A scene from last year's Living Skies Come Alive Fireworks competition at Moosomin Lake

Living Skies Come Alive at Moosomin Regional Park

BY KEVIN WEEDMARK

Every August long weekend, the skies come alive over Moosomin Lake. For the last several years the Living Skies Come Alive Fireworks Competition has pitted two fireworks companies against one another.

Each puts on their best show—one on Saturday night, one on Sunday night—and a panel of judges selects the winner.

The fireworks shows are unlike anything else on the Prairies. Timed to music, carefully choreographed, the fireworks shows are a different calibre than anything else on the Prairies. The fireworks are shot off across the lake from the main beach, so they are reflected in the water of Moosomin Lake.

The fireworks weekend has grown over the years, with thousands of people taking in the shows each night.

The two-day fireworks competition long pitted Saskatchewan against Manitoba, but for the last two years it has gone international, as Canada took on China and the United States over the last two years.

It will be Canada versus the Philippines at the 2019 Living Skies Come Alive International Fireworks Competition at Moosomin Regional Park August 3 and 4.

"We're really excited about having the Philippines come this year," says Laurie Renneberg of the organizing committee.

"We have a very large Filipino community in town. We're

hoping to get them involved as much as possible as part of our fireworks committee."

Layne McFarlane, another member of the committee, said he hopes members of the Filipino community across the Prairies come out to see the Canada vs. Philippines competition. "The Filipino community is really quite large between Winnipeg and Regina. We hope a lot of them come out," he says.

Canada will be represented in the competition by Canfire of Winnipeg, which has represented Canada at the Living Skies Come Alive International Fireworks Competition and other competitions.

The Philippines will be represented by Platinum Fireworks. Platinum Fireworks provides fireworks shows for the Enchanted Kingdom theme park in Santa Rosa, Philippines, and has competed in several international fireworks competitions.

The weekend also includes music both nights before and after the fireworks. This year, the live bands are Stuck on Red and The Firm. There are also a ton of other events on at Moosomin Regional Park that weekend, including lumberjack axe throwing in Saturday, Filipino entertainment on Sunday, bouncy toys and bumper cars for the kids, kids games, food vendors, and beer gardens.

See the Moosomin Regional Park ad on page 2 for details on how to purchase tickets for this event!

Scenes from the 2018 Moose Mountain Pro Rodeo.

Welcome to Rodeo Country!

Welcome to Rodeo Country!

Southeast Saskatchewan and Southwest Manitoba are home to some great rodeo events each summer.

The Moosomin Rodeo Committee does a great job of putting on an entertaining weekend each year.

July 5 and 6 will be the 26th annual Moosomin Rodeo Weekend. Friday will feature rodeo action at 6:30 p.m., and there will be entertainment in the beer gardens following the rodeo. Saturday morning will be the Chamber of Commerce Rodeo Parade at 10 am followed by a kids rodeo from noon to 3 pm and Moosomin Rodeo Idol at 3:30 pm. The rodeo action will be at 6:30 pm followed by music in the beer gardens.

The 87th annual Moose Mountain Pro Rodeo in Kennedy, Sask. will take place from July 20-21. This is one of the only pro rodeos on the prairies, with many competitors coming from the Calgary Stampede.

The weekend will kick off with beef on a bun Saturday over lunch at the Friendship Centre and a parade on Main Street at noon. A demo derby will follow the parade. There will also be a trade show from noon to 8 pm Saturday. The

rodeo grand entry will be at 5 pm and from 2 pm to 2 am there will be entertainment in the beer gardens. On Sunday there is a pancake breakfast starting at 9 am followed by cowboy church at 11 am. The rodeo grand entry will be at 2 pm, and there be a roast beef supper and demo derby following the rodeo.

For the second year, Spy Hill will be hosting an MRCA sanctioned rodeo August 10-11. The weekend will also feature chariot and chuckwagon races.

Other western events over the summer include the Wawota Valley Ranch Rodeo held in the Little Pipestone Valley from August 2-4, and the Elkhorn Elks Western Days from August 4-5. The second annual Moosomin Ranch Rodeo is planned for July 20, and the third annual McAuley Hoedown ranch rodeo will take place August 10-11. The Whitewood Chacachas Rodeo (BRC, MRCA) will be August 9-10 and the Esterhazy Twin Valley Riding club Bullarama and Rodeo will be August 31 and September 1.

And if you still haven't got your rodeo fix after those two events, Wapella hosts the Dodge City Days Indoor Rodeo on the Thanksgiving weekend in the fall.

A scene from the 2018 Moosomin Chamber of Commerce parade. The parade takes place on the Saturday morning of the Rodeo weekend each year, and is set for July 6 at 10 am this year. The parade will be led by a Shrine band this year.

New clubhouse open at Pipestone Hills

The Pipestone Hills Golf Club's new clubhouse is open after two years of fundraising and hard work.

The golf club purchased the former Tourism Saskatchewan Building from the provincial government and moved it from the Manitoba-Saskatchewan border to the golf course, nestled in the Pipestone Valley just south of Moosomin, and built a large addition on the north side of the building, and lots of decking.

The former tourism building includes washrooms and the kitchen, and the addition includes the seating area. Large decks also wrap around all sides of the building, making for a great way to enjoy the outdoor beauty of the Pipestone Valley setting.

Pat McDonald of the fundraising committee says he's excited to see the clubhouse in use this summer.

"We've heard all positive comments," he said. "We heard a lot of

'Oh, wow, this is not what we expected.' We haven't had a lot of people who have seen the finished product, but the people who have come in have really been impressed."

"To get to this point, it has been countless, countless volunteer hours," says Ferrell Horn, another member of the committee.

"We're hoping it will attract people who haven't been here before—golf-

ers and just people coming to eat and enjoy the valley. It has so much natural beauty. If people just want to come out and enjoy a coffee and the valley and the sun, or come out for breakfast, they're very welcome. We've been asked about weddings and meetings and events like that, and I think there's a lot of potential to host events like that in this facility."

**10 km south of Moosomin, SK
on Highway #8
in the scenic Pipestone Valley.**

TOWN OF MOOSOMIN

Strength in Diversity

Diverse Population — Diversified Economy — Boundless Opportunities

Nestled in the parklands between the Qu'Appelle Valley to the north and the Pipestone Valley to the South, Moosomin is a great place to stop and enjoy the beauty of the Prairies!

Moosomin is perfectly situated on the Trans-Canada Highway near Moosomin Regional Park, and has many other parks and attractions within easy driving distance.

Moosomin has a wealth of tourist services, including a wide range of accommodation options, including three new hotels built in the last few years, a wide variety of dining options, and some one-of-a-kind local stores.

