf club.

The quality, challenging variety of courses available for play within a short drive are bound to delight the novice and golf aficionado alike!

The Moosomin pool is a busy place all summer long!

Beat the heat at Moosomin Pool

Want to beat the heat this summer? Looking for a public pool for you and the kids?

The Moosomin outdoor swimming pool is the perfect place for public swimming, lessons, and other aquatic programs.

On a hot summer day, the pool can be found filled to the brim with children splashing and playing and sliding down the waterslide.

The pool has various programs running throughout the summer including five sets of swimming lessons, with the first set beginning June 4. There will be three two-week sessions and two one-week sessions.

The pool is a junior Olympic sized facility with a 102-foot waterslide and a diving board.

Adjacent to the water is the Little Tots Rainforest Waterpark and a covered picnic area.

This summer, a hot tub is going to be added at the pool!

Ongoing renovations to the Moosomin pool are improving this facility for residents and visitors alike, and the pool can also be rented for events such as birthday parties.

For more information about swim times call 306-435-2346 or visit the Moosomin Parks and Recreation website at www.moosominparksandrec.com.

Moosomin Regional Park is a beautiful park nestled on the shores of Moosomin Lake

See you this summer at Moosomin Regional Park

Moosomin Regional Park is nestled in the Pipestone Valley 15 kilometres southwest of Moosomin.

The lake, beach, campground and trails make this park a great spot for swimming, fishing, boating, camping and hiking.

The park features 112 full service RV sites—secluded or beach side, group or drive-through sites. Also available are a variety of tenting and unserviced sites. The park has picnic sites for any size of group, including three sites with large shelters with power and water.

Daily, weekly, monthly, and seasonal rates are available for camping sites. Firewood bundles are also available.

A sewer dump station is available, and there are two boat launch sites and a fish cleaning station with water and power and a wheelchair pier.

Get close to nature. We have picturesque hiking trails with lots of wildlife and beautiful lakeside views.

A large sandy beach and swimming area with sun shelters provides an enjoyable place to spend some of your summer hours. A large playground is available right on the beach for children to enjoy.

The Moosomin Regional Park also has paddleboard, canoe, kayak, and mountain bike rentals available through the summer months.

The Moosomin Regional Park Store will provide you

with a restaurant, a selection of groceries, beach toys, fishing supplies and bait, gas, ice, and both soft and hard ice cream!

Plans for the “Living Skies - Come Alive” ninth annual fireworks competition are in the works for Saturday, August 4 and Sunday, August 5.

Experience a breathtaking pyromusical fireworks display over Moosomin Lake. This unique event is attended by thousands of people each year. This fireworks event has become a holiday destination for some families.

This year Living Skies Come Alive will be an international fireworks competition again, with Canada taking on the U.S.

Along with the fireworks, a full weekend of events is lined up. There will be entertainment by Sask Express both afternoons, then by Stuck on Red before and after the fireworks on Saturday, August 4, and by Shifty Morgan before and after the fireworks on Sunday, August 5. The bands will start at 7:30 pm each night, will break for the fireworks, then will play one more set after the fireworks.

Gather with family and friends at the park to play, eat and be entertained! You are always welcome at the park. Our staff will do their best to make your time in the park relaxing and enjoyable.

A car show hosted at the Elkhorn Auto Museum in May 2018.

the Manitoba Antique Auto Museum

The Elkhorn Auto Museum, located just off Highway 1 in Elkhorn, Manitoba is a good place to stop for a quick drive into history.

The museum has been running each summer since 1967. Most of the automobile collection was donated by Isaac Clarkson, who passed away in 1971 at the age of 58.

There are over 90 vehicles on display, ranging from a 1908 Reo to a 1976 Jaguar. Automobiles aren't the only items to see at the museum. There are First Nations artifacts, guns, licence plates, spark plugs, tools, oxen yokes, bicycles, and household items on display.

A separate building houses farm equipment such as tractors and threshing machines. Most of the tractors have steel tires.

There is also an old farm house from the early 1900s that has been restored by the museum committee and moved onto the museum grounds, as well as an old school building at the museum where people can view old maps, desks, and posters.

One of the biggest events held at the museum each year is the Elkhorn Museum Day on July 1

The day includes a parade, a threshing demonstrations, and

many activities at the museum grounds.

