Diverse Population — Diversified Economy — Boundless Opportunities

Playing on one of the sports simulators at the Sportsplex.

PotashCorp Sportsplex a popular spot

Moosomin's PotashCorp Sportsplex has become a popular spot over the year since it opened, offering sports simulators, winter golf leagues, a walking track, bowling lanes complete with glow bowling, and pickle ball courts. The sports simulators include different golf courses from all around the world, and many other sports and games. The facility includes food services and a bar.

Moosomin recreation director Mike Schwean says the facility has seen a lot of use since it opened in the fall of 2016.

"It's been really busy," he said. "The men's and ladies' golf nights bring out a lot of people. We have lots of Christmas parties booked through December and into January, some for businesses and some for families. We had 30 parties booked last year—we have 40 this year, including a lot from out of town."

Schwean had high hopes for the Sportsplex, and it has turned out to be even more popular than he expected.

"Some things went even better

than we thought. We have more walkers than we ever would have thought, Mens night and Ladies night have taken off, the bowling alley is popular, pickle ball is proving popular—it's fantastic. The simulators are as busy as we expected they would be. We had just a fantastic year in our first year."

He said more programs are running at the Sportsplex than first planned. "We have the health region using it, we have exercise classes in there, we have so many walkers, on the bowling alley side we're going to try to run a Wednesday night kids' bowling league, the seniors are looking at a Friday afternoon bowling league—there are just a ton of things going on."

He sees more potential for year-round use of the facility with the development of Tim Hortons Outdoor Eventplex. "Finishing the deck and the stage means there's so much more we can do there next spring and summer," he said. "It's just a fantastic facility."

The facility is unique.

"I've never seen anything

like this in any other town," says Schwean. "When we took over the bowling alley, I thought two sports simulators joined to the bowling alley might bring in a few more people, and it just grew from there."

"We started thinking about things that we could include, and I envisioned just what we have now, with the walking track, with the park in the back."

"A few weeks ago you had a story in the newspaper about how you remember when the Convention Centre was built and how you couldn't imagine the town without it now—and now the Sportsplex is almost to that point. So many people rely on the programming there, you can't imagine the town without it. It's so valuable to so many people for different reasons."

"There are probably 60 people registered for our challenge walks, whether it's the Trans-Canada or the Pacific Plunge. They are there every day, along with the exercise classes, the health region, people using the simulators—it's a great community facility."

Conexus Convention Centre, Communiplex a hub for winter activity

Every winter, the Conexus Convention Centre and Communiplex in Moosomin are a hub of activity.

The Convention Centre was designed to be a multipurpose facility, and it has truly hit the mark. Once winter arrives the facility plays host to a ton of events, from public gym nights to gymnastics and air cadets, and many, many private bookings such as trade shows and entertainment events.

For those looking for some indoor public skating and shinny time, both are available at the Communi-plex throughout the winter. Skating and shinny times can be found on the Moosomin Parks and Rec website at www.moosomin.com/park-sandrec.

River Hockey is also available to children who want to play hockey without the pressure of league play. Kids can sign up for river hockey any time of the year, and shinny style hockey is played every week-end.

For adults wanting to indulge in a little bit of rec hockey there are options. Men's rec hockey is played each week. Times vary each week, but these programs are open to any adult.

The Communi-plex is also a great place to catch a local hockey game—be it minor hockey or a game between the town's senior team, the Moosomin Rangers, and one of their opponents in the North Central Hockey League.

The Convention Centre is also well used by community groups, such as the gymnastics club, the air cadets, and renting it for birthday parties has also been a big hit.

The Convention Centre and outdoor rink are fairly recent additions to Bradley Park, and Moosomin Rec Director Mike Schwan says everything has worked out the way the town hoped, with the entire facility humming with activity on a regular basis.

"It's exactly what we planned, it worked out perfect," he says. "It's busy all the time."

"It's not so much a revenue producer as it is payback to the community—lots of different groups have been able to use it."

A rider enjoys the trails

Got a sled?

Ride the beautiful Tri Valley Trails

If you like to make the most of winter on the Prairies by hopping on a snowmobile and spending your day sledding, then you're in luck.

The Tri Valley Trails provide 270 kilometres of snowmobile trails in the area, linking three scenic valleys—the Pipestone, the Assiniboine and the Qu'Appelle. The trails run from south of Moosomin up north to Spy Hill, west to Tantallon, and east into Manitoba where they link up with Manitoba's SnoMan Trails. On the west side, the trails link up with the Esterhazy snowmobile club's trails, allowing riders to continue riding right up to Yorkton.