Moosomin has first class recreational facilities including a water park and swimming pool with a 31 metre waterslide, baseball diamonds, fastball diamonds, rodeo grounds, football field, soccer field and much more. Opening this summer is a new mini golf course and Re/Max Community Court. The town is also located close to Moosomin Regional Park and Moosomin Lake, and Pipestone Hills Golf Club, which opened its brand new clubhouse this spring!

Moosomin is a growing regional centre with a full complement of professional services, first class medical facilities and a solid local economy.

Come visit us and see all we have to offer!

NEW UMBRELLAS

NEW TABLE & CHAIRS

NEW INFLATABLE WATERSLIDE
available for rent during POOL PARTIES

The Moosomin pool is a busy place all summer long!

Beat the heat at Moosomin Pool

Want to beat the heat this summer? Looking for a public pool for you and the kids?

The Borderland Co-op Aquaplex is the perfect place for public swimming, lessons, and other aquatic programs.

On a hot summer day, the pool can be found filled to the brim with children splashing and playing and sliding down the waterslide.

The pool has various programs running throughout the summer including five sets of swimming lessons, with the first set beginning June 3. There will be three two-week sessions and two one-week sessions.

The pool is a junior Olympic sized facility with a 102-foot waterslide and a diving board.

Adjacent to the water is the Little Tots Rainforest Waterpark and a covered picnic area.

This summer, a hot tub is going to be added at the pool, as well as a rock climbing wall and a 12-foot-high inflatable waterslide for little tots to enjoy!

Ongoing renovations to the Moosomin pool are improving this facility for residents and visitors alike, and the pool can also be rented for events such as birthday parties.

For more information about swim times call 306-435-2346 or visit the Moosomin Parks and Recreation website at www.moosominparksandrec.com.

Conveniently located on the Trans Canada Highway – Moosomin, SK

Moosomin Regional Park is a beautiful park nestled on the shores of Moosomin Lake

See you this summer at Moosomin Regional Park

Moosomin Regional Park is nestled in the Pipestone Valley 15 kilometres southwest of Moosomin.

The lake, beach, campground and trails make this park a great spot for swimming, fishing, boating, camping and hiking.

The park features full service RV sites—secluded or beach side, group or drive-through sites. Also available are a variety of tenting and unserviced sites. The park has picnic sites for any size of group, including three sites with large shelters with power and water.

Daily, weekly, monthly, and seasonal rates are available for camping sites. Firewood bundles are also available.

A sewer dump station is available, and there are two boat launch sites and a fish cleaning station with water and power and a wheelchair pier.

Get close to nature. We have picturesque hiking trails with lots of wildlife and beautiful lakeside views.

A large sandy beach and swimming area with sun shelters provides an enjoyable place to spend some of your summer hours. A large playground is available right on the beach for children to enjoy.

The Moosomin Regional Park also has paddleboard, canoe, and kayak rentals available through the summer months.

The Moosomin Regional Park Store will provide you with a restaurant, a selection of groceries, beach toys, fish-

ing supplies and bait, gas, ice, and both soft and hard ice cream!

Plans for the “Living Skies - Come Alive” ninth annual fireworks competition are in the works for Saturday, August 3 and Sunday, August 4.

Experience a breathtaking pyromusical fireworks display over Moosomin Lake. This unique event is attended by thousands of people each year. This fireworks event has become a holiday destination for some families.

This year Living Skies Come Alive will be an international fireworks competition again, with Canada taking on the Philippines.

Along with the fireworks, a full weekend of events is lined up. There will be axe throwing and Saturday as well as bouncy toys, bumper cars and food booths. On Sunday there will be entertainment by the local Filipino community.

The band Stuck on Red will perform before and after the fireworks on Saturday and The Firm will perform before and after the fireworks on Sunday. The bands will start at 7:30 pm each night, will break for the fireworks, then will play one more set after the fireworks.

Gather with family and friends at the park to play, eat and be entertained! You are always welcome at the park. Our staff will do their best to make your time in the park relaxing and enjoyable. We look forward to meeting you!

A car show hosted at the Elkhorn Auto Museum in May 2018.

the
**Manitoba Antique
 Auto Museum**

The Elkhorn Auto Museum, located just off Highway 1 in Elkhorn, Manitoba is a good place to stop for a quick drive into history.

The museum has been running each summer since 1967. Most of the automobile collection was donated by Isaac Clarkson, who passed away in 1971 at the age of 58.

There are over 90 vehicles on display, ranging from a 1908 Reo to a 1976 Jaguar. Automobiles aren't the only items to see at the museum. There are First Nations artifacts, guns, licence plates, spark plugs, tools, oxen yokes, bicycles, and household items on display.

A separate building houses farm equipment such as tractors and threshing machines. Most of the tractors have steel tires.

There is also an old farm house from the early 1900s that has been restored by the museum committee and moved onto the museum grounds, as well as an old school building at the museum where people can view old maps, desks, and posters.

One of the biggest events held at the museum each year is the Elkhorn Museum Day on July 1

The day includes a parade, a threshing demonstrations, and

many activities at the museum grounds.

This day of old-fashioned fun always features a number of displays and demonstrations of pioneer life, such as blacksmithing, set up around the museum grounds, while the historic automobiles are shown off outside.

During Museum Day people come from around Manitoba to set up on the museum grounds, which are usually full of families and children eager to get a peek at all the curiosities. Pie and other goodies are served on the grounds and the old school house is open to the public.

The Automobile Museum is wheelchair accessible and even provides wheelchairs for people to wheel around the displays.

The museum is open seven days a week from 9 a.m. to 6 p.m. until the end of September. Admission is \$10 for adults and \$2 for students. Preschoolers are free. Be sure to check out the Manitoba Antique Auto Museum while in the area.

Golf in the Heart of the Prairies

Golfers have no shortage of opportunities to play the game they love in Southeast Saskatchewan and Southwest Manitoba.

The Pipestone Hills Golf Club by Moosomin is a nine-hole, par 35 facility in the hills of the Pipestone Valley, located along Highway 8 several kilometres south of Moosomin. The rolling hills of the valley and the blue waters of Moosomin Lake create a picturesque setting for a quick game or a day at the club, and this year a new and beautiful clubhouse has opened at the golf course. For more information or to book a tee time, phone the clubhouse at 306-435-3511.

About 25 kilometres north of Moosomin on Highway 8, the Rocanville Town and Country Golf Club hosts open fairways and large grass greens for a nine-hole, 3,046-yard, par 35 outing. For more information or to book a tee time, phone 306-645-2640.

Wapella, just west of Moosomin, has a nine-hole, sand green course. Contact the town at 306-532-4343 for more information.

Only a 40-minute drive south of Moosomin, the Redvers & District Golf and Country Club welcomes golfers with a beautifully redone clubhouse. Contact (306) 452-3345 for more information.