This day of old-fashioned fun always features a number of displays and demonstrations of pioneer life, such as blacksmithing, set up around the museum grounds, while the historic automobiles are shown off outside.

During Museum Day people come from around Manitoba to set up on the museum grounds, which are usually full of families and children eager to get a peek at all the curiosities. Pie and other goodies are served on the grounds and the old school house is open to the public.

The Automobile Museum is wheelchair accessible and even provides wheelchairs for people to wheel around the displays.

The museum is open seven days a week from 9 a.m. to 6 p.m. until the end of September. Admission is \$10 for adults and \$2 for students. Preschoolers are free. Be sure to check out the Manitoba Antique Auto Museum while in the area.

Discover history at Moosomin's museum

The Moosomin Museum is a perfect space for any history buff to check out a few of the historic items of south-east Saskatchewan.

The museum—marking its 20th anniversary this year—is located just off Park Avenue in Moosomin—stop in for a trip to the past!

The museum features history from Moosomin and the surrounding area with two old churches, antique automobiles, and a shop with vintage artifacts to display.

According to Museum President Dennis Barry, “The artifacts range from old farm equipment to furniture originally built in Moosomin, and various others.”

In addition to the collection of quality vintage vehicles, there is also an array of old farming machinery—including tractors and combines.

A highlight of the museum's collection is the restored Fudge Snowplane.

Snowplanes were built to glide over the snow, powered by a rear propeller. Two of the major snow plane manufacturers in North America were at Moosomin and Spy Hill. The Fudge snow plane, started by Robert Fudge, was made in Moosomin in a factory at the corner of Main and Broadway. Lorch snow planes, named after Karl Lorch, were made in Spy Hill.

The snowplanes were a popular mode of winter transportation when it was more difficult to clear roads in winter.

ter.

Inside the museum, you can check out many historical relics including photos, Second World War gear, classic books, hospital equipment, military items, and uniforms.

All items have been donated by members of the community.

The museum is open Thursday to Sunday afternoons until September 4.

Dean and Brenda Redman and Paul Johnson operate the steam tractor used to power the threshing machine at the Rocanville Museum Threshing Day.

Walk through history at Rocanville Museum

For those interested in prairie history, you won't be disappointed with a stop at the Rocanville and District Museum. This large agricultural museum boasts an extensive collection of gas and steam engines, a restored CPR station, a school building, general store, an old church, and antique farm machinery and tools.

The museum also sells the famous Symons Oilers as souvenirs. Based out of his machine shop in Rocanville, Ernie Symons sold his oilcan, the Symons Oiler, throughout North America and around the world. Starting with his first 24 oilcans in 1924, production reached its peak during the Second World War. In 1943, Symons delivered 65,000 of his oilers to the Department of Defense for use on military vehicles, including ships, planes, and submarines. With 32 workers on the job that summer, he usually had orders for 50,000 to 60,000 units to be filled.

Symons then spent \$500 securing patents in Canada, the United States, Great Britain, and France. Containers of different sizes with different features were added in later years. With its "wire fence" handle and trademark design, Symons developed an oilcan that is still considered the standard by many today.

On display at the museum are steam engines, thresh-

ing machines, stoves, washing machines, grain mills, chinaware, small personal items, household items, tools, switchboards, First Nations artifacts, military items, school desks, and many other items of former years.

There are all sorts of interesting displays at the Rocanville Museum, including a display from when the Kraft Celebration Tour came to Rocanville, and a display dedicated to the time that Rocanville Museum participated in the world record breaking Harvest for Hunger in Langenburg.

The old school at the museum has also been modified and turned into an active and historical kids' area with lots of fun stuff for kids to do.

Rocanville Museum also hosts a Museum Day every year to help with finances.

This year Museum Day is being held on September 15, starting with a pancake breakfast and ending with a barbecue beef supper.

Demonstrations of pioneer life will be held throughout the day, and there will be entertainment and a threshing demonstration in the afternoon.

The Rocanville Museum is open seven days a week in July and August from 10 a.m. to 5 p.m. or by appointment.

Fieldstone Park is a campground that offers swimming, located just north of Moosomin on Highway 8. Moosomin Regional Park also has a large campground, on the shores of Moosomin Lake.