The trails are fully groomed, with warmup shacks along the way, and all of the trails are marked, making for safe riding.

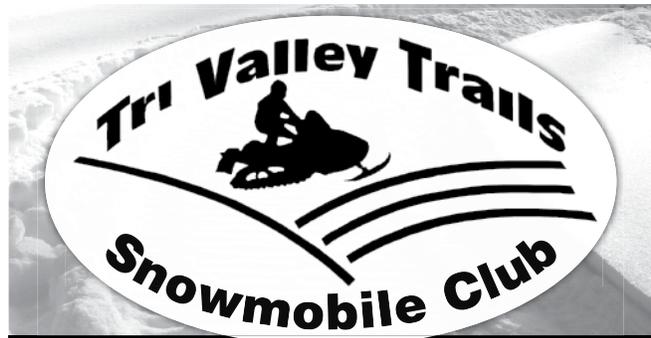

Any snowmobile licensed in Saskatchewan also has their trail pass covered in Manitoba, and vice versa, allowing licensed snowmobilers to ride between provinces on one license.

It's a great way to ride, and it's not uncommon for snowmobilers to see deer, moose, coyotes and other wildlife along the trails.

Warmup shacks are located at Moosomin, Rocanville, Welwyn, and Spy Hill, and are stocked with firewood for those wishing to take a break and build a fire. There are also signs along the trails for local businesses who support the trails system, many who provide services to snowmobilers, such as meals, repairs, and accessories.

While a membership in the Tri Valley Trails club is not required to ride the trails, buying a membership is a great way to support the trails system and the club so that the trails can continue to be marked and groomed in the future.

For more information on the trails, visit the Tri Valley Trails website, which is regularly updated, at www.trivalleytrails.com.

Skiers enjoy a winter day at the Rocanville cross-country ski trails.

Cross-country ski trails available at Rocanville

Whether you're looking for sport, fellowship, exercise, or an opportunity to simply enjoy the outdoors during a Prairie winter day, the Rocanville Cross-Country Ski Club fits the bill.

Since 1995, when local resident Dennis Hack cleared some trails on his farm located two miles south of Rocanville, cross-country ski enthusiasts have strapped on their skis and ventured into Saskatchewan's winter landscape.

Since then, the club has developed into an organization regular members, while many more non-members also take to the nine-kilometre groomed track through the winter.

Even those without skis are included. The Rocanville Cross-Country Ski Club's clubhouse amenities provide everything you need for a day of skiing. The club has all different sizes of boots and skis for rent at low cost, and a wax station to prepare your skis for the day's travel. Payment is based on the honor system.

The clubhouse also has a wood stove for warmth, comfy chairs, and hot chocolate and marshmallows.

The club's trail system contains a variety of tracks, from flat easy-going paths to more challenging hills and coulees. The route winds through bush, providing shelter from a chilly winter breeze.

Club member Dennis Hack with the groomer.

And, because the club has a facility for all ages and skill levels, the whole family can get involved. While older children can make their first attempt at cross-country skiing, younger ones can be pulled behind an adult in a sled or toboggan.

The trails are groomed to provide for classic or skate skiing.

You can get more information from the club's executive members or by calling the Rec Office in Rocanville.

A scene from a senior hockey game between the Rocanville Tigers and the Kipling Oil Kings.

Catch some senior hockey action!

If you love a good hockey game in front of a local crowd in a rural rink, there are a number of great teams to watch this winter in Southeast Saskatchewan and Southwest Manitoba.

For Manitoba Junior Hockey League action, head to Virden where you can watch the Virden Oil Capitals compete against other MJHL teams. The team boasts a wide fan base, and draws from a large talent pool, with hundreds of people packing the stands at Virden's beautiful new recreation centre, Tundra Oil and Gas Place.

Senior hockey is very much alive and well in rural Saskatchewan and Manitoba.

Both the Moosomin Rangers and Miniota-Elkhorn C-Hawks compete in the North Central Hockey League. The Rangers play their home games at the Communiplex in Moosomin. The C-Hawks play their games in Elkhorn and Miniota. The Virden Oil Kings are also a part of the NCHL.

To catch the C-Hawks, Rangers, or Oil Kings at a home game in Elkhorn, Moosomin, or Virden check out the NCHL schedule online at www.northcentralhockeyleague.ca.