The Carlton Trail Regional Park golf course is located about 40 kilometres north of Rocanville on Highway 8. Carlton Trail has nine holes on rolling terrain with PGA style grass greens, and is located within the beautiful park which features bird-watching, nature trails, fishing, and swimming. Call 306-534-4724 for more information.

Esterhazy Golf and Country Club is a nine-hole golf course located on the northeast side of the town of Esterhazy. The course features a club house with a great

Golfing at Pipestone Hills golf course near Moosomin.

restaurant and reasonably priced golf cart rentals.

To the south, golfers are just an hour away from the Golf Kenosee in the Moose Mountain Provincial Park. Sitting in a 40,000 hectare park on the highest plateau in the southeast, Golf Kenosee is nestled in a forest of poplar, ash, fir, and white birch in Moose Mountain Provincial Park.

White Bear Golf Course is nearby. When you “Challenge the Bear,” you play one of the top-

rated courses in Saskatchewan in the scenic Moose Mountains near Carlyle. The 18-hole championship track is famous for its white silica sand—trucked in from Golden, B.C.—and its white birch forest. This soft spike course opened in 1985 and is part of White Bear Lake Resort located near the shores of White Bear Lake.

Both courses are accessible from Moosomin by going south on Highway 8 to Highway 48. Turn west and travel through Wawota to Highway 9 and turn south.

Further east, enjoy a round at Oak Lake Island Resort’s 18-hole championship golf course, or head north to charming Sandy Lake for nine holes in the morning, followed up by nine holes in the afternoon on the rolling greens at Elkhorn Resort at Clear Lake.

Well known for its high quality grass greens, White-wood Golf and Country Club offers a challenging and enjoyable experience that even the most avid golfer will enjoy. A thick growth of trees lining most fairways and strategically placed water hazards add to the challenge of this nine hole course.

The Virden Wellview Golf Club was established in 1892, making it Manitoba’s oldest active golf club.

The quality, challenging variety of courses available for play within a short drive are bound to delight the novice and golf aficionado alike!

Discover history at Moosomin's museum

The Moosomin Museum is a perfect space for any history buff to check out a few of the historic items of south-east Saskatchewan.

The museum is located just off Park Avenue in Moosomin—stop in for a trip to the past!

The museum features history from Moosomin and the surrounding area with two old churches, antique automobiles, and a shop with vintage artifacts to display.

According to Museum President Dennis Barry, "The artifacts range from old farm equipment to furniture originally built in Moosomin, and various others."

In addition to the collection of quality vintage vehicles, there is also an array of old farming machinery—including tractors and combines.

A highlight of the museum's collection is the restored Fudge Snowplane.

Snowplanes were built to glide over the snow, powered by a rear propeller. Two of the major snow plane manufacturers in North America were at Moosomin and Spy Hill. The Fudge snow plane, started by Robert Fudge, was made in Moosomin in a factory at the corner of Main and Broadway. Lorch snow planes, named after Karl Lorch, were made in Spy Hill.

The snowplanes were a popular mode of winter transportation when it was more difficult to clear roads in winter.

Inside the museum, you can check out many historical relics including photos, Second World War gear, classic books, hospital equipment, military items, and uniforms.

All items have been donated by members of the community.

The museum is open Tuesday to Sunday afternoons from 1-5 pm.

Threshing at last year's Rocanville Museum Day.

Walk through history at Rocanville Museum

For those interested in prairie history, you won't be disappointed with a stop at the Rocanville and District Museum. This large agricultural museum boasts an extensive collection of gas and steam engines, a restored CPR station, a school building, general store, an old church, and antique farm machinery and tools.

The museum also sells the famous Symons Oilers as souvenirs. Based out of his machine shop in Rocanville, Ernie Symons sold his oilcan, the Symons Oiler, throughout North America and around the world. Starting with his first 24 oilcans in 1924, production reached its peak during the Second World War. In 1943, Symons delivered 65,000 of his oilers to the Department of Defense for use on military vehicles, including ships, planes, and submarines. With 32 workers on the job that summer, he usually had orders for 50,000 to 60,000 units to be filled.

Symons then spent \$500 securing patents in Canada, the United States, Great Britain, and France. Containers of different sizes with different features were added in later years. With its "wire fence" handle and trademark design, Symons developed an oilcan that is still considered the standard by many today.

On display at the museum are steam engines, thresh-

ing machines, stoves, washing machines, grain mills, chinaware, small personal items, household items, tools, switchboards, First Nations artifacts, military items, school desks, and many other items of former years.

There are all sorts of interesting displays at the Rocanville Museum, including a display from when the Kraft Celebration Tour came to Rocanville, and a display dedicated to the time that Rocanville Museum participated in the world record breaking Harvest for Hunger in Langenburg.

The old school at the museum has also been modified and turned into an active and historical kids' area with lots of fun stuff for kids to do.

Rocanville Museum also hosts a Museum Day every year to help with finances.

This year Museum Day is being held on September 14, starting with a pancake breakfast and ending with a barbecue beef supper.

Demonstrations of pioneer life will be held throughout the day, and there will be entertainment and a threshing demonstration in the afternoon.

The Rocanville Museum is open in July and August from Monday to Saturday from 10 am to 5 pm and on Sunday from 1 pm to 7 pm.

Rocanville pool a centre of summer fun

Indoor pools are few and far between on the rural prairies, but the town of Rocanville boasts an indoor pool that any community would be proud to have.

Rocanville's large indoor heated pool is 25 metres long by 12 metres wide with a large deep end and two diving boards. The high diving board is only for the very brave! There is also a pool lift to provide barrier-free access to the pool for those with joint and mobility problems.

The pool is open for various public swim and family swim times over the summer, and also offers lane swimming and aquafitness courses, as well as swimming lessons and lifesaving courses.

The pool can be rented for birthday parties and other events.

For more information on the Rocanville pool contact the Rocanville Rec Office at 306-645-2164 or the Rocanville Aquatic Centre at 306-645-2011.

A day at the market

Rocanville's Market at the Museum takes place at the Rocanville Museum in the spring and fall. This year the markets will be held on May 18, June 16, and September 14. The market on September 14 will coincide with Rocanville's Museum Day, which also features demonstrations of pioneer life and a threshing demonstration.

Vendors come from all over, and everything from food, blankets, jewelry, clothing, and woodworking can be found at the market. There is also regular entertainment.

Each month the proceeds from the market go toward a local program or charity within the community that is fundraising to enhance the community.

Swimming lessons take place for one week every summer at Welwyn Regional Park.

Welwyn Regional Park a hidden Prairie treasure

Tucked in the shallow valley containing Beaver Creek, Welwyn Regional Park is a hidden treasure for people who love a quick and easy getaway to the outdoors.