Rocanville pool a centre of summer fun

Indoor pools are few and far between on the rural prairies, but the town of Rocanville boasts an indoor pool that any community would be proud to have.

Rocanville's large indoor heated pool is 25 metres long by 12 metres wide with a large deep end and two diving boards. The high diving board is only for the very brave! There is also a pool lift to provide barrier-free access to the pool for those with joint and mobility problems.

The pool is open for various public swim and family swim times over the summer, and also offers lane swimming and aquafitness courses, as well as swimming lessons and lifesaving courses.

The pool can be rented for birthday parties and other events.

For more information on the Rocanville pool contact the Rocanville Rec Office at 306-645-2164 or the Rocanville Aquatic Centre at 306-645-2011.

See you at the pool this summer! We are now open!

The Rocanville Aquatic Centre is the only indoor, heated Junior Olympic swimming pool in the area!

- Pool size: 25 x 12.5 metres
- Two diving boards (1 metre and 3 metre), basketball nets and water sports!

Rentals Bookings Available!

Check us out on Facebook at The Rocanville Aquatic Centre for swim times, lesson dates, and swim courses through the spring and summer or call 306-645-2011.

A day at the market

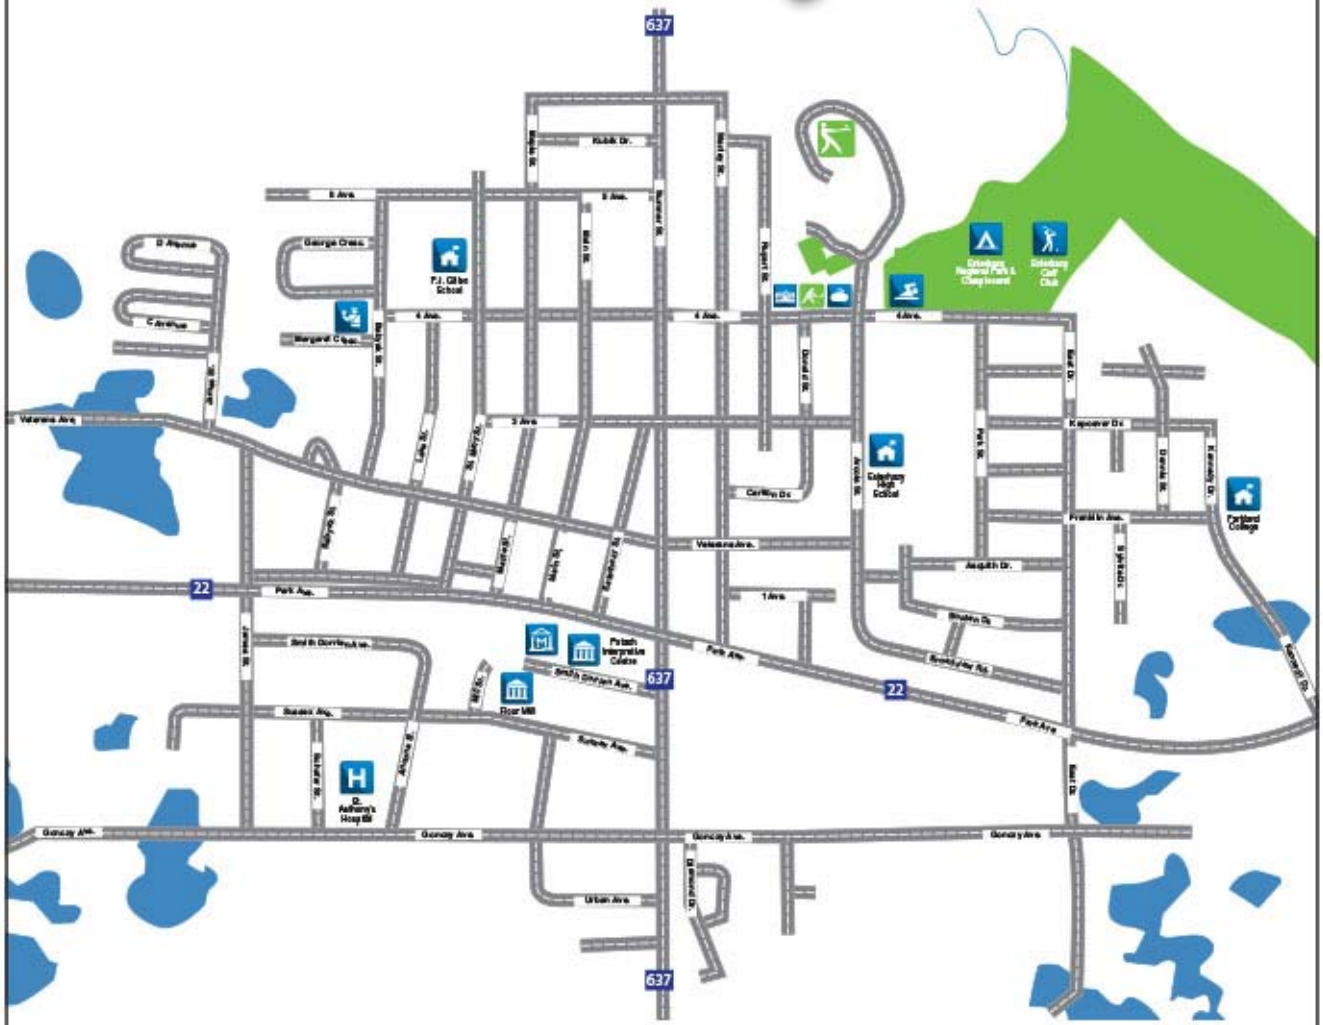

Rocanville's Market at the Museum takes place at the Rocanville Museum in the spring and fall. This year the markets will be held on June 16 and September 15. The market on September 15 will coincide with Rocanville's Museum Day, which also features demonstrations of pioneer life and a threshing demonstration.

Vendors come from all over, and everything from food, blankets, jewelry, clothing, and wood-working can be found at the market.

Each month the proceeds from the market go toward a local program or charity within the community that is fundraising to enhance the community.

EVERYDAY SAVE BIG!
We've got a bit of everything

Moose Mountain and area

Trees, hills, lakes, hiking trails, campsites, golf courses, restaurants, a casino, and a large waterslide complex—these are just a few attractions that sum up the Moose Mountain area that has been drawing tourists for years.

Nestled in the trees and hills of the Moose Mountains, Moose Mountain Provincial Park, the resort village of Kenosee Lake, and the White Bear First Nation provide the perfect destination for a summer getaway.