Senior hockey action is also alive and kicking in the Triangle Hockey League where the Rocanville Tigers will take on six other evenly-matched teams in THL action. The Esterhazy Flyers are also part of this league. For local game times, visit the THL's website at www.trianglehockey.ca.

The Wawota Flyers are also back at it in the Big Six Hockey League this season, promising great senior hockey action in a league where it's anybody's game on any given night. The Redvers Rockets also play as part of this league. To check out local game times go to www.bigsixhockey.com.

So go ahead—bundle up, head on down to the rink, buy yourself a burger and a hot chocolate at the local concession and enjoy the game!

Clear Lake—the perfect winter getaway

Come the cold weather, the scenic Clear Lake area transforms from a bustling summer playground to a peaceful winter destination.

While most of the Wasagaming townsite closes down for the winter, there are a number of winter resorts that stay open and let you enjoy the beauty of Riding Mountain National Park during the winter months.

One of these is Geiler Corner. Located right in the Wasagaming town site, Geiler Corner feature luxurious and modern three-bedroom cottages.

Those looking to relax can spend a day doing as they please—cross country skiing, ice fishing, snow shoeing, skating, hiking, snowmobiling, or skiing or snowboarding at Aseissippi Ski Resort, before retiring back to Geiler corner to relax in winter luxury, where they can sip a drink and have supper after a day of winter activity.

Nestled in the trees just outside the resort village of Wasagaming is the Elkhorn Resort and Conference Centre. With over 3,000 square kilometers of boreal forest at its doorstep and bordering with Riding Mountain National Park, the resort not only offers a relaxing spa and mineral pool experience indoors, but

tons of outdoor activities for those ready to embrace winter!

The resort itself offers spacious rooms with fireplaces, an indoor pool, a fine dining restaurant, as well as the Solstice Spa featuring the Equinox mineral pool and hot tub.

Outside, the resort offers snowmobile rentals as well as cross-country skiing and snowshoeing. There are over 75 kilometres of ski trails tracked and packed for skiers to enjoy. Just outside the resort, there is also an outdoor rink as well as a toboggan hill and an outdoor campfire area where families and children can relax after a day in the cold.

There is also a dogsledding experience. Take a two-mile run around the resort grounds and get to know a real musher and meet the dogs, too!

For those looking for off-site activities nearby, ice fishing is allowed on Clear Lake for most of the winter, or you could spend a day downhill skiing in Minnedosa (a 30-minute drive from the resort) or at the Aseissippi Ski Area in Russell (an hour drive from the resort).

If you are looking for that perfect winter getaway, the Clear Lake area may be just what you need!

Sledding in the Asessippi Parkland

Asessippi Parkland invites you to play

It's cold out there! But for many, the ice and snow are simply an excuse for winter fun!

The Asessippi Parkland is one place where you can play this winter.

The biggest draw to the area is the Asessippi Ski Hill and Resort. With between 80,000 and 90,000 visitors a year, the resort is a winter playground.

Featuring 26 runs, three lifts, and two terrain parks for skiing and snowboarding, plus a downhill snow tubing park with four downhill lanes, there's lots to explore at Asessippi Ski. There is also a resort village at the bottom of the hill with ski and snowboard rentals, a large food court, gift shop and pub.

Second to the ski hill, one of the biggest draws to the Asessippi Parkland area each year is the annual Lake of the Prairies ice fishing derby. The derby will be held on February 24 this year, and boasts large a first prize.

Lake of the Prairies is a popular fishing spot in the summer and is just as popular for ice fishing in the winter, when the lake is covered in ice shacks frequented by avid fishing enthusiasts. Both Manitoba and Saskatchewan fishing licenses are valid on the lake, as the lake is considered a border lake.

The area also boasts 400 kilometres of groomed snowmobile trails and 11 kilometres of groomed

cross country ski trails at Moose Lake. The snowmobile trails wind through the Birdtail, Assiniboine, and Asessippi Valleys, and connect with the trails system in Saskatchewan for riders looking to cross borders.

For those partaking in winter activities, hockey tournaments, or other events in the area, there are

plenty of places to stay. The Russell Inn is a popular location for those planning to ski at Asessippi, and there are numerous other hotels and motels in the area that can accommodate people in the area for different reasons.

Whatever your reason, make the Asessippi Parkland one of your winter fun destinations this season!