The park is located a little more than a kilometre north of the village of Welwyn along the 600 Grid Road that leads to PotashCorp Rocanville.

It includes Welwyn Lake, a reservoir open to swimming, fishing, and boating, and 40 campsites (some with electrical) on a hill just south of the lake.

The lake was built with the damming of Beaver Creek in the mid-1960s. Welwyn Lake is fed by springs and

run-off coming from the west. In the past, anglers have caught pike and perch there.

The park is well treed with poplar, oak, willow, and birch trees, while hazelnuts, saskatoon bushes, chokecherries, and cranberries have been found along the banks of the reservoir.

During one week over the summer, from July 8 to 12, swimming lessons are provided at the park with a registered instructor.

The Welwyn Regional Park is self-supporting and operated by a committed group of volunteers from the area.

 Flour Mill

Check out these sites in Esterhazy!

There's lots to do in the town of Esterhazy, which welcomes visitors with open arms and has a number of great sites for visitors to the area!

Tourist information may be found at The Visitors Information Centre, located in the Historical Park on Highway 22. There you will also find The Saskatchewan Potash Interpretive Centre, Museum and Flour Mill.

Following are a few of the great things to do in the area:

ESTERHAZY WALKING TRAIL

The Esterhazy Regional Park took ownership of a trail which was a collection of old roads and bridges and paths cobbled together to form a loop around the Esterhazy Golf Course. The Park board decided to try and revive the trail and used the services of a professional trail builder to do so.

ESTERHAZY FLOUR MILL

This is the only fully equipped flour mill remaining in Saskatchewan that combines an elevator and a mill. Designated as a provincial heritage property in 2005, it also joined the family of national historic sites in 2007 with its designation as a National Historic Site of Canada.

KAPOSVAR HISTORICAL SITE

Kaposvar, one of the first Hungarian settlements in Western Canada, was established in 1886. Kaposvar Historical Society preserves, restores and maintains the Kaposvar Historic Site.

ESTERHAZY MUSEUM

The museum houses the tourism office for the area and is involved with town promotions. Tours are offered. There are also seasonal and specialty displays to complement local interest and activities.

SASKATCHEWAN POTASH INTERPRETIVE CENTRE

The Saskatchewan Potash Interpretive Centre offers visitors an opportunity to learn the unique history of development—how potash is mined and refined, the uses and contribution of this important mineral. To arrange a tour or for more information, please phone the Visitor Information Centre 306-745-5406 (May to September) or the Town Office 306-745-3942 (October to April) or email town.esterhazy@sasktel.net

A large advertisement for Access Water Park. The main image shows four children in colorful swimsuits jumping into a pool. The background is a large indoor facility with a yellow airplane hanging from the ceiling. A circular graphic in the top right corner says "public swim seven days a week!". The text "JUMP into fun at ACCESS WATER PARK" is prominently displayed in the center, with "ACCESS" in a stylized font. Below this, it says "COMMUNICATIONS CO-OPERATIVE". At the bottom, there is a list of amenities: "Wave Pool With Zero-Depth Beach Entry | Climbing Wall | 25m Lap Pool | Sauna & Steam Rooms | 1m Diving Board | Whirlpool | Lazy River | Waterslide | Birthday Party Room". The address "455 Broadway St. W., Yorkton, SK, 306.786.1740" and website "www.gallaghercentre.com" are also included. Logos for the City of Yorkton and Gallagher Centre are at the bottom corners.

The lineup for Rockin' the Park. At top left is Snake Oil. Above is Streetheart. At top right is The Firm. At right is Rock Candy.

Esterhazy hosting Rockin' the Park Aug. 31

BY KARA KINNA

On Saturday, August 31, Esterhazy is planning to rock out. That day and night, the Esterhazy Recreation Fundraising Association is planning to put on Rockin' the Park, an outdoor rock festival, starting in the afternoon and going into the evening, featuring four bands.

"It's an outdoor rock concert at Esterhazy Regional Park," says Esterhazy Rec Director Brenda Redman. "We are hosting Streetheart, Snake Oil, Rock Candy, and The Firm. It's a fundraiser for recreation facilities in Esterhazy.

"We'd love to see 1,000 people out. We are so pumped! We are so excited about this!"

The Esterhazy Recreation Fundraising Association is the same group that hosted the Tasting Festival in Esterhazy. Redman says with the Rockin' the Park festival, they are "going big."

"I brought it forward when I became rec director, because there are so many recreation groups, and facilities that need upgrading, and we need a way to raise money, and we don't do anything like this in Esterhazy," she says.

"I thought let's see if we can put on something different and bring our community together for an exciting time—let's do this.

"I went to council with it and council was on board with me starting the Esterhazy Recreation Fundraising Association. It was started five years ago when I was here and then when I left it went by the wayside, and then we got it going again. It's the same group that put on the tasting festival and now we are going big.

"I have a great committee and they are enthusiastic and excited and it's been interesting."

Tickets for Rockin' the Park will be sold in advance and the concerts will start in the late afternoon and go all night.

The festival will start with a performance by The Firm, followed by Rock Candy, Snake Oil, then legendary rock band Streetheart, and will close with the band Snake Oil again.

Redman says she doesn't know what to expect, or how many people will come out, but she hopes it's a lot of fun.

"When you are taking on something of this magnitude and it's so new, you don't know what to expect," she says.

Advance tickets can be purchased from the Esterhazy town office, from Brenda at 306-745-5402, and online at the Rockin' The Park facebook page. Tickets are \$60 for adults and \$40 for those under 18.

Town of Whitewood

The inside of the old house at Old George's Museum and Hidden Village.

Old George's Museum and Hidden Village

Growing up on a farm just south of Dubuc in the 1950s, George Chopping, like all kids at the time, had dreams in life. "I wanted to go around the world, own a museum, and own a motorcycle," said Chopping.

And now he does own a museum—Old George's Museum and Hidden Village on the outskirts of Whitewood, just off Highway 1.

It all started in 1984 with a visit to a friend in Whitewood. "I saw this antique house on my way back to Dubuc, and I thought, 'That would be perfect for a museum.' I've always wanted one," said Chopping. "So I pulled over, knocked on the door, and asked the owner if he would sell the house."

Chopping bought the house and in 1985 moved his belongings from Dubuc to Whitewood. "We moved 10 three-ton truck loads, seven van loads, five car loads, and a bit of miscellaneous other things . . . We also moved a 90 x 30 barn." Chopping says they moved a total of 1,340 boxes.

The house became known as Old George's. The name originates from Chopping's escapades as a bottle collector and member of the Parkland Bottle Collectors Club in 1978.