Located less than an hour southwest of Moosomin on Highway 9, the area is an easy drive for a day trip or a weekend.

The area includes: Two excellent 18-hole golf courses, riding stables, a mini-golf facility, a casino with high calibre entertainment, cabarets and bars, a year-round luxury resort, restaurants, a large waterslide complex, and tennis courts.

Of course, camping, hiking, and fishing are a given at any provincial park, and Moose Mountain is no exception.

Kenosee Lake has been stocked for those interested in spending a day fishing, and the water level at the lake has risen over the last few years.

Sixty campsites within Moose Mountain Provincial Park have been upgraded from either non-electric to electric, or from electric to fully serviced, and there are now well over 400 campsites within the park. A new beach change house was opened last summer.

There are a number of events offered in the park during the summer. The events are primarily held for school groups during May and June, and once the tourism season begins in July and August, events are held every day for park visitors. There are a number of special events planned for the summer months, with the July and August months being especially big.

Some of the student and youth activities include camping, geocaching, orienteering, hiking, and pond studies.

Some of the activities held at the park during the summer include canoeing, kayaking, and hiking. There is also a solar oven in the park which is used for baking as well as kids' crafts.

One of the largest draws to the White Bear First Nation is the Bear Claw Casino, which features regular entertainment, however White Bear also offers cabins, a beach and a lake for tourists who want to make it a vacation destination, as well as a recently renovated hotel at the casino.

Need to keep the kids busy? There is plenty for children to do in the Moose Mountain area. The Kenosee Superslides offer a full water park with everything from kiddie slides to a free-fall plunge. The Superslides are easily a place where you can spend all day long playing in the bright sun and cool water.

Like any tourist destination, the Moose Mountains are a place worth exploring.

Swimming lessons take place for one week every summer at Welwyn Regional Park.

Welwyn Regional Park a hidden Prairie treasure

Tucked in the shallow valley containing Beaver Creek, Welwyn Regional Park is a hidden treasure for people who love a quick and easy getaway to the outdoors.