"I had been collecting bottles over the years, and I was writing a book about bottles I found on the Canadian Prairies," said Chopping. "Because

I had been working on it for a while, and had yet to finish it, a member started giving me the gears at a meeting. "He was laughing and said, 'Hey, Old George! Are you ever going to get that book published?'"

Chopping put a lot of work into making Old George's what it is today. "When I first owned the house, I did 99 hours of sandblasting, and put up 990 square feet of brick wall," he said. "I also painted the walls, and built a deck." The house, which has 17 rooms and four fireplaces, is also his home. The rooms, from the basement to the attic, are comprised of intricate displays of nearly every antique you can imagine.

"Eighty per cent of the items are from Saskatchewan, 15 per cent are from Manitoba, and five per cent are from Alberta. A few other things are from B.C., the Harbour in Toronto, and other travels I have been on," said Chopping.

His oldest item is a 1636 land title deed from England.

Chopping says he doesn't have a favorite item because there are too many to choose from. But, he does say that he is keen on anything related to pioneers and hard times.

As for all of the items, "I have a passion for learning about their history, and sharing that knowledge with people who come here," he said. "I also

like to show off what I have. We're all big kids, but not everyone wants to admit that."

Nestled behind the house, there is also a 'hidden village' comprised of 30 buildings, including a chapel, saloon, blacksmith shop, Chinese laundromat, a clothing store and much more. There is also a stage people can perform on.

"I've been building it for the past 17 years," said Chopping. "There's a new addition nearly every day."

Chopping says he has had guests from across North America, as well as overseas.

"I always ask people to describe this place in 15 words or less. But you can't," said Chopping.

"I don't even know how to describe it. It's an unusual place that people have no idea about until they walk through here."

Old George's has been written about in publications, including *Canadian Geographic*, *National Geographic*, and *Prairies North*.

"It feels great to have this place recognized . . . I always say, 'I've gotten married to it,'" said Chopping. "I spend all of my time doing this—morning and night."

Chopping says there aren't really hours at Old George's.

"If it's 10 p.m. and you're coming from far away, and I'm up, I'll take you on a tour," he said.

EXPERIENCE THE REAL STORIES *of the* RED SERGE

VIRTUAL REALITY EXPERIENCES | EDUCATIONAL PROGRAMMING
DRIVING TOURS | SPECIAL EVENTS | SOUVENIRS

The RCMP Heritage Centre is a not-for-profit, charitable organization.

TOURS + EXPERIENCES

SUNSET CEREMONIES

Enjoy marching band music, historic rifle and cannon exercises, dismounted cavalry drill and the lowering of the Canadian flag as you experience cadets in period dress perform traditional military movements that played an important part in Canada's history.

DRIVING TOURS

Hop aboard one of our electric people movers and relax as you are given a 'behind the gates' driving tour of the RCMP "Depot" Division, where all Mounties are trained. Tours include the RCMP Chapel, dormitories, Drill Hall, firearms range, driving track, and the "Depot" Cemetery. Available daily May to September.

SERGEANT MAJOR'S PARADE

Catch the Sergeant Major's Parade at RCMP "Depot" Division. Watch as the drill staff put cadets through their paces. The parade includes a roll call and inspection of the troops, accompanied by the cadet band. This parade takes place daily, Tuesday to Friday. Guests wishing to see the parade must pre-register at the RCMP Heritage Centre by 12 pm.

Moose Mountains made for summer fun

Trees, hills, lakes, hiking trails, campsites, golf courses, restaurants, a casino, and a large waterslide complex—these are just a few of the attractions that draw visitors from a wide area to the Moose Mountains.

Moose Mountain Provincial Park, the resort village of Kenosee Lake, and White Bear Lake on White Bear First Nation provide the perfect destination for a summer getaway.

Located less than an hour southwest of Moosomin on Highway 9, the area is an easy drive for a day trip or a weekend.

The area includes: Two excellent 18-hole golf courses, riding stables, a mini-golf facility, a casino with high calibre entertainment, cabarets and bars, a year-round luxury resort, restaurants, a large waterslide complex, and tennis courts.

Of course, camping, hiking, and fishing are a given at any provincial park, and Moose Mountain is no exception.

There are a number of events offered in the park during the summer. The events are primarily held for school groups during May and June, and once the tourism season begins in July and August, events are held every day for park visitors.

Some of the student and youth activities include camping, geocaching, orienteering, hiking, and pond studies.

Some of the activities held at the park during the summer include canoeing, kayaking, and hiking. There is also a solar oven in the park which is used for baking as well as kids' crafts.

The artists' colony at Moose Mountain Provincial Park features well-known artists showing their work, restaurants and bars like the Moosehead and the Bar Bar are well worth a visit, and the Red Market Barn just north of Kenosee attracts huge crowds for Sunday markets all summer.

One of the largest draws to the White Bear First Nation is the Bear Claw Casino, which features regular entertainment, however White Bear also offers cabins, a beach and a lake for tourists who want to make it a vacation destination, as well as a recently renovated hotel at the casino.

Need to keep the kids busy? There is plenty for children to do in the Moose Mountain area. The Kenosee Superslides offer a full water park with everything from kiddie slides to a free-fall plunge. The Superslides are easily a place where you can spend all day long playing in the bright sun and cool water.

And at the end of the day, there's the Prairie Dog Drive-In just south on Highway 9. Check out the Moose Mountains!

History comes alive at Cannington Manor

Cannington Manor Provincial Historic Park keeps some of the early history of the prairies alive.

Cannington Manor was one of the first attempts by settlers in what is now southeast Sas-

katchewan to establish a commercial agricultural community.

The history of Cannington Manor dates back to 1882, when one of the first groups of settlers from England and Ontario began homesteading southeast of the Moose Mountains, founding the village. It has been noted that the settlers were looking to build their dreams and create a prosperous farming community that eluded so many of them in their homelands. However, the community was very isolated and the Canadian Pacific Railway was not constructed until 1885, and even then the village was almost 60 kilometers away.

In the late 1880s the CPR constructed a branch line in the area, but it was further south than expected, and still left the village 16 kilometers from the line.

Together, the distance from the CPR, as well as the lack of farming experience of the settlers began to take its toll on the community and Cannington Manor was completely abandoned by 1900.

At Cannington Manor the first stop is the visitors centre which houses displays introducing visitors to the people and history of Cannington Manor. There are five furnished buildings in the park as well as the original All Saints Anglican Church.

Interactive activities are offered at the park and include rope making, croquet, tennis, horseshoes, and cooking.

Redvers welcomes visitors!

The Redvers Log Cabin Tourist Booth is open daily starting from the May long weekend to September Labor Day weekend. The booth is located on Highway 13 beside the landmark statue of the Red Coat Mountie on his horse.

Inside the cabin enjoy coffee or iced tea with some homemade Saskatoon pie. The small gift shop previews local crafts and Saskatchewan souvenirs.

Travelers can enjoy clean washroom and shower facilities and have access to onsite internet communication services. Both serviced and non serviced sites are available at the campground. A secluded picnic area is available for large gatherings, with a playground and shelter close by.

It's True. Large Mouth Bass in Saskatchewan.

The only place in Saskatchewan.

Boundary Dam, Estevan

www.tourismestevan.com

#ExperienceEstevan

Experience Estevan this summer!

There's no shortage of things to do in the Estevan area, which is home to some great fishing, a beautiful regional park, live theatre through the summer, great golf, stock car races, and much more! The city invites visitors to experience some of these great amenities on offer over the summer months.

"One of the most unique experiences in Estevan is largemouth bass fishing," says Rebecca Westling, Destination, Marketing and Communications Consultant. "We are the only place in Saskatchewan where a person can come and fish for largemouth bass. The reason is because the Boundary Dam Reservoir does not freeze over and it makes it a great habitat for the bass.

"There's the arts and culture scene that's really unique here as well," adds Westling. "Souris Valley Theatre is one of the few in Saskatchewan that have live theatre. They do multiple performances throughout the year. That's quite a unique experience."

Westling says those with a need for speed should check out Estevan's Motor Speedway. "The Estevan Motor Speedway is an IMCA sanctioned banked oval dirt track that hosts IMCA Modified, IMCA Stock Car and Hobby Stock races," she says.

This year the Estevan Motor Speedway will be hosting a demolition derby called the Eve of Destruction on July 26. The Eve of Destruction coincides with a huge event—the Rafferty Rumble—being hosted for the first time since 1996.

From July 26-28, it will be a weekend full of sports, music, street fair, market and street dance. The weekend will feature a slo-pitch tournament, flag football tournament, races at Estevan Motor Speedway, soccer tournament, and ball hockey tournament. The organizers were also hoping to include a golf tournament, beach volleyball tournament and fishing derby during the planning stages.

On July 27, downtown Estevan will be rocking as the day starts with a pancake breakfast, the Downtown Business Association will host a large street fair, and the Estevan Art Gallery and Museum will bring an artisan and art market and one of the largest music festivals to hit the Energy City to date. Finally, the Downtown Show and Shine from years past will make a return.

The whole event promised to be a huge blast of summer fun.

Westling says Estevan's parks and golf courses also

make the city unique.

"Woodlawn Regional Park is quite well used," she says. "There is a day park that people can go to along the Souris River. There are walking trails, and people kayak and canoe down the river, and they fish in the river as well. There is a dog park right nearby. Woodlawn Regional Park has two sites. There is the Souris River site that's used for camping and is right near the TS&M Woodlawn Golf Course. And then there is the Boundary Dam site, and that's on the Boundary Dam reservoir. The reservoir has fishing and swimming and beach volleyball and different events held throughout the year. They have an outdoor stage and playparks for the kids.

"The TS&M Woodlawn Golf Course is an 18-hole course. It has a newly developed back nine. They have a really nice clubhouse and all the amenities they can offer, such as the pro shop and rentals. We have another course called Hidden Valley Golf. It's a nine-hole course. It is a very mature course and has been well used in our community for many years. They have a club house, a pro shop and also offer mini golf there, so it's a great place to spend some time with your family.

"We have a disc golf course which is very unique to our area. If you haven't tried disc golf it's a must. The nine-hole course is in Torgeson Park and located right on Spruce Drive. There are discs on site that are available for free use."

Estevan also offers energy tours throughout the year where people can learn more about the power plants and coal mining industry in the area. In May and June the tours run five days a week, Monday to Friday, and in July and August they run Tuesday to Saturday. There is a morning tour at 9 am and an afternoon tour at 1 pm.

"It goes to the Shand power station, the Shand greenhouse, and right inside the mine pit," says Westling. "It's really neat seeing those huge machines in operation and you really get an up close and personal experience of what it's like to be a miner."

Estevan's Visitor Information Centre is located inside the Estevan Leisure Centre—a building that features all kinds of things to do. "The RM of Estevan Aquatic Centre is there," says Westling. "They do drop in recreation programming, and then there is Affinity Place where there is a walking track and weight room and gym rentals, and the public library. There are lots of different things in the one building that people can come and experience!"

More information on everything Estevan has to offer can be found at estevan.ca.

The Asessippi
Parkland region:

Take advantage of all there is to offer!

Whether you are looking for a day trip, overnight or a weekend away, the Asessippi Parkland Region has something for everyone to enjoy.

Beautiful private campgrounds such as Asessippi Beach and campground, Pyotts and the Binscarth Park and Pool offer beautiful facilities with nightly and seasonal camping option.

Asessippi Provincial Park has over 100 camp sites as well as group camping and yurts on Lake of the Prairies. This is one of the best lakes for fishing in the province. Walleye, Perch and Jack are abundant.

There are several bed and breakfasts in the region, including Barn in the Bush, Weathervane Inn and Thunder Creek Guest House. Looking to stay somewhere a little more traditional? The Russell Inn offers accommodation and an on-site restaurant.

Dining options are endless with sit-down restaurants and drive-ins. Tin House designs and Coffee Co. has a great lunch and patio menu with adult beverages too. Connie's Drive In has the best house-made burgers and some of the best ice cream around! And don't forget about the Fox and Barrel in Inglis or Arbuckle's in Binscarth, all of which have daily specials to enjoy.

The Inglis Elevators, a national historic site, are the only row of five wooden grain elevators left in the world and well worth the drive. Binscarth Museum and the Angusville Heritage Church are also must sees when in the area. The new arches adorning the Russell main street as well as the many local shops and coffee bars as worth the drive itself. Be sure to stop by the Russell Visitor Centre for historic walking and driving tours around the region.

Some of the animals at Westwood Ranch and Garden Centre. Clockwise from top left: A peacock, a lemur, an ostrich and a zebra.

Westwood Ranch and Garden Centre a unique prairie destination

If you take a drive southwest of Elkhorn, Manitoba or southeast of Moosomin you will come across a unique business unlike any other in the region.

At Westwood Ranch and Garden Centre you can shop for plants in the greenhouses there, or spend your time hanging out with zebras, lemurs and ostriches, or let your children play on Westwood's indoor 30-foot-long assault course, a large bounce tent with obstacles.

Westwood Ranch and Garden Centre is just what its name suggests—it's a greenhouse that also features exotic animals as well as a range of other activities for people to have fun with.

"It's a double stop shop," says owner Mark Humphries. "The parents usually go off with the kids and pick plants and then they can be entertained afterwards with the animals and everything else. It makes for a good day out."