The park is located a little more than a kilometre north of the village of Welwyn along the 600 Grid Road that leads to PotashCorp Rocanville.

It includes Welwyn Lake, a reservoir open to swimming, fishing, and boating, and 40 campsites (some with electrical) on a hill just south of the lake.

The lake was built with the damming of Beaver Creek in the mid-1960s. Welwyn Lake is fed by springs and

run-off coming from the west. In the past, anglers have caught pike and perch there.

The park is well treed with poplar, oak, willow, and birch trees, while hazelnuts, saskatoon bushes, chokecherries, and cranberries have been found along the banks of the reservoir.

During one week over the summer, from July 2 to 6, swimming lessons are provided at the park with a registered instructor.

The Welwyn Regional Park is self-supporting and operated by a committed group of volunteers from the area.

 ENGAGING PROGRAMMING | SGI CANADA THEATRE | GIFT SHOP

The RCMP Heritage Centre is a stand-alone, not-for-profit, charitable organization.

SUMMER HIGHLIGHTS

FEATURE EXHIBIT:

"THAT HIS NAME BE NOT FORGOTTEN"

The First World War (1914-1918) forever marked Canadian history. In May 2018, we will mark the centennial of the RNWMP's participation in the war. "that his name be not forgotten" will pay tribute to those who made the ultimate sacrifice in service to their country. This feature exhibit will honour all members who enlisted for service overseas.

SERGEANT MAJOR'S PARADE

Catch the Sergeant Major's Parade at RCMP Academy 'Depot' Division. Watch as the drill staff put cadets through their paces. The parade includes a roll call and inspection of the troops, accompanied by the cadet band. This parade takes place daily, Monday to Friday during the summer and Tuesday to Friday from September until the end of April. Guests wishing to see the parade must pre-register at the RCMP Heritage Centre by 12 pm. Cost of entry is included with your admission to the RCMP Heritage Centre.

DRIVING TOURS

Hop aboard one of our electric people movers and relax as you are given a 'behind the gates' driving tour of the RCMP Academy's 'Depot' Division, where all Mounties are trained. Our tours include stops at the RCMP Chapel, dormitories, classroom buildings, Drill Hall, armoury, firearms building, driving track, Officer's Mess, 'Depot' Cemetery, and the riding stables. Driving tours are scheduled daily from May 23 to September 5, and cost is included with your admission to the RCMP Heritage Centre.

The inside of the old house at Old George's Museum and Hidden Village.

Old George's Museum and Hidden Village

Growing up on a farm just south of Dubuc in the 1950s, George Chopping, like all kids at the time, had dreams in life. "I wanted to go around the world, own a museum, and own a motorcycle," said Chopping.

And now he does own a museum—Old George's Museum and Hidden Village on the outskirts of Whitewood, just off Highway 1.

It all started in 1984 with a visit to a friend in Whitewood. "I saw this antique house on my way back to Dubuc, and I thought, 'That would be perfect for a museum.' I've always wanted one," said Chopping. "So I pulled over, knocked on the door, and asked the owner if he would sell the house."

Chopping bought the house and in 1985 moved his belongings from Dubuc to Whitewood. "We moved 10 three-ton truck loads, seven van loads, five car loads, and a bit of miscellaneous other things . . . We also moved a 90 x 30 barn." Chopping says they moved a total of 1,340 boxes.

The house became known as Old George's. The name originates from Chopping's escapades as a bottle collector and member of the Parkland Bottle Collectors Club in 1978.

"I had been collecting bottles over the years, and I was writing a book about bottles I found on the Canadian Prairies," said Chopping. "Because

I had been working on it for a while, and had yet to finish it, a member started giving me the gears at a meeting. "He was laughing and said, 'Hey, Old George! Are you ever going to get that book published?'"

Chopping put a lot of work into making Old George's what it is today. "When I first owned the house, I did 99 hours of sandblasting, and put up 990 square feet of brick wall," he said. "I also painted the walls, and built a deck." The house, which has 17 rooms and four fireplaces, is also his home. The rooms, from the basement to the attic, are comprised of intricate displays of nearly every antique you can imagine.

"Eighty per cent of the items are from Saskatchewan, 15 per cent are from Manitoba, and five per cent are from Alberta. A few other things are from B.C., the Harbour in Toronto, and other travels I have been on," said Chopping.