In addition to the greenhouses at Westwood, there is a small zoo on site that features everything from exotic animals to farm animals, as well as a gold mine where kids can sluice for gold, an assault course, a full outdoor play area, a model train display, and a small gift shop and concession.

Westwood's animals include zebras—which Humphries says are the only zebras in Manitoba or Saskatchewan—lemurs, ostriches, emus, parrots, lots of

different farm animals, including sheep, pigs, goats, and horses, miniature ponies and foals, exotic birds, fish, a rabbit village that kids can go into, jumping horses, donkeys, a bearded dragon, and wallaroos.

Westwood Ranch has grown in popularity over the year. Aside from daily visitors, Westwood Ranch also does school and corporate tours, as well as tours for people with disabilities, as the location is wheelchair accessible.

Humphries says they have had up to 9,400 visitors some summers.

Manitoba Star Attraction

Virден full of heritage buildings

Virден is well known for its many restored heritage buildings, dating back to the early 1880s.

Architectural styles are varied with most of the heritage being of either fieldstone or brick construction.

Many of the structures are unique in Western Canada, in architectural style and purpose.

Examples include the Aud Theater, which is unique in style as an example of a restored turn of the century opera house.

Another example is St Mary's Anglican Church, whose unique fieldstone construction exemplifies 1800s English style construction using abutments and high pitched roofs.

Virден's unique history as an early railroad center has also left the community with a central business district, rich with heritage brick buildings, constructed at the turn of the century.

Following is a bit more detail on just a few of the heritage buildings that make Virден unique:

Canadian Pacific Railway Station

Located at 425 - 6th Avenue S, the Canadian Railway Station was constructed in 1900 after the original wood frame station burnt in 1899.

It has been restored and declared a heritage building in 1994. Its unique fieldstone and overhanging eaves style was common with many rail stations in larger centers.

In the early years, many new immigrant farmers and businessmen would have first disembarked from the train at this location and passed through the doors of this station.

Today, it houses community based organizations including the Virден and Area Arts Council and the Virден Chamber of Commerce. Also included is an art gallery and a separate board room area.

The Aud Theater 228 Wellington Street

The Aud Theatre was built in 1911 as part of the municipal building. The building was open to the public on February 29, 1912. The building consisted of a government telephone exchange room, new court room, three large offices, and the opera house, costing \$32,500.

The population at this time was about 1,500. The Aud Theatre was built by W.T. Manser. The comedy "the Misogynist" was the first to play in the theatre. The Great Eastern Sign

St Mary's Anglican Church in Virден is a unique example of fieldstone construction.

Photo illustration by Kevin Weedmark

Painting Co. of Toronto supplied the 22x30ft curtain. During the '30s and '40s the Aud was a movie theatre.

The ceiling on the stage was originally 40ft high but it was lowered to 24ft to save heat. The building was originally heated by steam which was replaced with electric heat in 1984-85 after the renovation and re-opening in 1983. When the theatre fell into disrepair it closed as a movie theatre and the town council was preparing to demolish it.

A local steering committee was formed to save it, and after substantial renovations, it was re-opened in 1983. The lower level consists of 257 seats and the upper level consists of 210 seats. The majestic curve of the balcony gives the audience a panoramic view of the stage. On either side of this are two double decker boxes or loges which add an air of sophistication.

St Mary's Anglican Church 633 9th Street

This structure is a great example of fieldstone construction.

Much of the stone for the fieldstone construction came from along the top of the Assiniboine River Valley.

The first church was a frame structure built by Clayton and Sons in 1885. This was the first church building in Virден.

Masonry work was done by Mr.

Saul of Carberry with carpentry done by Mr. Harrington of Winnipeg.

Walter Chesterton, a Winnipeg architect, designed this notable structure while building the school across the street.

The cloister and fence were added in 1952.

The church features two stained glass windows created by famous artist and sculptor Leo Mol.

The church also features a stained glass medallion window.

This window was presented by the city of Brugge, Belgium to honor the 12th Manitoba Dragoons.

Goulding House

Located at 677 - 9th Avenue, this house is today a private residence.

Built in 1893 by Dr. Goulding, the fieldstone house represents a prime example of early prairie architectural designs with bi-level verandas and upper look out.

Virден Pioneer Home Museum

Located at 390 King Street, and established in 1970, the museum holds over 6,000 items relating to the Victorian era of Virден's history as displayed in the main house.

The original home itself was constructed in 1888 and the three additional annexes were constructed at a later date to display items from subsequent eras depicting our local heritage and culture.

North Dakota State Fair: Where summer shines!

Minot, North Dakota is the place to be July 19-27 at the North Dakota State Fair! It is the premier entertainment and family-oriented event and is the largest event in North Dakota. Each year we bring in top-notch entertainment for guests at the grandstand including five country artists and two rock concerts. For those who aren't all about the music, we have racing events as well!

Each day of the fair is filled with things to do for all ages. If you're interested in farm and livestock, we've got shows and activities for you throughout the week! There's machinery displays, NPRA Bull and Ranch Bronco Riding, 4H and FFA activities/shows and more. As for free things to do we will have musicians and performers each day. A couple of these include High-Dive, All-Star Stunt Dogs, Daryl's Racing Pigs and Water Day. Your kids can enjoy the day by participating in the Tractor Pedal Pull, mutton busting, Hippity Hop Barrel Race and even cupcake decorating! Visit ndstatefair.com for the full schedule of events.

As for shopping, we have three commercial buildings that will be filled with nothing but vendors selling items ranging from home goods to gadgets. Wandering down our walkways will also take you to outdoor vendors and of course, the fair food! Who knows what creations the vendors will come up with this year!

Don't forget the carnival rides! With a new addition this year, the Midway will be full of rides and games to play. Get the best deal by purchasing your Mega Ride Pass (excluding Thrill Zone and live animal rides) for \$60 until June 30th or for \$70 beginning July 1st. Daily gate admission is \$10 for adults, \$5 for ages 7-12, and

free for children 6 and under. Season gate passes can also be purchased at \$25 for adults and \$15 for children ages 7-12.

visitminot.org/stayandplay

Come visit Minot, we're ready for you.

On behalf of the wonderful city of Minot, North Dakota, we are excited to extend an invitation to you to choose Minot as the location for your next trip. We hope that you will choose to "Discover the Magic" of our hospitable city.

The city of Minot, North Dakota was founded in 1886 where the Great Northern Railway's construction crew set up their winter camp. As if by magic, a tent town formed practically overnight and grew to a population of 5,000 in the next five months—giving us our best-known nickname "The Magic City." During the Prohibition Era, some people called Minot "Little Chicago" (we've always been known to have fun!), but today our reputation is different from those bootlegging days.

The Minot Convention and Visitors Bureau is located in the heart of the city at the Scandinavian Heritage Park, home of the Gol Stav Church and 30-foot Dala Horse. The park is one of the prominent locations in the city that you won't want to miss during your stay. The Scandinavian Heritage Park is a great place to explore and snap a photo. Information about the features in the park is located inside the Visitor Center along with maps, information on city attractions, hotels, dining, shopping, and state-wide tourist material.

The hallmark of a great trip is being able to find fun things to see and do and Minot offers plenty! Sure, our city has changed a little through the years, but we believe in our city treasures enough that we're making

it better than ever for your visit. Minot is the fourth largest city in North Dakota and we offer a lot of activities and attractions to keep you busy during your trip. Visit art galleries or the studios of local artists. See historic train exhibits and aircrafts in enthralling museums. Take in stage productions, concerts or a night on the town with friends, fun and live music.

When you visit Minot, we want you to feel at home. So choose from these accommodations to suit your style. Traveling with an RV? We have just the place for you. Are you looking for a comfortable, budget-friendly option? You're in luck. Bringing the family for water slides and fun? With over 2,600 sleeping rooms, we have plenty of options for you and your family.

Minot has several great shopping districts where you'll find fantastic fashions, books, art, antiques, unique gifts, home decor and so much more. Shop our Dakota Square Mall and the surrounding area to find department stores and big name national retailers. Head downtown to find your muse while browsing boutiques in our hippest historic buildings. Or head to some of our big box stores to load up on everything you need for your home!

New this summer, Minot is excited to announce two Stay & Play package partnership opportunities for the incoming traveler at the Minot Country Club and the Souris Valley Golf Course. Check out www.visitminot.org/stayandplay for more information about these packages and for purchasing details.

Angel Acres FunZone unique in rural Sask

Most people wouldn't expect to find an 18-hole mini golf course, blaster bumper boats, human foosball and ziplines in the middle of the country in Southeast Saskatchewan, but those are just some of the things located on the farm of Tannis and Scott Lovell, who run Angel Acres FunZone, a rural amusement park located on their farm northeast of Carnduff.

Angel Acres has opened for its fourth summer, and has been growing every year. It has blaster bumper boats that squirt water, mini golf, kids and adult ziplines, a bouncy castle, a sand pit with a play structure, human foosball, beach volleyball, and a concession with a slush machine, drinks and frozen treats. There is also a picnic area where people can have birthday parties and barbecues.

"Since we expanded this year it's going crazy," Tannis Lovell said last summer. "This year we went full out, adding the boats, the beach volleyball, and the adult zipline."

"We just started out with a little bit at the beginning. We had the bouncy castles, the kids ziplines, and then bubble soccer. The bubble soccer balls didn't last very long and we wanted something bigger and better. We were out of town a little bit so we thought let's get something that will help people cool off, and that's when we thought about the bumper boats."

"There is something for everyone, for all ages, from three years old and up. One weekend we had some seniors that were on the adult zipline!"

Tannis says the addition of things like the human foosball has been a hit.

"We host bachelorette parties. One

group, they wanted to do the mini golf and human foosball, and they went into the human foosball and stayed there all night, they had a blast!

"We added beach volleyball, the adult zipline and an in-ground pool for the bumper boats."

This summer a bouncy castle was added as well, and people can now rent barbecue

She says there has been a real increase in the number of people who are coming out to their farm to go to Angel Acres.

"In the past, during the week it would be slow and you might see the odd person trickle in throughout the day, but now we are open at 1 pm and people are there. Last night they were there until 8 o'clock. It was constant."

"This summer we have been way busier. And of course we get the odd person saying 'are you going to add on?'"

Tannis says people are starting to come from as far as an hour or more away.

"If the weather is hot and people are around we are busy," she says. "And we are centrally located. We are half an hour from Oxbow and Redvers, we now are getting some people from the States. We've had lots of Estevan people come out. Melita we've had, and that's about 45 minutes."

What inspired the Lovells to start Angels Acres Fun Zone?

"Ten years ago we lost our little boy," says Tannis. "He passed away—he was two. We thought to help us with our grieving, let's get something in memory of Evan. And we also thought there isn't much

stuff around Carnduff to do for young kids or families, so we just sat at our table one day and Scott, my husband, and I thought "what can we name this?" And we thought Angel Acres. We are in the country, we are on a farm, and Evan is our Angel."

"It's a fun zone. It's somewhere where you can be safe, have fun, cool off, have a good time and share with your family and friends."

"We just thought we wanted to do something in Evan's memory. He would have been 12 this year. July 12 would have been his birthday and August 6 is the anniversary of his accident."

"So it helps us. When I hear all the laughter and see the smiles and those little ones that are turning 12, I think my son would have been that age. Just to make a little one smile or laugh is perfect."

Tannis says they are seeing a lot of repeat customers now.

"People come back to our office and say 'thank you so much, we had a great time, I'm booking my grandchild or child's birthday next year.' And they go and tell their friends or they go onto our Facebook page and talk about it, and it's like a wildfire. It's been pretty good."

"We're actually getting the odd person ask us if we have RV parking. We actually have old barns that are getting close to the end of their days that could come down and we could actually maybe turn it into an RV park, and the other day I was wondering if it would be possible to put a splash park in. So my wheels are already turning."

Angel Acres is open from June to the end of August.

Clear Lake in Riding Mountain National Park

Riding Mountain National Park: A gem in western Manitoba

Summer is the perfect time to venture to the outdoors and take advantage of the warm weather for a few months. Many people head to the beach to soak up the sun while others gather family and friends and set up tents and RVs in the woods.

Riding Mountain National Park in Western Manitoba has something for everyone.

The park has back country trails for those people that like going out in the wilderness and experiencing nature first hand, there's a townsite where there are shops and restaurants for those who don't like getting their hands dirty, there's a beautiful lake for the beach bums, and there is natural beauty everywhere you look.

The main campground includes more than 500 campsites and there are five other campgrounds within the park.

Upon driving into the township of Wasagaming at Clear

Lake, small shops, businesses and cottages sit on either side of the street. Once reaching the lake, just to the left is a lawn where families and friends can be seen tossing a frisbee to one another. Just beyond is the main beach where beach towels and children with sand toys spread across the shore. A pier lies to the left, leading out to the marina, where The Martese, a 95-passenger tour boat is anchored.

Other activities include golfing, boating, horseback riding, and hiking on more than 400 km of trails.

The Wasagaming area offers mini-golf, tennis courts, bike rentals, boat rentals and fishing. The Visitor Centre offers a junior naturalist program called Critter Camp for younger patrons. The Clear Lake Golf Course features 18 holes, some of them tough but all providing a scenic view.

Wasagaming offers a variety of restaurants ranging from Italian to a lounge-style setting. Clothing shops and specialty shops line the streets.