His oldest item is a 1636 land title deed from England.

Chopping says he doesn't have a favorite item because there are too many to choose from. But, he does say that he is keen on anything related to pioneers and hard times.

As for all of the items, "I have a passion for learning about their history, and sharing that knowledge with people who come here," he said. "I also

like to show off what I have. We're all big kids, but not everyone wants to admit that."

Nestled behind the house, there is also a 'hidden village' comprised of 30 buildings, including a chapel, saloon, blacksmith shop, Chinese laundromat, a clothing store and much more. There is also a stage people can perform on.

"I've been building it for the past 17 years," said Chopping. "There's a new addition nearly every day."

Chopping says he has had guests from across North America, as well as overseas.

"I always ask people to describe this place in 15 words or less. But you can't," said Chopping.

"I don't even know how to describe it. It's an unusual place that people have no idea about until they walk through here."

Old George's has been written about in publications, including *Canadian Geographic*, *National Geographic*, and *Prairies North*.

"It feels great to have this place recognized . . . I always say, 'I've gotten married to it,'" said Chopping. "I spend all of my time doing this—morning and night."

Chopping says there aren't really hours at Old George's.

"If it's 10 p.m. and you're coming from far away, and I'm up, I'll take you on a tour," he said.

History comes alive at Cannington Manor

Cannington Manor Provincial Historic Park keeps some of the early history of the prairies alive.

Cannington Manor was one of the first attempts by settlers in what is now southeast Saskatchewan to establish a commercial agricultural community.

The history of Cannington Manor dates back to 1882, when one of the first groups of settlers from England and Ontario began homesteading southeast of the Moose Mountains, founding the village. It has been noted that the settlers were looking to build their dreams and create a prosperous farming community that eluded so many of them in their homelands. However, the community was very isolated and the Canadian Pacific Railway was not constructed until 1885, and even then the village was almost 60 kilo-

Cannington Manor Provincial Park helps keep the history of early life on the prairies alive. The park offers tours of five furnished buildings and interactive activities throughout the summer.

meters away.

In the late 1880s the CPR constructed a branch line in the area, but it was further south than expected, and still left the village 16

kilometers from the line.

Together, the distance from the CPR, as well as the lack of farming experience of the settlers began to take its toll on the com-

munity and Cannington Manor was completely abandoned by 1900.

At Cannington Manor the first stop is the visitors centre which houses displays introducing visitors to the people and history of Cannington Manor. There are five furnished buildings in the park as well as the original All Saints Anglican Church.

Interactive activities are offered at the park and include rope making, croquet, tennis, horseshoes, and cooking.

The park also offers educational programs for school groups which include activities that were popular at the turn of the century.

The park is open for the summer until Labour Day. The park is open from Wednesday to Monday (closed Tuesday) every week from 10 a.m. to 5 p.m.

Experience Estevan this summer!

There's no shortage of things to do in the Estevan area, which is home to some great fishing, a beautiful regional park, live theatre through the summer, great golf, stock car races, and much more! The city invites visitors to experience some of these great amenities on offer over the summer months.

"One of the most unique experiences in Estevan is large mouth bass fishing," says Rebecca Westling, Destination, Marketing and Communications Consultant. "We are the only place in Saskatchewan where a person can come and fish for large mouth bass. The reason is because the Boundary Dam Reservoir does not freeze over and it makes it a great habitat for the bass.

"Bass are a fighting fish and a really neat fish because they sit at the top of the water, and when you are fishing them you can see them jump up and out of the water to get the bait. It's quite an interesting fishing experience.

"There's the arts and culture scene that's really unique here as well," adds Westling. "Souris Valley Theatre is one of the few in Saskatchewan that have live theatre. They do multiple performances throughout the year. This year they have three plays. That's quite a unique experience."

Westling says those with a need for speed should check out Estevan's Motor Speedway.

"The Estevan Motor Speedway is an IMCA sanctioned banked oval dirt track that hosts IMCA Modified, IMCA Stock Car and Hobby Stock races," she says. "They have different regular program points night and special events throughout the year. For example they just had the Tougher Than Dirt series. They have smash up derbies and trailer hauling derbies and that kind of thing as well."

Westling says Estevan's parks and golf courses also make it unique.

"Woodlawn Regional Park is quite well used," she says. "There is a day park that people can go to along the Souris River. There are walking trails, and people kayak and canoe down the river, and they fish in the river as well. There is a dog park right nearby. Woodlawn Regional Park has two sites. There is the Souris River site that's used for camping and is right near the TS&M Woodlawn Golf Course. And then there is the Boundary Dam site, and that's on the Boundary Dam reservoir. The

reservoir has fishing and swimming and beach volleyball and different events held throughout the year. They have an outdoor stage and playparks for the kids.

"The TS&M Woodlawn Golf Course is an 18-hole course. It has a newly developed back nine. In 2011 there was a flood which demolished the back nine, and it's really coming along nicely now. All the greens are really nice and have been designed by a renowned golf course designer. They have a really nice clubhouse and all the amenities they can offer, such as the pro shop and rentals. We have another course called Hidden Valley Golf. It's a nine-hole course. It is a very mature course and has been well used in our community for many years. They have a club house, a pro shop and also offer mini golf there, so it's a great place to spend some time with your family.

"We have a disc golf course which is very unique to our area. If you haven't tried disc golf it's a must. The nine-hole course is in Torgeson Park and located right on Spruce Drive. There are discs on site that are available for free use."

Estevan also offers energy tours throughout the year where people can learn more about the power plants and coal mining industry in the area. In May and June the tours run five days a week, Monday to Friday, and in July and August they run Tuesday to Saturday. There is a morning tour at 9 am and an afternoon tour at 1 pm.

"It goes to the Shand power station, the Shand greenhouse, and right inside the mine pit," says Westling. "It's really neat seeing those huge machines in operation and you really get an up close and personal experience of what it's like to be a miner."

Westling says the Visitor Information Centre has been moved off of Highway 39 and into the Estevan Leisure Centre this year.

"We are really looking forward to our new space and sharing what the leisure centre has to offer," she says. "The RM of Estevan Aquatic Centre is there. They do drop in recreation programming, and then there is Affinity Place where there is a walking track and weight room and gym rentals, and the public library. There are lots of different things in the one building that people can come and experience!"

Westling says more information on everything Estevan has to offer can be found at estevan.ca.

It's True. Large Mouth Bass in Saskatchewan.

The only place in Saskatchewan.

Summer music festivals

Two local music festivals over the summer include the Bow Valley Jamboree in Oxbow, above, and the All Folk'd Up Music Festival in Montmartre.

WELCOME TO THE TOWN OF OXBOW!

Overlooking the beautiful Souris Valley, make Oxbow your summer destination. Join us at the Bow Valley Park for camping, baseball, fishing and canoeing on the peaceful Souris River. Explore the shops and restaurants in town, have fun at the Oxbow Swimming Pool and step into the past at the Ralph Allen Memorial Museum. Enjoy the Farmer's Markets beside the library every Thursday evening in July and August.

And don't miss a great day of music, plus the opportunity to explore local cuisine and craft vendors at the annual **Bow Valley Jamboree, Saturday, July 28, 2018.** This event is fun for the whole family.

WE'RE WAITING TO WELCOME YOU!

Riding Mountain National Park: A gem in western Manitoba

Summer is the perfect time to venture to the outdoors and take advantage of the warm weather for a few months.

Many people head to the beach to soak up the sun while others gather family and friends and set up tents and RVs in the woods.

Riding Mountain National Park, north of Brandon in Western Manitoba, has something for everyone.

The park has back country trails for those people that like going out in the wilderness and experiencing nature first hand, there's a townsite where there are shops and restaurants for those who don't like getting their hands dirty, there's a beautiful lake for the beach bums, and there is natural beauty everywhere you look.

The main campground includes more than 500 campsites and there are five other campgrounds within the park.

Upon driving into the township of Wasagaming at Clear Lake, small shops, businesses and cottages sit on either side of the street. Once reaching the end, just to the left is a lawn where families and friends can be seen tossing a frisbee to one another. Just beyond is the main beach where beach towels and children with sand toys spread across the shore. A

pier lies to the left, leading out to the marina, where The Martese, a 95-passenger tour boat is anchored.

Other activities include golfing, boating, horseback riding, and hiking on more than 400 km of trails.

The Wasagaming area offers mini-golf, tennis courts, bike rentals, boat rentals and fishing. The Visitor Centre offers a junior naturalist program called Critter Camp for younger patrons. The Clear Lake Golf Course features 18 holes, some of them tough but all providing a scenic view.

The Elkhorn Resort Spa and Conference Centre also has a nine-hole golf course and a mineral pool. The flower gardens behind the Visitor Centre also draw attention.

The rest of the township offers a variety of restaurants ranging from Italian to a lounge-style setting. Clothing shops and specialty shops line the streets.

Much like the Saskatchewan township at Prince Albert National Park, Wasagaming balances its business and cabin community with the rest of the park.

Throughout the township, signs can be spotted reminding visitors to not leave litter behind and being careful of the wildlife.

Horseback riders at last year's Elkhorn parade, which is held on July 1 every year to celebrate Canada Day.

Some of the animals at Westwood Ranch and Garden Centre.
Clockwise from top left: A peacock, a lemur, an ostrich and a zebra.

Westwood Ranch and Garden Centre a unique prairie destination

If you take a drive southwest of Elkhorn, Manitoba or southeast of Moosomin you will come across a unique business unlike any other in the region.

At Westwood Ranch and Garden Centre you can shop for plants in the greenhouses there, or spend your time hanging out with zebras, lemurs and ostriches, or let your children play on Westwood's indoor 30-foot-long assault course, a large bounce tent with obstacles.

Westwood Ranch and Garden Centre is just what its name suggests—it's a greenhouse that also features exotic animals as well as a range of other activities for people to have fun with.

"It's a double stop shop," says owner Mark Humphries. "The parents usually go off with the kids and pick plants and then they can be entertained afterwards with the animals and everything else. It makes for a good day out."

In addition to the greenhouses at Westwood, there is a small zoo on site that features everything from exotic animals to farm animals, as well as a gold mine

where kids can sluice for gold, an assault course, a full outdoor play area, a model train display, and a small gift shop and concession.

Westwood's animals include zebras—which Humphries says are the only zebras in Manitoba or Saskatchewan—lemurs, ostriches, emus, parrots, lots of different farm animals, including sheep, pigs, goats, and horses, miniature ponies and foals, exotic birds, fish, a rabbit village that kids can go into, jumping horses, donkeys, a bearded dragon, and wallaroos.

Westwood Ranch has grown in popularity over the year. Aside from daily visitors, Westwood Ranch also does school and corporate tours, as well as tours for people with disabilities, as the location is wheelchair accessible.

Humphries says they have had up to 9,400 visitors some summers.

Westwood Ranch is open seven days a week from 10 am to 5 pm Manitoba time (DST).

More information can be found at www.westwood-gardencentre.com or by calling 204-845-2002.

Canada Day in Elkhorn

Elkhorn, Manitoba is a community that celebrates Canada Day every year with a number of events, including a parade and a threshing demonstration at the Elkhorn Auto Museum.

Honda Pioneer is recommended for drivers 16 years of age and older, and tall enough to wear the seat belt properly and reach all the controls. The passenger should also be tall enough for the seat belt to be properly and brace themselves, if needed, by being both feet firmly on the floor while grazing the hand hold. Always wear protective clothing when operating your Honda product. Please request the owner's manual, obey the law and read your owner's manual thoroughly before operating your Honda Product. Model images and specifications subject to change without notice. Visit honda.ca for additional safety information. Accessories sold separately.

WHY CHOOSE SUNRISE CREDIT UNION?

I would highly recommend Sunrise Credit Union. They've been incredible to us and they've really helped us grow our business over the last three years.

- **Justin Houde,**
**Cleanups Residential
and Commercial
Cleaning**

I have been with Sunrise Credit Union right from the start. I had initially gone to a couple of bigger banks in town and was looking for a very small \$5000 line of credit. I was told by the bigger banks that I didn't have a viable business, so I went to Sunrise Credit Union. They looked over my business plan and immediately offered me a \$5000 line of credit. They've been absolutely fantastic to work with.

- **Gail
Freeman-Campbell,**
Daughter on Call

Sunrise Credit Union listened to us, looked at our business plan and was willing to help us get our business started when other banks turned us down. Faces may have changed over the years but not the friendliness and willingness to help. Our business and Sunrise has grown together over the years.

- **Pat Hipwell,**
Wolverine Supplies
